Dear Parents, Students and Community members,

Yugumbir State School has an active **Parents and Citizens Association**. This association is a group formed with parent representatives, the principal and staff representatives. The P&C is the peak parent forum in our school. Meetings are held monthly in the school staffroom. The P&C plays a very important role within the school.

The P&C provides advice to the principal, ensures a parent’s perspective is considered in school decisions, organises programs and activities which enhance the life of students at school and provide opportunities for parents to become connected within the school community. The P&C decides to conduct fundraising activities throughout the school year, to provide funds for projects that are decided between the association and the school.

Last year, the P&C decided to begin an ambitious program to install air conditioning into all classrooms throughout the school. Over the Christmas break 15 classrooms were fully air conditioned. This program is expensive and will be implemented progressively over the next three to four years. This project benefits our students, anticipating the greater comfort level translates into improved learning, especially through the hotter periods of the school year.

The **Annual General Meeting** of the P&C will be held on **Tuesday 16th February**. At this meeting, the executive for the new year will be appointed and the P&C direction for the year will be discussed. All parents are very welcome to attend.

Our P&C has relied strongly on a small number of dedicated parents in recent years. The strength of the P&C would be greatly enhanced if there were new parents who made a commitment to become involved. Whether you are a continuing parent or a parent who is new to the school, you are encouraged to become involved and support the P&C.

It is acknowledged that parents are very busy and have many other commitments. However, I hope this early advice of the date/time of the first P&C meeting of the year, assists parents to plan ahead of time, to come along.

I look forward to meeting you at this meeting.

**Parent – Teacher Meetings**
Parent – Teacher Meetings are being offered to parents in Week 3/4. These meetings are held in students’ classrooms. They will be of a maximum 1 hour’s duration. These meetings will be held as follows:
- Tues 7th Feb – 5pm – Year 1; 6pm – Year 2
- Wed 8th Feb – 5pm – Year 3; 6pm – Year 6
- Thurs 9th Feb – 5pm - Year 4; 6pm – Year 5

At these meetings parents will meet their child’s teacher, learn about the class program, reporting and assessment, positive classroom behaviour management processes and expectations, homework expectations, extra-curricular activities planned, some school policies and how parents can help out. **All parents are strongly encouraged to attend these meetings.** They are integral in forming a supportive partnership between teachers and parents, to benefit our students.

**Home Reading**
Reading has always been an important skill. In our modern world it is more important than ever. Children learn about the importance of reading as they watch family members use reading and writing for everyday purposes. Reading with your child at home will help your child in all learning areas of school.
Students are being taught to read through their daily reading lessons. The instruction varies according to the students’ level of development. The focus may range from letter/word recognition in simple texts to comprehension of challenging texts.

Regardless of a students’ level of development, all students benefit greatly from regularly reading at home.

Reading time at home should be supported by parents. Some students, usually the early years, will need a parent to sit with them and support the students through the text, using context clues, reading back over the text to ensure appropriate meaning and simple questions to ensure full understanding of what is read.

Hints for listening to your child read
- Before reading, talk about the cover, the title, the pictures, and discuss what the book may be about.
- During reading, discuss what has been read and imagine what will happen next time.
- After reading is finished, talk and ask questions about the story and the pictures.
- When reading a harder book together, take turns. Beginning readers can read the repetitive parts and more experienced readers can read a paragraph or a page.
- On finding an unknown word:
  - Pause to give your child time to work out the word
  - Prompt: go back to the beginning of the sentence, or read past the difficult word to the end of the sentence.
  - Look for a clue in the picture or the words
  - Look at the first letter and think about what the words could be
  - Ask “Does this make sense?”
  - Try to sound out the word
  - If necessary tell your child the word
- Praise your child for trying even if mistakes are made.

As students become more able readers, they may be able to read relatively independently. In such cases, parents should be aware of what is being read and to ask questions about the text to support full understanding. The interest of a parent in what is being read is paramount. Participating in a discussion for 5 minutes of what a child has read demonstrates your interest in the child’s reading and that reading is important.

Home reading should never be a “pressure” situation. Establishing a suitable time and expectation about how home reading happens at your place, assists it to become part of your daily routine. Parents are welcome to discuss home reading with the child’s teacher if you are experiencing difficulties.

Home reading provides valuable practice for our students to read, consolidating their development and sharing their achievement positively with their parents.

There is an expectation that every child is reading at home on a daily basis.

Positive Behaviour for Learning
Our expectations of students in regard to their behaviour are very high. This is important from three perspectives:
- Every child has to learn appropriate manners, respect for others, to co-operate with others, an ability to make responsible choices and to be accountable for his/her own actions. This is vital for students’ self-development and their capability to manage themselves successfully in the years ahead.
- Every student must learn strategies to manage his/her own conduct, to make positive choices and develop the skills of personal organisation, resilience and concentration such that he/she can focus on his/her own learning.
- Every student has a responsibility to participate positively in the class group, allowing teachers to do their job effectively and allowing other students to concentrate on their own learning.
  (refer to school guarantees)

Yugumbir SS has a positive approach towards supporting students’ behaviour. The management of students is proactive, positive, fair and considerate of age/development. Positive classroom management processes, well implemented by teachers, make it easier for all students to enjoy their classroom and focus on learning.
In addition, the Positive Behaviour for Learning Program (PBL) is a strong program, supporting positive behaviour by students. The program involves training teachers, establishing clear rules and boundaries for students, lessons to assist students to develop understandings and skills, rewards and fair consequences for inappropriate behaviour. The PBL team is led by a team of teachers from every year level across the school. The work of these staff members and the whole staff in supporting our students is highly commendable.

In class, students are introduced to our **SOAR expectations**. These expectations provide concise guidelines for students to refer to, such that they are clear of the standard of behaviour expected of all students.

Sustaining high standards of behaviour by all students is a whole of community responsibility. Parent support when there are issues to manage is critically important for the student’s development, as is reinforcement of positive behaviour. In almost every case, parent support of the school’s stance makes a genuine difference.

**Updating Student Details**

It is very important that we have current student records as they are critical in emergencies. Therefore we are asking parents to please update their student and their own personal details that may have changed. Please pay particular attention to any changes of:

- _current address_
- _contact telephone numbers_
- _emergency contacts, and_
- _medical conditions._

If changes are required please contact the school office at your earliest convenience – email: the.principal@yugumbirss.eq.edu.au Alternatively you may phone 3380 0333

**Traffic Issues**

**Car Parks** - Parents are advised that the staff car park off Wisteria Drive is off limits. This busy car park serves its purpose as it takes a large number of cars off the street, reducing congestion.

**Thistle Street** – This street is immediately across Vansittart Rd from the front gate. The first 50 metres of Thistle St have signage that prevents parking before and after school. I believe residents have made reports to police and council already. Parking is available further down Thistle St.

**Drop Off/Collection Zone** – The Browns Plains Police have been in contact this week regarding the use of drop off/collection zones at local schools. This also includes Yugumbir SS. Our drop off/collection zone is in Wisteria Drive. The following guidelines will support parents to use this zone effectively and safely:

- When entering the zone, drive slowly, with caution, to the furtherest available parking space.
- Entry should be from behind any vehicle already parked within the zone eg creating a line of vehicles. Do not drive forward and enter the zone in front of another vehicle.
- Parents may exit the zone whenever they choose.
- The drop off zone is a “2 minute” zone – which means that parking is to be for no longer than 2 minutes ie enough time to park, collect the children and exit. Parents must not arrive early and park in this zone for extended periods, even if waiting in the car until students arrive. Never leave your car when parking in this zone. Parents are encouraged to explain their expectations of students to need to be alert and ready for a quick collection.

The police are concerned of practices at several schools, including ours. While our first priority is student safety, parents can avoid being fined when the police arrive when doing their rounds.

School Banking Information Session.

Yugumbir State School is excited to offer the Commonwealth Bank School Banking program to all students.

School Banking is a fun, interactive and engaging way for young Australians to learn about money and develop good savings habits. Children who deposit money into their Youthsaver account through School Banking earn Dollarmites tokens, which they can save up and redeem for exciting rewards.

The rewards available during 2017 are:
- Cyber Handball
- Colour Change Markers
- 3D Chalk Set
- Tablet Case
- Smiley Emoji Keyring
- Volt Handball
- Pencil + Tech Case
- Epic Earphones

School Banking is also a great fundraiser for our school. Our school receives $5 when a student makes their first ever School Banking deposit and 5% on every deposit made through the school (to a maximum of $10 per individual deposit).

School Banking day is Wednesday. Each week you need to hand your completed bank folder with money enclosed to your class teacher at the commencement of school. It will be processed by our volunteers and returned to your teacher to be given back to you.

We will be holding a School Banking Information Session at our school:

Date: WEDNESDAY 1 February
Time: 8:15 – 9:15
Location: Prep under cover area

Date: WEDNESDAY 8 February
Location: Prep under cover area
Please join us and find out more about the School Banking program and how your child can get involved.

If you are interested in opening a Commonwealth Bank Youthsaver account for your child you can visit commbank.com.au/schoolbanking and click on the link to open a Youthsaver account. A School Banking representative will be available at the Information Session to show you how you can do this. In order to verify yourself and your child, you will need your driver’s licence and your child’s birth certificate, but if you don’t have these with you on the day, you can complete verification online at home.

Student banking commences tomorrow.

Re: Parent/Teacher Meeting

Dear Parent/Guardian

Early each year, we conduct a Parent/Teacher meeting for each Year level at school. The aim of this meeting is:

- to inform you about what will be happening in our year level this year. (This includes a summary of the academic work to be covered, excursions, etc.);
- to inform you about our class policies (including homework, behaviour, parent helpers, parent/teacher communications, when is the best time to talk with us, etc.);
- to get to know each other;
- to answer questions from you.

Details of the meeting are:

- **Date of Meeting:**
  - Years 1 & 2: Tuesday 7th February
  - Years 3 & 6: Wednesday 8th February
  - Years 4 & 5: Thursday 9th February

- **Time:**
  - Years 1, 3 & 4: 5.00pm until 6.00 pm
  - Years 2, 5 & 6: 6.00pm until 7.00 pm

- **Location:**
  - Year 1: Your child’s classroom
  - Year 2: Your child’s classroom
  - Year 3: Your child’s classroom
  - Year 4: In 4KP classroom Modular 6
  - Year 5: In 5BK classroom Modular 3
  - Year 6: In 6LB classroom Teaching 3

We hope you can make this meeting. However, if you are unable to make it, then you may like to make other arrangements to find out this information (e.g. arranging to talk with the teacher, from other parents.)

As the time is brief, personal discussions about your child will not be possible but, if you wish, please use this opportunity to set up a further meeting with your child’s teacher.

Yours sincerely

Lloyd Wills

**QParents**

**Registration Process for parents**

Please note: Your registration progress cannot be saved. Before you begin your registration, you will need to have on hand:

1. Your QParents Invitation email
2. 100 points of ID documents (as per item 1)
3. Your child/children’s EQID (Education Queensland identification number) (see item 3)

**Step 1:**

Click on the link in the QParents Invitation email.
- Register as a QParents Account Owner

**Step 2:**

You will be taken to the QParents portal with your unique invitation code already entered. Click ‘Next’.

**Step 3:**

Read the Privacy Statement and the QParents Account Owner terms and conditions. If you agree to these, click 'I have read and understood'. Check boxes for both and click 'Accept'.
- Select 'Yes' if you are the person linked to the code you entered, then click 'Verify Identity'.

**Step 4:**

If only have 60-99 points of the above ID, you can still register. However, you will need to attend your school for a further check later.

**Step 5:**

You will now need to enter details from your identity documents.
- 1. Select the first document you will use.
- 2. Enter the requested details—they can be found on your identity document. When you have done this, click ‘Submit details’ (see item 2).
- 3. Repeat steps 1 and 2 until you have reached 100 points. Then click ‘Finish’.

**Step 6:**

You should now create your account. Make sure you use the ‘Create an Account’ icon on the left of the screen.
- 1. Enter the email address you want to use with QParents. It should be one you check regularly.
- 2. Enter a password of your own choice. It must be at least eight characters long and contain at least one number and one special character.
- 3. Enter your password again.
- 4. Enter your mobile phone number.

**Step 7:**

An email is sent to the email address you entered in Step 6. Click on the link in this email to verify your email address and activate your account. The email must be verified within 30 days of registration, or you will need to register again.

**Step 8:**

You now need to add your students. Enter the EQID (see item 3), school year, and school name, then click ‘Student’.

**Step 9:**

If you have been nominated as the QParents Account Owner for another child, click ‘Add another student’ and repeat this process. Once you have added all your students, your registration and account set-up is complete.

Enjoy!
GREENBANK RAIDERS
LEAD THE WAY

SIGN ON DAY
