Rule of the Week:

The rule of the week: Take care of flora and fauna.

Prep MG and Prep KB take care of plants and animals by making sure all the rubbish is picked up around their eating area.

Jett P (Prep MG) says – “We need to water our class plants”.
Maneet K (Prep MG) says – “We need the sun and soil to help them grow”.

PRINCIPAL’S MESSAGE

Dear Parents, Students and Community Members,

In the final week of the term, the parents of every child will be provided with a written report relating to his/her behaviour throughout the term. The feedback to parents is organised around our student guarantees – Safe, Outstanding Learners, Always responsible, Respectful.

The student guarantees are important as they provide guidance to students as to the required behaviours and standards required to participate successfully at school and to maximize every student’s opportunity to learn.

The reports will provide indications as to students’ strengths as well as areas for greater focus. Parents are asked to ensure that there is acknowledgement of positive aspects and guidance and advice about other areas.

If there are concerns expressed by teachers, there will be an invitation for parents to meet with teachers, to discuss further support for the student.

These reports are another avenue that the school has in place to work with parents, to support our students.

Number Facts

Children have been memorizing Number Facts for generations. Most of us have vivid memories of flashcards, timed drills, or worksheet after worksheet of Number Facts.

Some people believe that with calculators and computers at our fingertips, committing Number Facts to memory might be old school. Number Facts ARE important for children to learn without the aid of electronic devices. Having a good mastery of number facts allows students to focus on more complex tasks and solving challenging problems while not having to pause to reflect on a simple addition or multiplication fact.

Students are gradually introduced to Number Facts – addition and subtraction and then multiplication and division, as they progress through the school. If a child can say the answer for a Number Fact within a couple of seconds, this is usually considered Mastery of the Fact.

Number Facts are important because they form the building blocks for higher-level Math concepts. Skills such as adding and subtracting larger numbers, telling time, counting money, measurement, long multiplication and division are just a few of the more complex concepts that a child will encounter fairly early in their Math career.

It is important that every child moves from counting strategies to automaticity (rapid recall) of Number Facts. Every child will soon be using Math Facts as a tool to solve more difficult Math questions. If a student has to count to find the answer every time he/she needs to add two numbers, it will take him/her a much longer time to get to the final answer. The student will focus all his/her attention on the basic calculation instead of the higher-level concept that is involved in solving the problem.
Independent research proves the need and importance for students to master their Math Facts. Not only did they discover that mastering the Math Facts aids in higher-level Math, but they also discovered actual shifts in brain patterns as Math Facts were learned!

Calculators and computers play an important role in Math education today, but it is still important for a child to know his/her Math Facts to be able to do mental computation.

Students are taught strategies in class to assist with the orderly introduction and mastery of Number Facts. Practice at home is recommended, but in an enjoyable way. Many small games and friendly challenges can ensure students are reinforcing their Number Facts. The absence of pressure and stress is important as students are practicing their Number Facts.

Interschool Sport
Interschool Sport begins this Friday. This is an excellent opportunity for students to join in the excellent opportunity that interschool sport provides. Our aim is for students to enjoy the experience and to develop skills, teamwork and fitness. We strive to see students and teams playing the game well, to the best of their ability. Winning/losing the game is not the whole measure of success.

Our school is fortunate to have teachers who are keen and enthusiastic to coach teams. I expect students and parents to provide strong support to these teachers with our teams.

The conduct of students and parents from Yugumbir SS has to be of the highest standard while attending/participating in interschool sports. No matter what others may do, our expectations are clear and add considerably to the positive experience being provided to all students.

P&C Meeting
The monthly meeting of the P&C Association will be held next Tuesday evening at 7pm in the staffroom. All parents and staff are welcome.

Stolen Number Plates
The school has received reports from parents that the number plates from several cars have been stolen while vehicles have been parked near the school. The location most effected are the car parks in the rainforest car park. If anyone has any information or sees anything suspicious in this area, please pass this information on to the office.

Harmony Day / Walk-a-thon
There will be a walk-a-thon held in association with Harmony Day, on Monday 21st March 2016. On this day, through the walk-a-thon, students are able to raise funds to support the school.

A letter has been distributed, explaining how students may be sponsored and other details in relation to this very successful annual school event. Many parents also attend the day and add much to the festive atmosphere.

WELL DONE YEAR 5GH

These amazing Year 5 students from 5GH have been diligently looking after our playground by collecting rubbish in their playtime! They have been rewarded with class dojo points and certificates to show our appreciation and to recognise their efforts of demonstrating our SOAR expectation of Always Responsible. Congratulations Year 5! From Miss Cornwall & Miss Hansen

STAY IN TOUCH WITH SCHOOL APP AND FACEBOOK

The School App is great for sending quick messages to parents. An article in last week’s newsletter provided indepth information about its benefits. All parents are strongly encouraged to have this App downloaded to their mobile phone. This App and Facebook will be the school’s first choice of communication in the event of any emergency or quick announcements that need to be distributed.

To download the SCHOOL APP:
For apple customers – go to the iTunes store, then search Yugumbir. Then click on “get”. It’s free!
For android customers – go to google play, then search Yugumbir. Click on the app, then click “install”. It’s free!

To find us on FACEBOOK:
Type in Yugumbir State School in the search bar, then click the “like” button found on the photo banner.
Yugumbir State School will be celebrating Harmony Day on Monday 21st March. Students, parents and caregivers are invited to attend and participate in our Annual Walk-a-thon, followed by a Sausage Sizzle. All participants (including parents/caregivers) are invited to dress up in international costume or orange to support Harmony Day. Sponsorship forms have been sent home this week – Extra forms are available at the office.

Prizes to be won:
- Best Dressed Student for each Year Level
- Best Dressed Adult
- Class “Pizza Party” for most money raised.

Could all sponsorship forms please be returned to your classroom teacher no later than Friday 18th March.

HARMONY DAY SAUSAGE SIZZLE

On Monday 21st March, we are celebrating Harmony Day and we will also be holding a Sausage Sizzle.

This year all students can order and pay on the day. No money will be collected prior to the Sausage Sizzle.

Prices on the day will be:
- Sausage on bread $2.00
- Cans of Drink $2.00
- Water $1.00
- Meal Deal - Sausage & drink $4.00

Students will be served during the Lunch Break.

Students are to line up at the Undercover Area near the Oval and wait to be served. All funds raised on the day will go towards funding activities/resources provided through the Chaplaincy program.

Chaplain Carlos

FOR PREP STUDENTS ONLY

Prep students are to hand their order and money to their class teacher on the day. Orders will be collected from teachers and then delivered to Prep classrooms by the Chaplains/volunteer person.

The resource scheme provides us with significant opportunities to refine explicit teaching strategies for all students and ensure we personalise the teaching and learning for every child. As we continue to embed the Australian Curriculum and make use of the “Curriculum into the Classroom” units of work developed by Education Queensland, we continue to develop year level and unit specific resources to meet the needs of all students including those with special needs and academic strengths. By inviting and encouraging parents to support an annual $50.00 Resource Scheme contribution we will be able to produce very explicit resources to align to the work being taught in each classroom. It will also provide you with clear savings to online subscriptions that our teachers use to consolidate your child’s learning.

The School Resource Scheme includes the provision of:

- Subsidise the dance lessons (10) by Footsteps Dance Company in Term 2
- Reproduced class materials which complement and/or substitute textbooks
- Online subscriptions (Reading Eggs and Ideal Resources)
- Photocopying costs (classroom materials and workbooks only)
- Materials for key learning areas where the instruction is extended through providing practical learning experiences in excess of materials provided by our school grants

Children of parents who choose not to participate in the School Resource Scheme will not be provided with any of the resources above or access to online subscriptions.

The school will provide parents and caregivers with an invoice for the resource scheme payment.

Payment

☐ I agree to pay the Student Resource Scheme by the due date and I understand that any failure to make payment by this date may result in my child(ren) being excluded from extra-curricular activities. Access may be withheld even if the student is presenting payment specifically for the extra-curricular activity.

St Bernardine’s Parish Sacramental Program

Sacramental Program

An Information and enrolment session for the Sacrament of Confirmation will be held in St Bernardine’s Church on Thursday 5th May 2016 at 7.00pm.

It is essential that parents who intend to enrol their child/ren in the Sacramental Program will need to attend this session.

The Archdiocese of Brisbane has recently updated the Sacramental Policy (Christian Initiation for Children - Baptism, Confirmation, Penance and Holy Communion). Parishes will now offer a Program and celebrate the Sacrament of Confirmation when the child turns eight (Year 3). The following year the child will prepare for the Sacrament of Reconciliation (Penance) which will be included as part of the preparation and Celebration of his/her First Holy Communion.

You can pick up a copy of the Archdiocesan Sacramental Policy from the Parish Office or Access on the Parish website:
www.stbernardinesparish.com.au

If you have any queries, please contact Jean in the Parish Office or email:
