YUGUMBIR STATE SCHOOL PARENTS AND CITIZENS’ ASSOCIATION
NEWSLETTER – 1st September 2015
Available online: www.yugumbirss.eq.edu.au
P. & C. Meeting: every 3rd Tuesday of the month at 7:00 pm.
School Office Hours: 8am to 4pm

Rules of the Week:

Expectation: Be Responsible

The rule of the week: Positive choices lead to positive outcomes

Positive choices lead to positive outcomes mean that if you are making good choices, then good things happen. You could get a reward or a sticker. If I do that I am being responsible.

Bryce 1NP

PRINCIPAL’S MESSAGE

Dear Parent, Carers and Students

Caring Hearts – Inquiring Minds – Enriching Lives

How can we promote a culture of success in Mathematics in our classrooms?
Firstly it’s about improving the quality of the teaching and learning that occurs in every single classroom. It’s about a simple principle that when children experience success they feel good about themselves. When they feel good about themselves and what they’re doing they get hooked, and they learn at their best. Celebrating success in Mathematics is essential in creating an environment that values this key learning area.

How can you as a parent help your child succeed in Mathematics?
You are an important partner in your child’s education. When we work together to support children’s learning, the gains in achievement are significant.

You can help your child build their confidence and learn mathematics by understanding the following points:

- Problems can be solved in many different ways. Although most mathematics problems have only one answer, there may be many ways to get to that answer.
- Wrong answers are sometimes useful. Analysing wrong answers can help your child understand the concepts underlying a problem and learn to apply reasoning skills to arrive at the correct answer.
- Being able to do mathematics in your head is important. Mathematics is not restricted to pencil and paper activities. Doing mathematics in your head ("mental maths") is a valuable skill that comes in handy when making quick calculations in shops, restaurants, or petrol stations. Let your child practice using mental maths when you go shopping.
- It is sometimes okay to use a calculator to solve mathematics problems. Let your child know that to use calculators correctly and most efficiently, he or she will need a strong foundation in number and place value.

EVERY DAY COUNTS

School attendance last week was as follows:

<table>
<thead>
<tr>
<th>Day</th>
<th>Monday 24 August</th>
<th>Tuesday 25 August</th>
<th>Wednesday 26 August</th>
<th>Thursday 27 August</th>
<th>Friday 28 August</th>
<th>Overall</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>92.7%</td>
<td>92.4%</td>
<td>95.0%</td>
<td>94.9%</td>
<td>91.9%</td>
<td>93.4%</td>
</tr>
</tbody>
</table>
The target for our school is 95%. Remember, it’s your responsibility to contact the school if your child is sick or can’t attend school.

Tony Maksoud  
Principal

Attendance Points
To help us achieve our target of 95%, each morning our teachers take a tally of the number of students from each sporting house who are at school on time. Students need to be on time as late arrivals are not eligible for a point for their house. For week 7, the two leading classes were 5LB and 5MF with an attendance rate of over 99%. The winning house for week 5 was the Wallaroos who are narrowly behind the Gliders who are leading the overall percentage for students in class, on time.

There are only about 50 points separating each house with only 2 weeks to go before the winning house is announced.

Encourage your children to be at school on time, every day!
On Wednesday of week 10 the winning house will participate in a rewards day.
The prize will be announced on each year level parade next week.
Well done to all those who are making every day at school count.

Father’s Day Stall
Father’s Day is fast approaching!
The P&C is holding their annual Father’s Day Stall on: Thursday 3rd Sept & Friday 4th Sept, during school hours.

These stalls have always proven to be a great success and is very popular with the children. It gives the children a chance to purchase something independently for their Dad/s.
In order to have enough presents available, we are asking you to return the bag previously forwarded to the students, with a small, unwrapped, low-cost item to be used as a gift. Otherwise if a small donation of money is preferable, please enclose securely.

Examples of gifts: Playing cards, pens, hankies, socks, men’s toiletries, photo frames, car accessories, sport accessories, crossword books, stationery, hat/caps, lollies/biscuits etc. (PLEASE no peanut products)

Please leave all donations at the office by Monday 31st August in the boxes provided. We would love to have lots of volunteers to help out on the stall for either day. If you can spare an hour or two, please contact Bonnie 0420 313 055 or leave your name and number at the office and you will be contacted.

We also need some help before the days to wrap gifts ready to go. If you are able to assist with this, please contact Bonnie.
With your kind donations and help, we can make this a great event which will ultimately benefit our children. Father’s Day Stall
This Thursday 3 September grades 3 - 6.
This Friday 4 September grades prep - 2.

<table>
<thead>
<tr>
<th>Prices</th>
<th>Presents</th>
<th>$4, $6, $8, $10, $12</th>

</tbody>
</table>

If anyone has any clean plastic shopping bags can you please leave them at the office or at the uniform shop on Thursday and Friday. It makes it easier for your children to bring home the gifts if we can put them in a carry bag.

Many Thanks – Yugumbir P&C
Connect Camp

Last week the Connect students went on a 3 day camp. We went on a 42km canoeing trip down the Brisbane River. The instructors taught us how to control our canoes, how to paddle straight and how to rescue ourselves if we fell out. On the first day we paddled 6km and we camped in tents on the river bank. We had to cook all of our own food on an open fire and set up our own tents. At night we played fun games such as spotlight, had a campfire and reflected on our day.

On the second day we paddled 18km only stopping along the way for lunch taking us all day to paddle the 18km. It poured with rain for most of the day and it was very cold. It finally stopped raining when we arrived at our camp for the night. We were all very tired and wet!

The third day was our final day, we paddled another 18km in only half the day. We woke up very early to get started. We finished the trip at lunchtime and packed up ready to head back to school.

We all enjoyed the camp, it was hard work and very tiring but we were all happy that we went! We can’t wait for the next camp which will be a 4 day bushwalk!

Aidan Kruck 6GP

MAGPIES SWOOPING

Magpie pairs breed in Spring (August – October) and with this comes the magpies’ natural behaviour to defend the territory around their nesting site. This may result in magpies swooping people who they perceive as a threat to their nest.

Reduce your chances of being swooped!

People can take the following precautions during the period when birds are actively protecting their territory.

○ Do not deliberately provoke or harass the birds as this may make them more aggressive.

○ Walk out of the birds territory immediately.

○ Magpies are less likely to swoop if you look at them. Try to keep an eye on the magpies, at the same time walking carefully away. Alternatively,

○ you can draw or sew a pair of eyes onto the back of a hat, and wear it when walking through the area.

○ Wear a bicycle or skateboard helmet. Any sort of hat, even a hat made from an ice cream container or cardboard box will protect you.

○ Carry an umbrella, or a stick or small branch above your head but do not swing it at the magpie, as this will only provoke it to attack.

○ If you are riding a bicycle when the magpie swoops, get off the bicycle and wheel it quickly through the area. Your bicycle helmet will protect your head, and you can attach a tall red safety flag to your bicycle.

If you feel a magpie is a serious menace it should be reported to the nearest National Parks and Wildlife Service 1300130372.
LOTE NEWS
On Wednesday students in years 4-6 participated in the “Bali in Motion” incursion. We watched a performance of a traditional Balinese dance in full costume as performed by Ibu Sisca. We practised our own dance movements, learning the significance of the special hand and eye movements. We also made music using the bamboo instrument, the angklung, and saw some masks as used in Wayang Topeng. To meet, see and hear an Indonesian person at our own school certainly enhanced our studies of Indonesia and its language and culture. Terima kasih to the students for their enthusiasm and respectful behaviour.

Susan Chipperfield
LOTE Teacher

Year Two Camp at Underwater World - Sea Life
Last week Year 2 students went for an overnight camp at Underwater World Sea Life at Mooloolaba and they have shared their recounts about their experiences.
At Sea Life I saw lots of fish, white tip sharks, bull sharks, leopard sharks and even tiger sharks. We took our luggage out of the bus. Then I went to play cricket with my friends. I hit three home runs and I made sand castles. My friends and I dug the biggest hole. I also went to the turtle hospital. After we went there we went to feed the fish and the sharks.
By Roshannt 2MP

Our two day camp at Sea Life was fun. My favourite part at Sea Life was feeding the sharks and the fish. We also saw some jellyfish and went to the turtle hospital. Before we got to Sea Life we went to the beach. We flew some red and green smiling flags. We went to a seal show and it was fantastic.
By Indiana 2MP

We went to Sea Life to see different kinds of animals and my favourite was seeing the sharks, stingrays and the seal show. We went to the beach and I played cricket. Then my friends and I played tiggy and no one got me out. After we went to a sandy hill and we ran down the hill.
By Riley 2MP

My favourite part at camp was the seal presentation because they could do really cool tricks. I really liked Sly and Groucho because they can do cool stuff. We fed the enormous sharks and stingray. On the first day we travelled on a big noisy bus. We went to the sunny cold beach. It was a lot of fun. I would like to go there again because it is really awesome.
By Kodah-Lei 2MP

When we went to camp, first we went to the beach. Next we went to see some animals. Then we had dinner and after that we fed the animals some fish. I hit a shark with some fish. We set up our beds. In the morning we went back to the beach.
By Ryder 2MC

At our camp we went to the beach first. We made sandcastles and paddled in the water. After that we had lunch and we had to dust our hands off. Then we got to play again. We walked to Underwater World early because it started to rain. We saw the seal show and saw Groucho the seal. He did a front flip. He balanced a ball on his nose and he jumped onto rocks. He jumped off the biggest rock into the water. We went to look at the jellyfish and then we saw the sharks and stingrays. Then we saw two turtles. One of them ate a plastic bag and one got hit by a boat. We fed the sharks some fish and squid. We had burgers for dinner and ice-cream for dessert. We did the fire drill then set our beds up then went to bed. The next day we had breakfast and we looked at more animals. It was fun!
By Tyrel 2MC
Year 5 Stephanie Alexander Program

On Thursday 17th September all of Year 5 will be outside creating another 50 veggie gardens to help grow enough produce for use with their cooking.
To help students on this day we are need asking for help from our school community.
We are seeking:
30-40 wheelbarrows and 50 – 60 shovels to borrow for the day. (Please ensure these are marked so we can identify the owners); and
Any parents who are willing to help out the children on the day.

We will be providing a BBQ lunch for students and volunteers on the day.
Last week students made salad and cheese wraps and will be making a variety of dips in the coming weeks.

Below are 2 journal entries from students in 5LB

My experience with the Stephanie Alexander Program is awesome as I have been able to learn about gardening and cooking with my friends.
It has been a privilege to be cooking and gardening and to have some of our parents come down and help us. Before this I didn’t know how to do any gardening properly.
I also love being able to feed the chickens.
It is great having this program in our school.

Ashleigh M 5LB

My experience in the Stephanie Alexander Program has been the best time of my life. I have been able to do gardening and cooking during school.
The gardening has taught me all about fertilising, watering properly and using tools. I have been realising that all of the delicious fruit and vegetables I eat have a long process before it actually becomes a mature plant.
Cooking has been so much fun. I now know how to be safe around the kitchen and how to use knives and cook different things. I know that cooking is difficult and we should say thank you to our parents.

Alex H 5LB

Student Window and Finance Payments - Changes

The Student Services window will be open Monday to Friday 8:00am to 4:00pm. Services available from this window include:
- Late arrival slips
- Early departures
- Excursion information
- Absentee notifications
- Medications
- Student notes and enquiries
- Q Parent enquiries

Our finance window is open 8:00am to 10:00am ONLY on MONDAY, WEDNESDAY AND FRIDAY, for security reasons. Money received on other days will be sent home.

Only credit card payments will be available through the office outside these hours.

For your convenience we have made available a variety of payment options. These options include:
- Bpoint through Q Parent
- Centrepay Deductions from your Centrelink payments starting from as low as $10 per fortnight. Forms are available at the office.
- Credit Card (MasterCard or Visa) via the phone or in person
- Internet banking – online with your smart phone, ipad or P.C.
- Payment Plans are available – please see the office to organise

If you would like more information please contact the office or call in for our Payment Options Information Sheet. Thank you for your support in finance.

Jenny Kennedy
Business Services Manager

QParents

Help and support for QParents
Online help resources for parents are available at https://qparents.qld.edu.au/#/help

Parents who are having issues should contact the Queensland Government Helpline 13 QGOV (13 74 68) in the first instance.
**Drakes IGA Supermarket Community Dollars**

Our local IGA in Vansittart Rd is a Drakes IGA. For every $1 you spend in their store (excluding tobacco products and gift cards) they will donate 1c to our school. All you have to do is present a key tag and have it scanned every time you shop. Doesn’t matter how little you buy. This may not seem much but it soon adds up and is free money which all goes to helping our children. Anyone can have these tags so give them to your family, friends, and neighbours. **Parents can collect IGA Key Tags from the office. If you need your child to collect one on your behalf, please send a note.**

Thank you in advance for your support.

**Woolworths Earn & Learn**

Once again our school is participating in the Woolworths Earn and Learn campaign. We would appreciate it if you could collect all your Woolworths stickers and place them in the Earn & Learn Box located at the office. If you do not have the Sticker Sheet, just place loose stickers in the box at the office. Thank you for your support.

---

**Commonwealth Bank School Banking Update – Please Read**

Concerns have been raised regarding the ‘Cosmic Light Beam Torch’ reward item due to the inclusion of four button batteries that can be accessed by unscrewing the back of the torch. Whilst this reward has been independently tested and deemed to meet relevant product standards the Commonwealth Bank have made the decision to proactively withdraw this item from the School Banking Rewards Program. Parents/Guardians are requested to dispose of any ‘Cosmic Light Beam Torches’ their child may have already received as part of the Rewards Program. Students who have previously received a ‘Cosmic Light Beam Torch’ are welcome to redeem an alternative reward item.

---

**Yugumbir Brekky Club Volunteers!**

Due to two of our very faithful Breakfast Club teams going into retirement this year, we are urgently seeking 2 Teams of 3 to help out with BREAKFAST CLUB for Mondays and Tuesdays between 8am and 9am.

If you would like to help please contact the school admin or Chaplain Carlos.

---

**Library Bags for Sale!**

$5 (plain) or $7 (different prints). Please see Mrs Greenhill in Teaching 4A to purchase one. All funds go towards the 'Cool our School' fundraiser.

Rewarding regular savers with amazing prizes.

We’re bringing the exciting news that an intergalactic Prize Portal has appeared on Planet Savings, giving students who demonstrate good savings behaviour the chance to win amazing prizes.

- 75 x iPad minis Wi-Fi 16GB
- 125 x Beats by Dr. Dre Solo² Headphones
- 200 x $30 Booktopia Gift Certificates

Help the Dollarmites activate the Prize Portal for a chance to win
To activate the Prize Portal, students must simply make three or more School Banking deposits during Term 3 and they will automatically be entered into the competition for a chance to win one of hundreds of prizes. Students can also complete a Money Mission at commbank.com.au/prizeportal to double their chance of winning a prize. (Please note, students can start the Money Mission at any time, but are required to make three deposits by the end of Term 3 to double their chance of winning).

Win books for your school library
We’re also giving schools participating in the School Banking program a chance to win one of 75 sets of children’s books for their school library, valued at $200.

For more information, visit commbank.com.au/prizeportal

Things to know before you go:
Conditions apply, see commbank.com.au/prizeportal. Promotion starts 9:00am AEST 13/7/15 and ends 11:59pm AEST 25/9/15. Student Element: Entry is open to all YouSave customers aged 4–13 years. 1 entry received when 3 deposits are made through the School Banking Program. 1 bonus entry received when completing a Money Mission activity at commbank.com.au/prizeportal and submitting a fully completed entry form. Max. of 2 entries per person. Entries will be divided into the following State/Territory groups: NSW/ACT, Vic., SA/NT, Tas., Qld. and WA. A total of 400 prizes comprising 75 iPad mini Wi-Fi 16GB space grey tablets valued at $299 each, 125 Beats by Dr. Dre Solo² On-Ear Headphones valued at $259.95 each, and 200 $30 Booktopia Gift Certificates will be distributed amongst the State/Territory groups. The winners’ names will be published in the public notices edition of The Australian on 23/10/15. School Element: Entry is open to all schools operating in Australia who participate in the School Banking Program and have at least 1 student entered into the Student Element of this promotion. Limit of 1 entry per school. Entries will be divided into the following State/Territory groups: NSW/ACT, Vic., SA/NT, Tas., Qld. and WA. A total of 75 prizes of a selection of children’s books to the value of $200 for each winning school’s library will be distributed amongst the State/Territory groups. Prize draws will take place at 12 noon AEDT 13/7/15 at Commonwealth Bank, Level 3, 1 Harbour Street, Sydney. Total prize value $75,018.75. Apple is not a participant or sponsor of this promotion. iPad mini and Beats by Dr. Dre are trademarks of Apple Inc., registered in the US and other countries. The Promoter is Commonwealth Bank of Australia ABN 48 123 123 124 of Level 2, 1 Harbour Street, Sydney NSW 2000. NSW Permit No LTPS/15/05905, ACT Permit No TP15/05517, Vic Permit No 15/820, SA Permit No T15/832.
Calling for Parent Volunteers to help with School Banking!

We are SEEKING PARENT HELPERS, to help out as School Banking Coordinators at our school. School Banking deposits are counted on **Wednesday morning from 9am** in staff room. We would like to have a group of 4-6 Coordinators so that we can complete all banking by 10.30am before teachers need the room for lunch breaks.

Parents or Grandparents willing to help out once a week counting children’s deposit should complete their details below and return to the Office ASAP or feel free to visit us any Wednesday morning from 9am. Ask at the office for directions to School Banking.

Please indicate your interest in volunteering for this role on the form below and return to the Office ASAP.

Finance Payment Methods

Yugumbir State School offers flexibility to families through a range of payment methods for your convenience.

**Internet Banking**

The school’s bank account details are provided in the weekly newsletter and school website. For your convenience the bank account details are:

<table>
<thead>
<tr>
<th>BSB</th>
<th>064159</th>
</tr>
</thead>
<tbody>
<tr>
<td>Account Number</td>
<td>00090333</td>
</tr>
<tr>
<td>Account Name</td>
<td>Yugumbir State School</td>
</tr>
</tbody>
</table>

When paying via Internet Banking please ensure your child’s Education Queensland (EQ) Number and the appropriate Activity Code is included. Activity Codes are located on the top right hand corner of Excursion Notes. EQ numbers remain the same as the previous year, if you have misplaced the number or are new to the school please contact the office.

**Bpoint**

Bpoint is an addition payment channel available to you through QParent, using your credit card (Visa and Mastercard only). The information required to use this method of payment is your child’s Customer Reference Number (CRN) and Invoice Number, available from QParent Payments Section. If you wish to register as a QParent please contact the office.

**Centrepay Deductions**

Use Centrepay to make regular deductions from your Centrelink payment. Centrepay is an easy payment option available to Centrelink customers.

Go to [http://www.humanservices.gov.au/customer/services/centrelink/centrepay](http://www.humanservices.gov.au/customer/services/centrelink/centrepay) for more information and to set-up your Centrepay deduction. You may also contact the office for Centrepay forms and assistance with completion.

**By Phone**

This option is available for Visa and Mastercard only (NO AMEX). Please contact the office on 3380 0333 to make a payment via this method. **Please note** - payments will be processed the next Finance window Day.

**Paying in Person - Eftpos/Cash/Cheque**

Payments can be made via these methods at the Finance Window located outside the Administration Building. Operating Hours are from **8:00am - 10:00am Monday, Wednesday and Fridays only.**

**Payment Plan**

Payment Plans are available for Resource Scheme, Music Levies and Camps. A deposit of at least 25% is required. Please enquire at the Finance window on Monday, Wednesday or Friday for assistance. If you would like more information, please contact the Business Services Manager or Office Staff.
