PRINCIPAL’S MESSAGE

Dear Parent, Carers and Students

Caring Hearts – Inquiring Minds – Enriching Lives

WIRELESS UPGRADE

Our school is in the next round of wireless upgrade. The Department of Education and Training (DET) last year commenced implementing a wireless upgrade project. The aim of the project is to enhance, extend and improve the wireless coverage in primary schools to support the use of mobile devices, such as laptops and iPads. The key deliverable will be enhancing connectivity as our school moves to a more mobile and flexible e-learning environment. The cost of the project will be approximately $120 000. I am told that the work will be completed by the end of this year or early next year.

LEARNING IN A 1-TO-1 ENVIRONMENT INITIATIVE

I am currently investigating the possibilities of our school implementing a 1-to-1 program into the school. Each child will have access to a portable, networked digital device, such as a notebook or tablet that connects each learner with their teacher and other learners or experts, with real-world contexts for learning, multimedia resources, software for learning and online tools and applications.

The model we are looking at is a user pay option where parents participate in a co-payment option with the school over a two year period.

I will be looking at trialling this initiative across one or two year levels depending on staff and parent interest.

We will be sending expressions of interest and holding parent information sessions early next term.

EVERY DAY COUNTS

School attendance last week was as follows:

<table>
<thead>
<tr>
<th></th>
<th>Monday 31 August</th>
<th>Tuesday 1 September</th>
<th>Wednesday 2 September</th>
<th>Thursday 3 September</th>
<th>Friday 4 September</th>
<th>Overall</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>92.5%</td>
<td>94.1%</td>
<td>94.1%</td>
<td>93.9%</td>
<td>93.1%</td>
<td>93.5%</td>
</tr>
</tbody>
</table>

The target for our school is 95%. Remember, it’s your responsibility to contact the school if your child is sick or can’t attend school.

Tony Maksoud
Principal
Attendance Points
To help us achieve our target of 95%, each morning our teachers take a tally of the number of students from each sporting house who are at school on time. Students need to be on time as late arrivals are not eligible for a point for their house. For week 7, the two leading classes were 5LB and 5MF with an attendance rate of over 99%. The winning house for week 5 was the Wallaroos who are narrowly behind the Gliders who are leading the overall percentage for students in class, on time.

There are only about 50 points separating each house with only 2 weeks to go before the winning house is announced.
Encourage your children to be at school on time, every day!
On Wednesday of week 10 the winning house will participate in a rewards day.
The prize will be announced on each year level parade next week.
Well done to all those who are making every day at school count.

MAGPIES SWOOPING
Magpie pairs breed in Spring (August – October) and with this comes the magpies’ natural behaviour to defend the territory around their nesting site. This may result in magpies swooping people who they perceive as a threat to their nest.

Reduce your chances of being swooped!
People can take the following precautions during the period when birds are actively protecting their territory.

- Do not deliberately provoke or harass the birds as this may make them more aggressive.
- Walk out of the birds territory immediately.
- Magpies are less likely to swoop if you look at them. Try to keep an eye on the magpies, at the same time walking carefully away. Alternatively,
- you can draw or sew a pair of eyes onto the back of a hat, and wear it when walking through the area.
- Wear a bicycle or skateboard helmet. Any sort of hat, even a hat made from an ice cream container or cardboard box will protect you.
- Carry an umbrella, or a stick or small branch above your head but do not swing it at the magpie, as this will only provoke it to attack.
- If you are riding a bicycle when the magpie swoops, get off the bicycle and wheel it quickly through the area. Your bicycle helmet will protect your head, and you can attach a tall red safety flag to your bicycle.

If you feel a magpie is a serious menace it should be reported to the nearest National Parks and Wildlife Service 1300130372.

Year One Fire Education Visit

Yesterday the firemen came to meet us and teach us about fire safety. Steven told us about how we need a meeting place at the mailbox. Simon dressed up in his safety clothes. Steven told us when fire gets on your clothes, stop, drop and roll, get down low and go, go, go!

BRYCE 1NP

Yesterday the firemen came to Yugumbir State School to teach us about fire safety. My favourite part was when Simon put on his safety clothes. Then Steven told us not to go inside to help your cat or your dog because the firemen will help you get your pets out.

LILY B 1NP

Yesterday the firemen came to Yugumbir State School to teach us about fire safety. First Steven told us when our shirts are on fire you have to stop, drop and roll. Next, Simon dressed up in his safety clothes and showed us what it does.

EMILEE 1NP

Yesterday the firemen came to see us. First if you have a fire in your house you have to get out.

Drakes IGA Supermarket

Community Dollars
Our local IGA in Vansittart Rd is a Drakes IGA. For every $1 you spend in their store (excluding tobacco products and gift cards) they will donate 1c to our school.

All you have to do is present a key tag and have it scanned every time you shop. Doesn’t matter how little you buy.

This may not seem much but it soon adds up and is free money which all goes to helping our children. Anyone can have these tags so give them to your family, friends, and neighbours.

Parents can collect IGA Key Tags from the office. If you need your child to collect one on your behalf, please send a note.

Thank you in advance for your support.

Commonwealth Bank School Banking Update – Please Read
Concerns have been raised regarding the ‘Cosmic Light Beam Torch’ reward item due to the inclusion of four button batteries that can be accessed by unscrewing the back of the torch.

Whilst this reward has been independently tested and deemed to meet relevant product standards the Commonwealth Bank have made the decision to proactively withdraw this item from the School Banking Rewards Program.

Parents/Guardians are requested to dispose of any ‘Cosmic Light Beam Torches’ their child may have already received as part of the Rewards Program. Students who have previously received a ‘Cosmic Light Beam Torch’ are welcome to redeem an alternative reward item.

3 FREE SEMINARS
17 & 18 Sept

FREE Triple P – Positive Parenting Program Seminar

A life-changing 90 minutes!
Triple P takes the guesswork out of parenting

Join Professor Matt Sanders, founder of the world-acclaimed Triple P – Positive Parenting Program, for a FREE Power of Positive Parenting seminar. In just 90 minutes you’ll get a stack of simple, practical tips to help make raising kids easier – and more fun. (And we’ll give you a take-home tip sheet to remind you of your new strategies too.)

Is this you?
Parenting is usually lots of fun. But sometimes things can get a little tricky. Like when your toddler won’t eat her dinner. Or your five year old won’t pick up his toys. Maybe you have to ask ten times before your child does anything you say. For parents and carers of children up to 12 years, this Triple P seminar has the ideas to make those times a little smoother.

The Power of Positive Parenting seminar can help you:
- Raise happy, confident kids
- Manage kids’ behaviour
- Set rules and routines that everyone follows
- Get on well with your kids and argue less
- Balance work and family without stress

Does Triple P work?
Yes! More than 30 years’ research and evidence prove it!
