PRINCIPAL’S MESSAGE

Dear Parent, Carers and Students

Caring Hearts – Inquiring Minds – Enriching Lives

JIM STALLARD (FEBRUARY 1995 – JANUARY 2012)

What makes people overcome adversity?
What makes people see only the positive?
What allows people to face the challenges and obstacles that fate puts in their way?

Many years ago I read a book titled “God’s Quad”. The story was about an Australian, Jim Stallard who on one spring afternoon was up in the Dandenong Ranges, just outside Melbourne. He was swinging on a rope lost his grip and plunged to the ground. He broke ten ribs, punctured both lungs, crushed his spine and was paralysed. He then had to endure eleven operations. He became a quadriplegic and was confined to a wheelchair for the rest of his life. Sadly, Jim passed away on the 15TH January 2012.

What made Jim look at life from a different perspective than many people?
How does someone with unbelievable challenges, face life with a determination and a positive life energy that is awe inspiring?

Jim lived in Melbourne with his family and worked for Christian Blind Mission International as a motivational speaker across Australia, telling people of his life and how he faced everyday challenges with a positive attitude. There is no doubt that Jim was a winner. This type of attitude is important to instil and reinforce with all of our children.

The following is an extract from an unknown author that outlines the qualities and values of a winner. I encourage you to discuss these habits with your children.

Winners have simply formed the HABIT of doing things losers don’t like to do.

Winners are everyday heroes.
Winners take their dreams seriously.
Winners never give up and won’t let you give up either.
Winners have attitude.
Winners care in their sleep.
Winners make big things happen a little at a time.
Winners say “Yes” to freedom and change.
Winners go with the flow.
Winners see the beginning in every ending.
Winners expect the best.
Winners inspire the best in others.

Winners are the richest people in the world when it comes to experience, laughter and love.

Being a winner does not mean that you have to win every competition that you participate in. You have to have heart and do your very best and be all that you can be.

This is a powerful message and the very essence of education. It is the conviction in the individual and trying at all times to find the path that best meets that individual and develops their talents and potential so that they can be winners.

Do you want your children to be winners? I certainly do.

The QParents website will allow parents of Queensland state school students to access information about their child and to communicate directly with their school. It will give you secure online access to information such as:

- Attendance Details
- Report Cards
- Invoices
- Payment Details

You will also be able to update your child’s details and let the school know of changes to normal routine, such as when your child is unwell or has to leave early. Contact the school office for more details.

All you have to do is present a key tag and have it scanned every time you shop. Doesn't matter how little you buy.
This may not seem much but it soon adds up and is free money which all goes to helping our children. Anyone can have these tags so give them to your family, friends, and neighbours. Anyone who ever calls into IGA Vansittart Rd.

Dear Parents and Families:

Reading for pleasure inside and outside of school has real and long-lasting benefits. It unlocks the power of information and imagination and helps children discover who they are. Here’s what you can do to help children develop stronger reading skills and a love for reading:

- Set the example. Let children see you read.
- Have a collection of books in the home. Update this collection routinely to keep pace with changing tastes and reading skills.
- Support our school’s Book Fair. Allow your children to choose their own books to read.

Our Scholastic Book Fair is a reading event that brings to school the books kids want to read. It’s a wonderful selection of engaging and affordable books for every reading level. Please make plans to visit our Book Fair and be involved in shaping your child’s reading habits.

Book Fair dates: 10-17 August 2015
Shopping hours: 8:00am – 3:30pm
Special activities: Colouring competition (1 prize per grade)

We look forward to seeing you and your family at our Book Fair!
Remember, all purchases benefit our school.
