Rules of the Week:

**Expectation: Be Safe**
Move quietly and sensibly around the school

**Value:**
Co-operation and discipline

The rule of the week is Take Care of Flora and Fauna.
This comes under the expectation Be Responsible.

Why We Should Look After Flora and Fauna:
It is important to follow our school rules and look after the flora and fauna in our school. If we don't put our rubbish in the bin it becomes a choking hazard for birds and Archie our school dog. Then there is the fauna. If we are throwing rocks or annoying the plovers they are going to swoop and someone could get harmed. This is why we have to follow the rules and look after the flora and fauna not only in the school but in the public too.

**P**RINCIPAL’S MESSAGE

Dear Parent, Carers and Students

Caring Hearts – Inquiring Minds – Enriching Lives

Welcome back to all students, staff and parents. I have sensed that our students have had a restful break and are enthusiastic about the learning ahead.

Our staff continue to build their capacity in ensuring they provide the best support and learning focus for all students across the school. They do this on a daily basis through differentiation.

Differentiated instruction can be defined as a form of instruction that seeks to maximise the impact on learning for each student. It recognises that students have different ways of learning, different interests, and different ways of responding to instruction. Considering these points, teachers set up classrooms where everybody works toward essential understandings and skills, but use different content, processes, products and environments to get there. Differentiation is all about options. It’s not about just piling on additional work for the students who are more capable and giving easier work for the students who struggle.

Our staff needs to be congratulated as they are learning to differentiate more effectively each day.

**SCHOOL PAYMENTS**

A reminder that all payments for excursions, incursions, camps and other school activities that incur a cost must be paid by the due date. These dates are given well in advance to ensure parents and carers have plenty of time to budget, and meet these commitments so children don’t miss out on the activity. We have provided many options for payments to ensure we cater for and support all parents’ circumstances.

Please find attached current Payment Methods Schedule.

These payment deadlines are required to ensure the proper organisation, administration and in particular the safety of the activities, including buses, attendance information to the service providers, first aid and medication. There are also relevant departmental procedures and policies that have to be complied with to meet safety audits.

Our Business Service Manager is happy to discuss personal circumstances that prevent parents and carers from meeting these deadlines, but once again, these discussions need to be made in advance.
EVERY DAY COUNTS

Remember our overall school target for attendance is 95%.

Welcome back to Term 3 and I hope that everyone had a great winter holiday. The focus for this term will be Maths and I will be highlighting the different mental computation strategies that students use to make it easier to solve mathematical problems. This week’s strategy is called ‘chunking’ and it is when you break numbers into chunks, then add the parts and then put them back together again. Here are some examples of how it can be used:

(Using Natural Maths Strategies’ by Anne & Johnny Baker)
STRIVE - Structured Tier Two Robust Instruction of Vocabulary Experiences

Here are some great examples of how our students’ vocabulary improved during Term 2.

Students were taught the meanings of the words and done follow up activities in their classrooms, and look at the great results!

**Prep**

- It was **hilarious** when my dad did some funny jokes.
- I’m **ravenous** when I don’t eat anything.
- My teacher is **hilarious** when she pulls a funny face.
- The farm was **crowded** with heaps of animals.
- I like **celebrating** a birthday because I get presents.
- I was **confused** because I saw snow in summer.

**Year 3**

- I will **compare** the toys at the shop to think about the one I want.
- The rainforest is a **natural** place on Earth.
- We can count up in tens and the numbers **increase**.
- My brother is always **careless** and breaks things.
- The knight will **defend** the castle and save the princess.

**Year 5**

- The snow leopard is **isolated** from people because it lives high in the mountains.
- Natalija **denied** she took the diamonds because she didn’t want to get in trouble.
- My mum bought **durable** shoes because she was going to America.
- The famous actor had an **extensive** amount of wealth and belongings.
- The shoes were very **durable** because they were leather and didn’t let water in.
- My sister’s computer **denied** her access because she typed in the password wrong.

This term I will be sharing more photographs and examples of the words students are learning and using in their classrooms.

**Reading Eggs**

The school has purchased Reading Eggs this year for all classes. Please contact your student’s teacher if you require log on details for your child.

Have a great week.

Dear Parents and Families:

Reading for pleasure inside and outside of school has real and long-lasting benefits. It unlocks the power of information and imagination and helps children discover who they are. Here’s what you can do to help children develop stronger reading skills and a love for reading:

- Set the example. Let children see you read.
- Have a collection of books in the home. Update this collection routinely to keep pace with changing tastes and reading skills.
- Support our school’s Book Fair. Allow your children to choose their own books to read.

Our Scholastic Book Fair is a reading event that brings to school the books kids want to read. It’s a wonderful selection of engaging and affordable books for every reading level. Please make plans to visit our Book Fair and be involved in shaping your child’s reading habits.

Book Fair dates: 10-17 August 2015
Shopping hours: 8:00am – 3:30pm
Special activities: Colouring competition (1 prize per grade)

We look forward to seeing you and your family at our Book Fair!
Remember, all purchases benefit our school.

Sincerely,

Mrs Wiedman & Ms Miller
Library Staff

Mr Wills
Deputy Principal
Dear Parents

The following are approximate timetables for the Athletics Carnival. If we are unfortunate enough to have rain which makes it unsafe to go ahead, other dates will be advised. We hope that you can make it along to watch your child participate in the various events. Every effort has been made to provide all children with a highly participative program. All children, irrespective of their athletic capabilities have the opportunity to contribute to their House, as all events carry scores, which go towards the Inter-House shield.

**NOTE: ALL children will stay in their year levels for the program.** We have made adjustments to the program for both age groups in each year level.

If you require lunch from the Tuckshop, you will need to place your order before school.

We ask a few things of you to ensure your safety, the children’s safety and the smooth running of events.

1. Spectate from outside the circular track.
2. At the race finish please stay behind the marked off area to allow the judges to do an efficient job.
3. Do not stand close to or walk across the running track.
