PRINCIPAL’S MESSAGE

Dear Parent, Carers and Students

Caring Hearts – Inquiring Minds – Enriching Lives

THANKYOU
Thank you all for your hard work and for the support you continue to give the school, staff and of course your children. It has been another busy term and we have achieved a huge amount. The children have worked hard and continue to improve across all areas of the curriculum. They have just completed their end of term assessments. I am sure they will all be ready for a restful Spring break.

EVERY DAY COUNTS
School attendance for TERM 3 is as follows:

<table>
<thead>
<tr>
<th>Attendance Rate</th>
<th>&lt; 85%</th>
<th>85% &lt; 90%</th>
<th>90% &lt; 95%</th>
<th>95% - 100%</th>
</tr>
</thead>
<tbody>
<tr>
<td>%</td>
<td>16.2</td>
<td>18.4</td>
<td>23.7</td>
<td>41.7</td>
</tr>
</tbody>
</table>

I know there has been a lot of sickness during the term but the percentage of students whose attendance sit at less than 85% is unacceptable. These children will continue to fall further and further behind.

Attendance is a parent responsibility, and I urge you to support the school by having your child at school learning unless they are genuinely ill.

BELL TIME CHANGES
At the beginning of Term 4, we will be trialling whole school shared lunch breaks, to ensure we are fulfilling our workplace obligations. At present, the Prep to Year 3 students have lunch breaks at different times to the Year 4 to Year 6 students. We would like to align the lunch breaks, and will have all students having their lunch break at the same time. The new lunch breaks will be 11:00 – 11:40, and 1:30 – 2:00.

The tuckshop menu will be available for both breaks, at 11am (first break) and 1:30pm (second break). The only item unavailable at second break is ice blocks. All tuckshop orders will still need to be placed at the tuckshop by 9am. With this in mind, there will be many more orders to be filled at the same time, therefore Kay our tuckshop convenor, is urgently seeking the help of parents or caregivers in the tuckshop.
There could be unforeseen issues that may arise as we roll out the new eating and play breaks, and will be working hard to make this important school break transition a success. We welcome your feedback and support as we work through the initial transition.

Tony Maksoud  
Principal

**Attendance Points**

To help us achieve our target of 95%, each morning our teachers take a tally of the number of students from each sporting house who are at school on time. Students need to be on time as late arrivals are not eligible for a point for their house.

*For week 9, the leading class was 5RH with an attendance rate of over 97%. The winning house for week 5 was the Wallaroos who narrowly came second overall for the term to the Kingfishers.*

Well done to the Kingfisher team. On Wednesday 16th students from within the Kingfisher team will participate in laser skirmish. There will be 10 different sessions running on the day and class teachers have a copy of the timetable.

*It is important that if you do not wish your child/children to participate in this activity, you will need to send a note to the class teacher.*

**Science Day of Excellence**

Some of our year 1 and year 2 students went on a Science Day of Excellence. Here is what they had to say about their day.

I went into the school, it was a library so we had to be quiet. I rubbed a balloon on my head and made a little light bulb light up. You need to have 2 alligator clips, 2 batteries, 1 battery holder with 2 wires on it. You put an alligator clip on the light bulb which had 2 wires on it so you put the alligator clip on it. Then you need to put the other alligator clip on it. Then I made an electro magnet. You need to get a plug and you just get a twisted wire then you put a nail in it.

*Brock Schulz 1SG*

On the day of excellence I did Science. I made static electricity. The static electricity is when you have a plastic ruler and a piece of paper, also you put the ruler and rub it on the type of material that swimmers are made of. You can zap someone if you rub the back of your shirt on the back of your chair. I had a lot of fun.

*Bonnie Greenhill. 2MC*

When I got there I did a little book which I learnt about static electricity and my teacher for the day taught us stuff about electricity. At morning tea time we played games and when the bell rang we went inside to finish the book. Then we started to do electricity and make electricity then it was lunch time. Then we came inside and did a little test about did I have fun.

*Belle Thomson 2IM*

SEP NEWS

Grade 1 and 2 Students
We are learning new strategies in reading. We have been reading with Archie. He is a very good listener!
When we are stuck on a tricky word we are learning to:
- Look at the pictures (“Eagle Eye”)
- Sound out the word (“Stretchy Snake”)
- Break the word into small parts (“Chunky Monkey”)

The Senior Students
In Week 9 some Senior Students went to Numinbah Valley Environmental Education Centre for a 3 day camp. We participated in a variety of activities including, Pole Climb, Forest Walk, Creature Feature, Blindfold Trail, Canoeing, Solar Boat Challenge and a visit to the Glow Worms at night. We all had a fantastic time!

LOST PROPERTY
We currently have an enormous amount of lost property. For your convenience it will be placed in CPA 1 outside the Tuckshop on WEDNESDAY 16TH SEPTEMBER from 8am-9:30am & 2:30pm-3:30pm only.
Could you please check for any of your child’s lost property this week as any remaining items will be donated to charity at the end of term.

Drakes IGA Supermarket Community Dollars
Our local IGA in Vansittart Rd is a Drakes IGA. For every $1 you spend in their store (excluding tobacco products and gift cards) they will donate 1c to our school.
All you have to do is present a key tag and have it scanned every time you shop. Doesn’t matter how little you buy.
This may not seem much but it soon adds up and is free money which all goes to helping our children. Anyone can have these tags so give them to your family, friends, and neighbours.
Parents can collect IGA Key Tags from the office. If you need your child to collect one on your behalf, please send a note.
Thank you in advance for your support.

Commonwealth Bank School
Banking Update – Please Read
Concerns have been raised regarding the ‘Cosmic Light Beam Torch’ reward item due to the inclusion of four button batteries that can be accessed by unscrewing the back of the torch.
Whilst this reward has been independently tested and deemed to meet relevant product standards the Commonwealth Bank have made the decision to proactively withdraw this item from the School Banking Rewards Program.
Parents/Guardians are requested to dispose of any ‘Cosmic Light Beam Torches’ their child may have already received as part of the Rewards Program. Students who have previously received a ‘Cosmic Light Beam Torch’ are welcome to redeem an alternative reward item.

3 FREE SEMINARS
17 & 18 Sept

FREE Triple P – Positive Parenting Program Seminar

A life-changing 90 minutes!
Triple P takes the guesswork out of parenting

Join Professor Matt Sanders, founder of the world-acclaimed Triple P – Positive Parenting Program, for a FREE Power of Positive Parenting seminar. In just 90 minutes you’ll get a stack of simple, practical tips to help make raising kids easier – and more fun. (And we’ll give you a take-home tip sheet to remind you of your new strategies too.)

Is this you?
Parenting is usually lots of fun. But sometimes things can get a little tricky. Like when your toddler won’t eat her dinner. Or your five year old won’t pick up his toys. Maybe you have to ask ten times before your child does anything you say. For parents and carers of children up to 12 years, this Triple P seminar has the ideas to make those times a little smoother.

The Power of Positive Parenting seminar can help you:
• Raise happy, confident kids
• Manage kids’ behaviour
• Set rules and routines that everyone follows
• Get on well with your kids and argue less
• Balance work and family without stress

Does Triple P work?
Yes! More than 30 years’ research and evidence prove it!

Parents, Families & Community Forum

Logan Together is a long term, whole of community campaign to create the best life opportunities for every child in Logan. We’re using a collective impact framework to ensure every child and their family gets the right support throughout each stage of childhood. We are developing a comprehensive roadmap to plan for our success and guide our community partnerships over the next 10 years.

This forum is for parents, carers, families and community members and brings together participants from 8 different warm up workshops. This process ensures we hear a range of community views and you get to have your say about how to give Logan children the best start in life.

Join us at the forum to make sure your voice is heard and help us ensure that every Logan child gets every opportunity to be the best they can be:
