PRINCIPAL’S MESSAGE

Dear Parent, Carers and Students

Caring Hearts – Inquiring Minds – Enriching Lives

NAPLAN RESULTS

Congratulations on an outstanding performance in NAPLAN Yugumbir State School. Our vision, Caring Hearts - Inquiring Minds - Enriching Lives is all about looking after the whole child and I can confidently say that our staff continue to challenge our children to grow and succeed. Together, as partners in learning, we are enriching the lives of children in our school.

I am proud to be part of what I consider to be an awesome school community.

• YSS has improved results across all strands in Years 3 & 5.
• YSS has demonstrated growth and achievement in National Minimum Standard and Upper Bands across most of the strands, particularly in writing.
• YSS continues to be the school of choice in Logan West.
• YSS continues to enrich the lives of students in our community.

BEFORE SCHOOL ROUTINE

A vital part of Positive Behaviour for Learning (PBL) is maintaining a safe environment for students, staff, parents and carers. Please ensure that your child does not arrive at school prior to 8.15am unless they are attending a before school program. All children are to sit under the covered area until 8.15am.

Yugumbir State School operating hours are 8.50am - 3.00pm. The office is open from 8am - 4.00pm for all enquiries.

1. Teachers and Administration staff are rostered for duty from 8.55am - 3.00pm. The only exception is bus duty each day after school. You may observe them on school premises but this is a time for planning and preparation. Staff are not required to provide supervision prior to or after these times.

2. It is against the law for a person who has care of a child less than 12 years of age, to leave the child for an unreasonable time without making reasonable provision for the supervision and care of the child. We ask that students not arrive at school until after 8.15 am.

3. At no stage are children to play on the play equipment before school.

4. If you require before or after school care for your child, please contact PCYC. They provide this service at our school. You can contact Nicole on 0427755364.

The target for our school is 95%. Remember, it’s your responsibility to contact the school if your child is sick or can’t attend school.

Tony Maksoud
Principal

Attendance Points
To help us achieve our target of 95%, each morning our teachers take a tally of the number of students from each sporting house who are at school on time. Students need to be on time as late arrivals are not eligible for a point for their house.

On Wednesday of week 10, the winning house will participate in a Rewards Day. Encourage your children to be at school on time, every day!

For week 5, the leading class was 3RB with an attendance rate of 96.4%. The winning house for week 5 were the Kingfishers who are narrowly behind the Gliders who are leading the overall percentage for students in class, on time.

For week 6, the leading class was 3RN with an attendance rate of 98.3%. The winning house for week 6 were the Kingfishers who are narrowly behind the Gliders who are leading the overall percentage for students in class, on time.

Well done to all those who are making every day at school count.
Father’s Day Stall

Father’s Day is fast approaching!
The P&C is holding their annual Father’s Day Stall on:
Thursday 3rd Sept & Friday 4th Sept, during school hours.

These stalls have always proven to be a great success and is very popular with the children. It gives the children a chance to purchase something independently for their Dad/s.

In order to have enough presents available, we are asking you to return the bag previously forwarded to the students, with a small, unwrapped, low-cost item to be used as a gift. Otherwise if a small donation of money is preferable, please enclose securely.

**Examples of gifts:** Playing cards, pens, hankies, socks, men’s toiletries, photo frames, car accessories, sport accessories, crossword books, stationery, hat/caps, lollies/biscuits etc. **(PLEASE no peanut products)**

Please leave all donations at the office by Monday 31st August in the boxes provided.

We would love to have lots of volunteers to help out on the stall for either day. If you can spare an hour or two, please contact **Bonnie 0420 313 055** or leave your name and number at the office and you will be contacted.

We also need some help before the days to wrap gifts ready to go. If you are able to assist with this, please contact Bonnie. With your kind donations and help, we can make this a great event which will ultimately benefit our children.

**Many Thanks – Yugumbir P&C**

Day of Excellence

On Tuesday the 11th of August a group of grade 3 – 5 students enjoyed a day of excellence at Ormeau State School. The topic was “Patterns in Biology”. We learnt about the Fibonacci Sequence and the Golden Ratio. We enjoyed mixing with other students from a variety of other schools. We did many fun activities and even got to draw our own Fibonacci Spiral. The Fibonacci Sequence was first observed by the Italian mathematician Leonardo Fibonacci in 1202. He was investigating how fast rabbits could breed under ideal circumstances. Fibonacci asked how many pairs of rabbits would be produced in one year. He came up with the sequence – 1, 1, 2, 3, 5, 8, 13, 21, 34, 55, 89 and 144. That is the Fibonacci Sequence. The Fibonacci Sequence can be found frequently in nature. For example, the number of petals on a flower is often a Fibonacci number. The number of cauliflower florets that make a spiral also is a Fibonacci number. The Golden Ratio makes a pleasing shape. The Golden Ratio is 1.618 to 1 and can be multiplied many times while the shape still looks pleasing.

We also learned the letter patterns of DNA and how to identify them. The letters were A for adenine, G for guanine, C for cytosine and T for thymine. These four nucleotides form groups of 3 which make amino acids. The amino acids come together to form proteins. We all thought that the Day of Excellence was fascinating and would definitely like to go to another one soon.

**By Erin Keur, Danika Ward, Montana Lee, Keira Pope and Ryan Keur.**

All you have to do is present a key tag and have it scanned every time you shop. Doesn't matter how little you buy.

This may not seem much but it soon adds up and is free money which all goes to helping our children. Anyone can have these tags so give them to your family, friends, and neighbours.

School Banking

Don't forget the wonderful competition for School Banking this year. Bank 25 times this year and go in the draw to win a holiday for 2 adults and 2 children for 5 nights in Disneyland California including flights.

Commonwealth Bank School Banking Update – Please Read

Concerns have been raised regarding the ‘Cosmic Light Beam Torch’ reward item due to the inclusion of four button batteries that can be accessed by unscrewing the back of the torch.

Whilst this reward has been independently tested and deemed to meet relevant product standards the Commonwealth Bank have made the decision to proactively withdraw this item from the School Banking Rewards Program.

Parents/Guardians are requested to dispose of any ‘Cosmic Light Beam Torches’ their child may have already received as part of the Rewards Program. Students who have previously received a ‘Cosmic Light Beam Torch’ are welcome to redeem an alternative reward item.
STRIVE - Structured Tier Two Robust Instruction of Vocabulary Experiences
Some new examples of our students using Tier Two Vocabulary during conversations. Our STRIVE gottcha wall in the library is filling up as more students receive a gottcha for using STRIVE words in their speech or writing.
