PRINCIPAL’S MESSAGE

Dear Parent, Carers and Students

**Caring Hearts – Inquiring Minds – Enriching Lives**

**OPTIMISE LEARNING BY MINIMISING INTERRUPTIONS**

More than at any other time in the history of public education, schools are being held more and more accountable for student learning achievement.

A report in America alarmingly reported that instructional time wastage in its schools was an average of 23.5 minutes per day. This was equivalent to 16 full days per school year (Hester & Ligon 1978).

Another report issued later (National Centre for Education Statistics 1993) stated that the effective use of classroom time was the single greatest influence on student learning opportunities and achievement.

Classroom interruptions include and are not limited to the following:

<table>
<thead>
<tr>
<th>UNAVOIDABLE INTERRUPTIONS</th>
<th>SCHEDULED INTERRUPTIONS</th>
<th>AVOIDABLE INTERRUPTIONS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Student Illness</td>
<td>Visiting Presenters</td>
<td>Parent Messages</td>
</tr>
<tr>
<td>Emergent Maintenance Work</td>
<td>Band Practice</td>
<td>Parental Visits</td>
</tr>
<tr>
<td>Medical Appointments</td>
<td>Choir Practice</td>
<td>School Announcements</td>
</tr>
<tr>
<td>Emergency Evacuations</td>
<td>School Assembly</td>
<td>Forgotten Child Lunches</td>
</tr>
<tr>
<td>Emergency Lockdowns</td>
<td>Specialised Programs</td>
<td>Late Arrivals</td>
</tr>
</tbody>
</table>

Researchers determined that the incidence of classroom interruptions appeared to be lower in schools that adopted definite policies to address them, and were less problematic in classes led by teachers who exhibited effective classroom management skills. This in turn maximised instructional time and minimise learning opportunities.

As with any educational facility there needs to be protocols in place to allow for the smooth running of the school and to minimise interruptions to student learning. Office staff regularly receive messages from parents to pass on the children around pick-up arrangements after school. These should be passed onto your child before school by you.

**Office staff have been instructed not to issue non-urgent messages to students or interrupt teaching except during the school common break which is between 11.00am and 11.15am.**

I urge you to support us by helping us limit interruptions to learning so our students can thrive.

Last week was a very busy week for some of our girls. There were Greenbank district trials for Girls AFL and Girls Rugby League. The girls who were selected then played at the Metropolitan West Regional Trials for both. The 3 girls from our school who were selected for the District were successful in also being selected for the Met West Team.

They are:
Rugby League - Violet Baleinagasau
AFL - Ashleigh Maiuri and Kyarlah Aiga.

Congratulations.

Drakes IGA Supermarket
Community Dollars

Our local IGA in Vansittart Rd is a Drakes IGA. For every $1 you spend in their store (excluding tobacco products and gift cards) they will donate 1c to our school.
All you have to do is present a key tag and have it scanned every time you shop. Doesn't matter how little you buy.
This may not seem much but it soon adds up and is free money which all goes to helping our children. Anyone can have these tags so give them to your family, friends, and neighbours.
Anyone who ever calls into IGA Vansittart Rd.

Key tags can be collected from the office windows.

Thank you in advance for your support.

COMMUNITY CONCERT

Last Friday evening, July 24 Yugumbir Senior Concert Band were invited to perform at the Park Ridge State High’s Community Concert in front of parents and friends. They played three pieces - Shining Day, Antagonist and Anasazi Legend brilliantly and then combined with all the alumni from Yugumbir in years 7 to 12 and played Barrier Reef. It was amazing having approximately 80 musicians playing together that had all attended Yugumbir over the years. This piece was superb. I was so very proud of them all.

It was a great evening for all, congratulations to all involved students for your playing, enthusiasm and behaviour. Thankyou to all the parents for your continued support.

This week’s mental computation strategy uses “Number Lines” to break up numbers into easier parts to add together. Here are some examples how number lines can be used:

Ask your child to show you and tell you about this strategy.

**STRIVE - Structured Tier Two Robust Instruction of Vocabulary Experiences**
This year 4DO have been learning the meanings of these words in their classroom. They have a STRIVE book where they record the meanings of their words and do various activities.
This is our STRIVE gottcha wall in the library and we already have some students who have received a gottcha for using STRIVE words in their speech or writing this week.

Reading Eggs
The school has purchased Reading Eggs this year for all classes. Please contact your student’s teacher if you require log on details for your child.

Dear Parents and Families:

Reading for pleasure inside and outside of school has real and long-lasting benefits. It unlocks the power of information and imagination and helps children discover who they are. Here’s what you can do to help children develop stronger reading skills and a love for reading:

- Set the example. Let children see you read.
- Have a collection of books in the home. Update this collection routinely to keep pace with changing tastes and reading skills.
- Support our school’s Book Fair. Allow your children to choose their own books to read.

Our Scholastic Book Fair is a reading event that brings to school the books kids want to read. It’s a wonderful selection of engaging and affordable books for every reading level. Please make plans to visit our Book Fair and be involved in shaping your child’s reading habits.

Book Fair dates: 10-17 August 2015
Shopping hours: 8:00am – 3:30pm
Special activities: Colouring competition (1 prize per grade)

We look forward to seeing you and your family at our Book Fair!
Remember, all purchases benefit our school.

Sincerely,
