PRINCIPAL’S MESSAGE

Dear Parent, Carers and Students

_Caring Hearts – Inquiring Minds – Enriching Lives_

Sadly, this is my last newsletter article as Acting Principal of Yugumbir State School. It will also be the final newsletter for the year.

I have been humbled by the wonderful support I have had over the last two years. I raised the bar and challenged the whole school community to give every child the very best opportunity to reach their potential. You didn’t let me down as you all rose to the challenge.

Teachers worked above and beyond what was required of them to ensure all students received a quality teaching and learning program each and every day. The teacher aides worked extremely hard to support student learning as well as diligently supporting key school initiatives. The Business Services Manager ensured our school finances were of the highest order and ran the front office most efficiently. The office staff were always professional in dealing with the public and were forever busy taking calls and supporting the smooth running of the school. Our facilities officer and cleaners worked hard to ensure the grounds and classrooms were always clean and tidy. Finally, the P & C worked tirelessly and selflessly, providing funds for improvements to our facilities, and valuable resources for the school.

It has been my absolute pleasure working with such a cohesive leadership team, my Deputy Principals, Head of Curriculum, Head of Special Education Services, Coaches and specialists and support teachers. You have all helped me grow as a school leader and I thank you from the bottom of my heart for your outstanding support and commitment to what I believe is the best school in Logan.

What has impressed me most over the time that I’ve been principal at the school has been the children's enthusiasm and their commitment to learning. I am immensely proud of the personal growth that each and every student has made and congratulate every student on soaring like eagles - being safe, responsible, respectful, outstanding learners. I will miss your wide smiles and warm greetings.

This Friday we are celebrating the academic achievements of our students. It would be extremely heartening to see many of our parents and friends attend and help us celebrate our students’ successes. The individual effort of some of our children is a credit to our teachers and parents.

I farewell our Year 6 students who have lead by example and have contributed strongly to our happy learning environment. They should be very proud of their achievements. I wish them all success and happiness as they enter junior high school.

School commences for all students on Wednesday, 27th January 2016. It is very important to contact the school if your child is unable to start on this day, as it impacts our staffing allocation.

May God’s richest blessings be with you and your families over Christmas and the New Year. Stay safe, as we look forward to 2016.

Tony Maksoud
Principal
