**Value:**  
Discipline

The Yugumbir School Wide Expectations are-

This week’s expectation is Stop, Think, make the link.

This expectation means for us to stop and think before we make a choice. We need to understand that every choice we make is ours and by thinking we can understand why we did something or we can even stop ourselves doing something wrong. Doing this makes us feel good about doing the right thing. We all need to think for a minute and make sure what we are doing is right and understand why it is right.

**Principal’s Message**

Dear Parent, Carers and Students

**COMMITMENT**

Last week I shared with you some of Carol Dweck’s research and views on mindsets, particularly on the importance of having a growth mindset to ensure success. This week I want to focus on commitment.

The dictionary defines commitment this way: *an agreement or promise to do something in the future.* It’s impossible to attain success in life, or attain goals without understanding the importance of commitment. Commitment is more than just a mental exercise of thinking. For instance, it can’t be just, “I better study, so I can get an A in maths this year.” It needs to be a personal quality, sincere and unwavering. There needs to be a declaration of intent, and it needs a sense of purpose. During hard times or crisis, or when the going gets tough, committed people don’t give up without a fight. They look for many alternatives to ensure they win the battle.

My message today is that no one has to be born with incredible intelligence, or need a special gift or ability to succeed. Anyone can succeed if they commit to realistic goals and stay steadfast to their dreams. It worries me that we have many students at our school who think that they have to possess special talents or unique abilities to succeed, and that commitment is then easier for them because of that special talent. I have met many people in my time who were exceptionally talented, but squandered their potential because they had no commitment.

Our students need to commit themselves to using whatever talent they have, if they do that, they will usually find that they will create more talent, and have more to offer at home and school, as a result of a high level of commitment.

You can help by celebrating your children’s commitment and successes, however small they are. My view is that, ordinary people with commitment can make an extraordinary impact in their world.
HOMEWORK FEEDBACK SURVEY 2015 (ONE WEEK EXTENSION)

Our school is currently conducting a full review of our school’s homework policy. It is a part of our desire to seek feedback through consultation as we re-evaluate school programs and improve school policies and procedures. Our key priority is to continue to explore ways to bring about the best outcomes for all students and their associated families. We feel it necessary to gain feedback from all parties concerned and have subsequently put together an online homework survey for parents and carers.

I encourage all parents to respond to this survey in order for us to gather an accurate representation of family opinions as it relates to each of their children.

We currently have 65 parents who have completed the survey. The survey now closes on Tuesday 9\textsuperscript{ND} June.

EVERY DAY COUNTS

Our current percentage for student attendance is as follows:

<table>
<thead>
<tr>
<th>Attendance Rate</th>
<th>Proportion of Students at Attendance Category (%)</th>
</tr>
</thead>
<tbody>
<tr>
<td>%</td>
<td>&lt; 85%</td>
</tr>
<tr>
<td>93.8</td>
<td>9.3</td>
</tr>
</tbody>
</table>

Our overall attendance is at 93.8%. Remember our overall school target for attendance is 95%.

The challenge at the moment is to reduce the <85% to 5%. It’s way too high at the moment on 9.3%. Help your child succeed by sending them to school every day.

We have set up a generic email address for your convenience to notify us if you child is absent – absent@yugumbirss.eq.edu.au

Chocolate Drive

The Chocolate Drive has begun. The oldest child in each family has been given a box to take home. If you do not require this box, please return to the office immediately as there are many students keen for extra boxes to sell. Please ensure all money is returned before the end of this term. Thank you for your co-operation.
Attendance Points

To help us achieve our target of 95%, each morning our teachers take a tally of the number of students from each sporting house who are at school on time. Students need to be on time as late arrivals are not eligible for a point for their house.

At the end of the term we will give the winning house some form of recognition which is still to be determined.

Encourage your children to be at school on time, every day!

For week 6, the leading class was 1SS with an attendance rate of 100%.
The leading house for students in class on time last week was the Gliders. Well done to all those in the Gliders and everyone who is making every day at school count.

Litter!

We seem to be experiencing an increase in the amount of litter in the school. A number of parents and visitors have commented to us regarding the state of the grounds. For this reason we will be holding a number of emu parades to try and keep our grounds clean. We will be purchasing gloves for students to use so the process will be hygienic. If you wish to discuss this, please feel free to contact me on 33800333.

Brain Day Challenge!!

Our time at Mabel Park State High was extraordinary!
We had a lot of fun doing science experiments!
First, we arrived and were greeted by the junior drummers. They played an excellent song and not one mistake was made! Once that was over, it was time for science!! Crazy science!! In physics, we made marshmallow and toothpick structures to find the point of mass. Then we got to use solar-powered grasshoppers and six different lights to make the grasshopper shake. Then we had lunch.
Once we came back in we made a mixture that is called non-newtonian fluid, a.k.a. oobleck. We turned ours into a complete liquid, which was wrong! After that, we made our own fossils, and we got to draw them on the iPad. At the end we had a ceremony and were pleasantly surprised to be announced as winners of Year 5! We were presented with a plaque and a medal for each member of our team!!! It was an awesome experience for all of us!!!!

Year 5 Team: Jayden Apps, Keira Pope, Ben Hewitt, Dakota Lee, Abeer Sherrit.

The Brain Day Challenge was more than we expected. The challenges were exciting and even though we were having fun, we still learnt quite a lot. At the start of the ceremony, we were surprised with how brilliantly the drummers performed. By the end of the day we still didn’t want to leave. When the Brain Day Challenge ended, we were sad but at the same time we were happy because we could tell our parents about what a great time we had! Our favourite activity was Chemistry and during that activity we made a non-newtonian fluid a.k.a. ‘Ooblek’. We had to try to make it with one bag of corn starch and 100ml of water. ‘Ooblek’ acts like a solid if you put instant pressure on it but like a liquid when you are gentle with it. We had an amazing experience at the Brain Day Challenge!

Year 6 Team: Jack Johnson, Mario Sunjar, Chloe Hastelow-Foley, Kaleisha Zieler, Amelia Sargent
QParents

Thank you to those parents who came to our information session last Friday afternoon. I intend to run another session in about a month’s time, and will also be available on the evening of the Arts Festival if people need a hand registering. Remember, you need to have your invitation code to register. If you still have not received an invitation from us, please call in or phone on 33800333. We are really keen to have as many parents online as possible to keep our lines of communication well and truly open!

Honey for Sale

Chaplain Carlos has 500g bottles of honey for sale at $6.00. Please see Chaplain Carlos.

Interschool Sports Money Payments

Weekly sport money collection days are preferably Mondays and Wednesdays.

You may pay the remainder of sport for this term. The amount outstanding is $18.

If you could pay this amount in full, this will assist with the morning congestion. This would also save your child having to wait each week at the office.

Thank you for your cooperation.

This week’s Reading Strategy Focus is **Inferring.** Inferring is when readers are able to read between the lines and work out what the author is trying to say without actually stating it. To infer, a reader needs to use the clues in the text such as words used by the author and the illustrations, and also their own prior knowledge to interpret what they think the author is trying to say.

Sentence starters to use when inferring are:
- I think the author is really saying ... because in the text it says...
- The author’s clues were...
- I already know that ... so I think ...
- In my experience ...

**Use your inferring strategy to answer these questions.**

**STRIVE- Structured Tier Two Robust Instruction of Vocabulary Experiences**

This year 3RN have been learning the meanings of these words in their classroom and doing follow up activities.
**Reading Eggs**

The school has purchased Reading Eggs this year for all classes. Please contact your student’s teacher if you require log on details for your child.

Happy reading everyone and don’t forget to activate your prior knowledge and make a prediction before you read. As you read, try to make connections to what you are reading and visualise images. Clarify any words that don’t make sense. After you read summarise your reading by talking about what the text was about and always ask questions before, during and after your reading. Remember when answering right there questions, the answer is always right there in the text. Think and search questions, you have to put pieces of information together. Author and me, use your prior knowledge, experiences and clues in the text to help you answer. On My Own answers, think about your own opinion.

(Head of Curriculum)

**Arts Extravaganza**

This year will see the inaugural Yugumbir State School Arts Extravaganza. This evening will be a celebration of the Arts within our school including both, Visual and Performing Art.

The evening will see our students showcase to you, our community, the work they have done in the Footsteps Dance Program that has been conducted within our school this term. The students from Prep to Year 6 who have participated, have enjoyed themselves immensely and are looking forward excitedly to performing for you.

As well as this, the intention is to have all classrooms open with the fantastic art work that the students have completed throughout the term on display for you to view. You will have the opportunity to see the amazing creativity and talent that many of our students exhibit.

Our instrumental groups will also play a part in the afternoon and evening, with all our groups given the opportunity to perform for our parents and visitors. Our Year 4 and Year 5 bands will be making their debuts as bands. Each group will be scheduled to play twice, working around their commitments to be part of the Footsteps Dance Culmination.

At the moment we are planning to have the evening commence at 4.30pm and be concluded by 7.00pm with each group given a set time to perform. I shall attach a final program to next week’s newsletter outlining the times for each groups performances.

We look forward to seeing you all here to be part of this exciting innovation for our school.

Any uniforms or clothes that have been loaned to students, please wash and return as soon as possible. Donations would also be greatly appreciated. Please send to the office.

School Arrival Times

It has been of great concern to see that an ever increasing number of students have been dropped off at school well before 8 am.

8.30 am is actually the recommended ideal time for students to arrive at school unless they need to be here earlier for a specific reason eg; Booster Classes, Band Practice, Sport Training etc.

Our new policy will be that any students arriving prior to 8.15 will be required to make their way directly to the Main Under Cover Area, outside the Tuckshop. It would be great if the students had a book to read so that they could be occupied whilst waiting.

At 8.15 the Office Staff will make an announcement to allow the children to move quietly to their class area to wait for the school day to commence. Children should remain quietly with the vicinity of their own classroom until the first bell rings.

NO students are to play on ANY Adventure Playgrounds before school.

PCYC operates Before and After School Care from our School Hall for students who require care. PCYC can be contacted on 0427 755 364 or you are welcome to call in to discuss care with the available staff.

We are seeking your co-operation in this matter to ensure maximum safety for all of our students before school.

How secure is your vehicle?

Logan District Police would like to advise that there has been an increase in the number of cars being stolen and/or broken into within our district. Disturbingly, in a large number of cases the vehicles were not locked.

While Logan Police have implemented a number of strategies to reduce these offences, we need your help.

There are a few simple things that you can do to reduce the likelihood of having your vehicle and/or valuables stolen.

Motorists are reminded to:

- Always lock your vehicle and remember to fully close all windows regardless of where you are parked and regardless of how long you are leaving your vehicle unattended.
- Wherever possible use off street parking or secure parking.
- Park your vehicle in well-lit and highly visible areas, e.g. near shopping centre entrances and high pedestrian traffic areas.
- Remove the keys from the ignition if your vehicle is parked or unattended - even if only for a minute.
- Don’t hide spare keys on or in the vehicle.
- Take your vehicle keys with you when you are going out, even if you are leaving your vehicle at home.
- Don’t leave your vehicle keys lying around on tables, benches, bedside tables or key hooks - keep them out of sight.
- When parking in your garage, ensure both the garage and vehicle are locked and the garage remote is secured.
- For older vehicles install an engine immobiliser that meets Australian Standards A4601:1999.
- Secure your vehicle registration plates, e.g. affix with one way screws.
- Remove, or place out of sight, all valuables and personal documents when leaving your car unattended.
- Please report any suspicious behaviour to your local police, policelink 131444 or contact Crimestoppers on 1800 333 000.

Pre-Prep, Prep, Year 1 & Year 2

WHEN: Thursday 25th June, 2015 - 9.00 to 11.00am

WHERE: Yugumbir State School
Lower Primary Adventure Playground, and surrounding areas, including Classrooms.

WHY: Each year the Australian Early Childhood Association organises a week in May/June to recognise the importance of the younger members of our community, (0-8 years).

Come for the day and participate with your child in the many activities that will be set up, including Art/Craft, Music, Storytelling, Games and some very special visitors.

All children are allowed to wear casual, comfortable clothing, hat, enclosed shoes, and sunscreen for the day’s events.

The program will run as follows:
9.00 am: Children & parents meet at their child’s class.
9.05 - 10.45am: Participate in the activities set up around the designated areas.
10.45 - 11.00am: Pack Up and return to Child’s class at bell time.

Children who do not have a supervising adult present with them on the day, will be placed in a group and supervised by an adult selected by the class teacher. If parents are unable to attend you may nominate another adult i.e. Grandma, Auntie, Early Childhood Carer to participate in the activities with your child. Please indicate to your child’s teacher on the slip below if you or another nominated adult are able to attend. Please introduce (by letter or personally) your child’s nominated adult to his/her teacher.

All Prep - Year 2 students should have received a note to take home regarding this event.

GEN-Z Friday Night Fun

Dear parents and students, Chaplain Carlos here just wanted to let you know about a really good new initiative for young people in the area.

GEN-Z is for Teens and Pre-Teens and will be held fortnightly at Browns Plains State School Hall between 6-8 PM.

The Remaining dates for TERM 2 are as follows.

MAY 22, June 12,19.

GEN-Z is a Christian based service for young people.

There will be lots of fun to be had at GEN-Z as well as a meal to share together.

All volunteers are Blue Card certified and the program is completely FREE.

Please contact Chaplain Carlos for further details or simply come and check it out.

Supa Club

Supa Club is a new Christian based lunch program that will run every Wednesday @ 1:00 pm sharp. Supa Club will run from the Hall and is designed for students in years 4 - 6.

Supa Club is a great opportunity to hang out with friends, play cool games, win cool prizes, learn about an awesome God who loves you, watch some DVD's, listen to some cool music, stories and that's just this term.

This program is also a great way for you to develop communication, leadership and social skills as we encourage you to contribute your ideas and talents, as well as make opportunities to discuss topics that are relevant and important to you.

Mrs Contessi and Chaplain Carlos will be helping with the running of the program and we all look forward to seeing you.

This is a Christian based program and we will need you to return the permission slip below if you wish to participate.

Please see Chaplain Carlos or Mrs Contessi for more information.

The resource scheme provides us with significant opportunities to refine explicit teaching strategies for all students and ensure we personalise the teaching and learning for every child. As we continue to embed the Australian Curriculum and make use of the “Curriculum into the Classroom” units of work developed by Education Queensland, we continue to develop year level and unit specific resources to meet the needs of all students including those with special needs and academic strengths. By inviting and encouraging parents to support an annual $50.00 Resource Scheme contribution we will be able to produce very explicit resources to align to the work being taught in each classroom. It will also provide you with clear savings to online subscriptions that our teachers use to consolidate your child’s learning.

The School Resource Scheme includes the provision of:

- Subsidised dance lessons (10) by Footsteps Dance Company in Term 2
- Reproduced class materials which complement and/or substitute textbooks
- Online subscriptions (*Reading Eggs and Ideal Resources*)
- Photocopying costs (classroom materials and workbooks only)
- Materials for key learning areas where the instruction is extended through providing practical learning experiences in excess of materials provided by our school grants

Children of parents who choose not to participate in the School Resource Scheme will not be provided with any of the resources above or access to online subscriptions.

The school will provide parents and caregivers with an invoice for the resource scheme payment.

#### Payment

- [ ] I agree to pay the Student Resource Scheme by the due date and I understand that any failure to make payment by this date may result in my child(ren) being excluded from extra-curricular activities. Access may be withheld even if the student is presenting payment specifically for the extra-curricular activity.
