Expectation: Do the High Five
Value: Resilience

The Yugumbir School Wide Expectations are:

This week’s Positive Behaviour Lesson across the school is focusing on bullying and Doing the High Five.

In this lesson students will discuss the effects of bullying and how to stop it occurring. Students will revisit the High Five and look at how bullying affects different people. They will learn about empathy and put themselves in the shoes of someone who has been affected by bullying.

PRINCIPAL’S MESSAGE

Dear Parents, Carers and Students

Regular attendance makes a huge difference to your child’s progress and academic achievement.

At Yugumbir State School, student attendance is a high priority. We believe that students who attend regularly are more likely to be successful at school. The Yugumbir State School Attendance Policy aims to enhance the process of parents and teachers working as a partnership to support students for future success at school.

Our three school targets for 2015 are as follows:

1. 95% or higher for overall school attendance
2. 100% of all absenteeism explained
3. No students attending less than 90%

Section 176 (1) (b) of the Education (General Provisions) Act 2006, states that, each parent of a child of compulsory school age has the obligation to ensure their child is attending school on every school day, for the educational program in which the child is enrolled.

“Compulsory school age” is defined by section 9 - a child is at least 6 years and 6 months of age and to finish when the child turns 16 years of age or completes Year 10, whichever is sooner.

Key Messages

- Attendance is primarily a parental responsibility.
- Early attendance patterns tend to be maintained over time. Therefore efforts should be made to rectify poor attendance as soon as it becomes apparent.
- There is a correlation between attendance and academic performance.
| If your child misses... | That equals... | Which is... | and over 13 years of schooling that's... | Which means the best your child might perform is...

- Exemptions are required for absences longer than 10 consecutive days (contact school office).
- Parents may be prosecuted for their children's consistent poor attendance.

**Why is regular attendance at school important?**
Regular school attendance will mean that your child has a better chance in life. Your child will achieve better when they go to school all day, every school day.
- they learn better
- they make friends
- they are happier
- they have a brighter future.

**96five Family Show & Channel 7 News Helicopter**
96 five Family Show & Channel 7 News Helicopter are coming to Yugumbir State School. Come see the 96five Family Show with Liam, Robbie and Romeo the Radio Dog as they take their breakfast show on the road with the Family Show School Excursion to our school! They'll be broadcasting live from 6am-9am and there'll be loads of other fun family activities including a jumping castle, sporting games, freebies and of course a coffee cart for the parents! You can even catch Seven News helicopter when it pops in on Wednesday 11 March from 6am right here at Yugumbir State School.

Please assemble all children to the oval before school where their teachers will be waiting to meet them by 8:40am.

We are also launching the Buddy Bear Program and would like the school to be a “Sea” of purple. Hope to see lots of people here.

**DON'T FORGET TO WEAR PURPLE!!!**
Through Better Buddies, children in their first year (Prep) and last year (Year 6) of primary school buddy up and learn the values: caring for others, friendliness, respect, valuing difference, including others and responsibility. All children in the school learn these values through formal and informal activities, including their interactions with the Better Buddies mascot Buddy Bear. Buddy Bear is a purple teddy bear who conveys the message 'I’m special because I care about others'. Better Buddies enables younger children to feel safe and cared for while older children feel valued and respected. By having the Buddy Systems in our school, it will help foster a friendly and caring environment.

**Bikes for Sale**

We currently have some bikes for sale. The bikes were previously used for the school bike program.

- 2 x girl bike
- 1 x boy bike modified with large training wheels
- 1 x female bike

If you are interested please see Chaplain Carlos to make an offer, also if you have any bikes in repairable condition that you would like to donate I would love take them of your hands.

All proceeds go to the schools care services. Chaplain Carlos.

**School Arrival Times**

It has been of great concern to see that an ever increasing number of students have been dropped off at School well before 8 am.

8.30 am is actually the recommended ideal time for student to arrive at school unless they need to be here earlier for a specific reason eg; Booster Classes, Band Practice, Sport Training etc.

Our new policy will be that any students arriving prior to 8.15 will be required to make their way directly to the Main Under Cover Area, outside the Tuckshop. It would be great if the students had a book to read so that they could be occupied whilst waiting.

At 8.15 the Office Staff will make an announcement to allow the children to move quietly to their class area to wait for the school day to commence. Children should remain quietly with the vicinity of their own classroom until the first bell rings.

NO students are to play on ANY Adventure Playground before School.

PCYC operates Before and After School Care from our School Hall for students of parents who require care. PCYC can be contacted on 0427 755 364 or you are welcome to call in to discuss care with the available staff.

We are seeking your co-operation in this matter to ensure maximum safety for all of our students before school.

**Music News**

Senior Band (Yr 6) rehearsals are Tuesday mornings at 7:30am each week.

Senior Choir is on Wednesday mornings at 8:00am. Both groups will be rehearsing in the Music Room. Junior Band will commence early Term 2.

**Recorders**

Students in Years 3 and 4 will require a recorder for their Music lessons. They are now back in stock at the tuckshop and can be purchased for $9. Thanks for your patience.
Curriculum News

This week’s Reading Strategy Focus is **Clarifying**.

Clarifying involves more than just figuring out difficult words in a text. It includes keeping track of your understanding when reading, and knowing fix up strategies to maintain meaning when it becomes lost. Readers need to identify when they are stuck on a word or an idea, and then figure out how to fix the situation so reading can recommence.

Strategies to clarify a word include reread, look for word parts you know, blend sounds together, read on to find clues, and try another word that makes sense.

Strategies to clarify an idea in a text include reread the parts that you don’t understand, think about what you already know, and read on to look for clues.

By clarifying difficult words or confusing parts of a text, readers are monitoring their own understanding about their reading.

**STRIVE- Structured Tier Two Robust Instruction of Vocabulary Experiences**

This week 5JN have been learning the meanings of these words in their classroom-

SJN learn the meanings of their words through images and activities on power point created by their teacher.

Thanks for sharing your great words and activities SJN!

Reading Eggs
The school has purchased Reading Eggs this year for all classes. Please contact your student’s teacher if you require log on details for your child.

Happy reading everyone and don’t forget to activate your prior knowledge and make a prediction before you read. As you read, try to make connections to what you are reading, and clarify any words that don’t make sense.

The resource scheme provides us with significant opportunities to refine explicit teaching strategies for all students and ensure we personalise the teaching and learning for every child. As we continue to embed the Australian Curriculum and make use of the “Curriculum into the Classroom” units of work developed by Education Queensland, we continue to develop year level and unit specific resources to meet the needs of all students including those with special needs and academic strengths. By inviting and encouraging parents to support an annual $50.00 Resource Scheme contribution we will be able to produce very explicit resources to align to the work being taught in each classroom. It will also provide you with clear savings to online subscriptions that our teachers use to consolidate your child’s learning.

The School Resource Scheme includes the provision of:

- Subsidised dance lessons (10) by Footsteps Dance Company in Term 2
- Reproduced class materials which complement and/or substitute textbooks
- Online subscriptions (*Reading Eggs and Ideal Resources*)
- Photocopying costs (classroom materials and workbooks only)
- Materials for key learning areas where the instruction is extended through providing practical learning experiences in excess of materials provided by our school grants

Children of parents who choose not to participate in the School Resource Scheme will not be provided with any of the resources above or access to online subscriptions.

The school will provide parents and caregivers with an invoice for the resource scheme payment.

**Payment**

☐ I agree to pay the Student Resource Scheme by the due date and I understand that any failure to make payment by this date may result in my child(ren) being excluded from extra-curricular activities.
