“So you know what you need to do at school, like when you go to your desks” – Levi H

PRINCIPAL’S MESSAGE

Dear Parents, Students and Community Members,

School Uniform – Review. Our school uniform is an important feature of our school. Currently there are a number of options that students wear on a daily basis. Students are choosing to wear their day uniform, their house uniform, their school sports uniform and Year 6’s may wear their senior uniform.

By the end of this semester, we will have reviewed our uniform policy and anticipate some clear directions around what we can expect students to wear on given days or on special occasions.

Proposals will be developed and shared at the next P&C meeting, which is the forum within our school for parents to have their say on matters like this.

Our uniform is attractive, practical and reasonably priced. It endeavours to provide amply for both boys and girls. The importance of a uniform cannot be emphasised enough. Consider the following:

- When a student puts his/her uniform on in the morning, he/she is making a statement that he/she is a member of the Yugumbir Team. It symbolizes a sense of belonging and pride in their school.
- How well students wear their uniform provides an outward sign to the community about the pride, expectations and sense of belonging within this great school. Well-presented students are a great advertisement for local families and for Yugumbir State School.
- The uniform is a key factor in identifying students in a circumstance of danger, threat or instance of inappropriate conduct outside the school.
- It is important that students wear the uniform properly.

Two issues that need to be tidied up immediately include:

- Wearing of non-uniform shorts/skirts is not acceptable
- For winter, students are to wear jumpers that are similar to the school colours of navy blue(preferably), maroon or grey. Jackets with loud colours or slogans are not acceptable.
- Often, these appropriate jackets can be purchased at very reasonable prices at "Best & Less” style stores.

The above review will be very mindful of the expense of uniforms.
**Naplan**
The Naplan testing program for Year 3 and 5, will be conducted next week, on Tuesday, Wednesday and Thursday. Friday will be used for catch-up tests for students who were unavoidably absent.
We want our students to do well in these tests, however there is no pressure on students. Preparation has basically been relying on good teaching and learning in the regular class program.
Parents can assist to help students through this process by ensuring a good night’s sleep, arriving at school on time and not “talking up” the importance of the tests. We are very happy for students to simply do their best, as they would on a daily basis.
We are endeavouring to keep this week as similar to usual routine as we can.

**Interschool Sport**
Our school has a large number of students enjoying interschool sport each Friday. Our school nominates teams to play in the Greenbank District competition. The reports each week, indicate that our students are winning their share of games, enjoying the experience and demonstrating excellent standards of behaviour both on and off the field.
Congratulations to all students and ensure that you continue to represent our school with dignity and honour.
I also recognise the work of our teachers. Yugumbir is fortunate to have teachers who are able to lead their teams to perform well, to develop their skills and game sense and attain high standards of conduct. Thanks to these teachers for your work with our sportspeople.
It is noteworthy that we recognise that the Greenbank District is one of the few districts to retain an interschool competition on a weekly basis. The pressures of cost, fields, buses scarcity of teacher/coaches and loss of time, have forced many districts to water down their sports activities.

**Mother’s Day Stall – Thursday 5th May & Friday 6th May**

The Mother’s Day stall will be held Thursday 5 May (Years 3-6) and Friday 6 May (Prep- Year 2). This will be held in the main undercover area outside the uniform shop. The teachers have completed a roster to take their class to purchase gifts on these days. The P&C have been very busy purchasing and wrapping a wide range of wonderful gifts for the student’s Mums. Please support this fundraiser and take the opportunity to allow the students to purchase a gift of choice for their Mum.

*Gifts range $4-$12. There are also limited “bargains” for 50 cents and $1.00*

The students always feel so proud to choose a special gift for their Mums from the school stall.

**Oral Language Activities**
Variety of exposure to a range of situations when language can be applied, provides great opportunities to introduce and practice new words and relationships between words. We continue our series of ideas, below....

**Good idea 9**
Talk about the steps you take in cooking activities. For example; when making a sandwich: ‘First we get the bread and the toppings out. Then we put the butter on. Next we choose what we want on the sandwich. Then we spread the jam/vegemite on. Then we cut the sandwich in half. Then we eat it’. Apply this to similar activities.

**Good Idea 10**
Talk about things in the kitchen and what they look, smell, taste, feel and sound like. Use words like: big, little, long, round, bumpy, spiky, soft, hard, sweet, sour, hot, cold, sticky, salty, etc.
Good idea 11
Talk about where things are in the kitchen. Try to use some of your ‘position’ words; ‘The cake is in the oven’ ‘The cup is on the table’ ‘The cloth is under the sink’ ‘The plate goes between the knife and fork’ etc.

Payments for school activities
There is a range of options for parents to pay for school activities. Let’s see these options below.

So far in Term 2 the leading year level is Year 4 with 94.9% attendance. Well done to our Year 3 and 4 students.

**Maths Extension Program Report**

This week on the 27th April at the Maths Extension Program, hosted by Browns Plains High School, we were fortunate to have the grade 11 students join us to do some challenging strategic maths puzzles. This was exciting as well as challenging. I am looking forward to more maths challenges next week.

Free Event – Candles Provided

The Working Against Violence Support Service (WAVSS) is hosting Logan’s Annual 2016 Candle Lighting Remembrance Ceremony. Dominique Maurice will provide music at the memorial event held annually on Australia’s National Day of Remembrance to commemorate lives lost to Domestic and Family Violence.

“Logan’s Candle Lighting Ceremony is a time to acknowledge how devastating these deaths are and to honour each life lost”, said Linda-Ann Northey, General Manager, WAVSS.

“Importantly, these are tragedies that we believe can be prevented with the right support, increased awareness and early intervention, something that we are deeply committed to in this community. We encourage everyone who cares about this issue to join us in lighting candles to respect and remember lives lost, and as a symbol of hope in the darkness”, she said.

Dear Parents / Guardians

Students in Year 1-3 will be running the Fun Run as a whole year level. Students in Year 4-6 will run in their Age Group. This will avoid any confusion.

The following are approximate timetables for the Inter House Fun Run / Cross Country. If we are unfortunate enough to have rain, which makes it unsafe to go ahead, other dates will be advised. We hope that you can make it along to watch your child participate. Each student can participate at their own level, so they may walk, jog or run the course.

All students are expected to participate. Those students with medical conditions or illness must bring a note to exclude them from the course.

If your child has a medical condition which we should be made aware of such as asthma please provide written advice to their class Teacher.

* All children who suffer from asthma must carry their puffers with them as they run / walk the course.

Supporters and spectators are welcome but are asked to please stay clear of the children and the running course. Please do not come into the competition area on the oval.
