Dear Parent, Carers and Students

*Caring Hearts – Inquiring Minds – Enriching Lives*

2 Teach is
2 Touch lives
4 Ever

Author Unknown

Last Friday was World Teachers Day. It was an opportunity to stop and thank the teachers who have helped you be the person you are today.

An old saying that “Teachers create other professions” is so true. Teachers help mould children as they deal with changes in their lives, be it physical, psychological, intellectual, or social. The simple knowledge that someone believes in them, cares for them and wants them to succeed is a great starting point for any youngster. A teacher can be a friend when your children need a shoulder to cry on, a parent when they need support, and a critic when they need to choose between right and wrong. Each one of us has experienced a teacher who has positively impacted our lives.

Teaching is one of the most important professions in the world. Please continue to make time to thank your child’s teacher whenever an opportunity presents itself.

*Every Day Counts*

Remember make every day counts towards helping your child succeed at school. Our target is 95%.

On Friday 23rd October Year One Students went on an excursion to the Logan Entertainment Centre to watch Roald Dahl’s Revolting Rhymes and Dirty Beasts show. Here are some of their recounts about their excursion-

We got to go on the bus. The bus was fun. **By Declyn 1NP**

On Friday we went on the bus and we went to the Logan Entertainment Centre or LEC, and when we got off the bus we ate our brain food. After that we went inside to watch a play. My favourite part was the 3 Little Pigs and when it was finished we got on the bus and we went back to school. **By Ezekiel 1NP**

On Friday my friends and I went to a play at the LEC. We had to get into class, give our brain food to the teacher, line up, walk out of school and wait for our bus. Our bus came and we all got on the bus. We had to find our seats. **By Chloe 1NP**

ACADEMIC AWARDS FOR 2015

We will be holding a prestigious Academic Awards Ceremony for students in Prep to Year 5 on Friday 4th December 2015. This ceremony will be an opportunity for the school community to recognise the Outstanding Learners in our school. The ceremony will commence at 9:15am in the hall. Watch this space for further information about the Academic Awards.

Students in Year 6 will have their awards presented to them during their Graduation Ceremony on Monday 7th December.

Yarning at Yugumbir

We are very excited about our Yarning Circle that we will be building in the rainforest area at the back of the school. I will put a little snippet in the newsletter each week up until the end of the year to provide information on how powerful a yarning circle can be, and what it actually is!

What is Yarning?

Yarning is an informal conversation that is culturally friendly and recognised by Aboriginal people as meaning to talk about something, someone or provide and receive information.

Our Yarning Circle at Yugumbir will involve not only our Indigenous students, but be available to all students in the school as an informal place to share information.

STUDENT RESOURCE SCHEME 2016 (SRS)

2016 Student Resource Scheme will be $50 per student.

The completed and signed Participation Agreement Form should be returned to the school by Wednesday 24th February 2016 to indicate participation or non-participation in the Student Resource Scheme.

If full payment is made before 24th February 2016 parents will receive a $5 discount per student.

eg. A family of 3 students will show as follows:

Amount Invoiced – 3 students at $50 each $150
Less discount 3 students at $5 each $15
Total Payable $135

Day for Daniel – 30 October 2015

Thanks to all who participated in our Day for Daniel last Friday. This day is about educating children and adults about keeping kids safe through child safety and protection initiatives. It aims to help empower our children to Recognise, React and Report if they feel something is not right. The theme of the Day for Daniel is to wear red, and educate, helping communities to take action and conduct child safety activities to Keep Kids Safe. Our Day for Daniel walk this year raised $995 through gold coin donations and the student council’s efforts of selling red ribbons. This money will be donated to the Morcombe Foundation. Congratulations and Well Done everyone!
Camp – by Heidi Britton – 5LB
On the 27th through to the 30th of October, 5LB, RH, and JN went to Camp Bornhoffen. I personally think the most fantastic thing we did on the first day was go to the Natural Arch. It was a long walk – it felt like 500km, but actually it was only about 2km. The Natural Arch was the most amazing thing you have ever seen. The water flowed into the cave gracefully. After we looked at the Natural Arch, we walked to a picnic area to have dinner. We had hot dogs and they were superb. A bush turkey nearly ate half of my hot dog. We were enjoying the peace of nature when we started hearing drops of rain. We ignored it but then it started to get heavier and heavier. We ran for cover and it was nearly flooding.

Camp Bornhoffen – By Holly Delchau – 5RH
On Tuesday the 27th of October classes 5RH, 5LB and 5JN went to Year 5 Camp Bornhoffen. The students participated in many different activities such as a trip to the Natural Arch, Creeking, Talent Quest and many others.

First, we took a long walk to the glow-worm cave on Tuesday. Although the pain of walking was unbearable, the view of the mountains was absolutely amazing. When we got there, we arrived at the Natural Arch, where the glow-worms shone beautifully over the water. We sat down for dinner and everyone got hammered with annoying rain and had to get driven back to camp.

On Wednesday, the main activity was creeking, an example of trust. We all had to work as a team to swim across deep water and climb over slippery rocks. Although there was lots of leeches, it was fun and most of us wanted to do it again.

On the last night, we had a Talent Quest, where all the cabins had to work together to make an act and all students had to participate. Everyone had a good laugh and everyone agreed that it was so much fun to work together and have a go.

Year 5 Camp Bornhoffen was the best camp yet. We all worked as a team through all of the activities and it made us trust each other more. Some of us learnt new things like how to cook pancakes and cookies and how to work better as a team. We all just can’t wait for next year’s camp.

Wet and Wild Excursion – Years 6
In the second last week of the school year, the excursion to Wet ‘n’ Wild has been arranged for Year 6 (Tuesday 1 December) students. As this excursion is part of the reward system in the School’s Responsible Behaviour Plan, a “Strike” system for misbehaviour and non-compliance is commencing, where the attainment of 3 strikes for Office Behaviour visits would mean the student is not invited to this excursion. As with all excursions, high level behaviours that impact on the safety of students and staff may mean the child is immediately told that they may not attend. Parents will be notified if their child attains a “Strike”. It would be appreciated if all parents could speak to their children about complying with School Behavioural Expectations, so he/she can enjoy the rest of the school year and does not receive any strikes. Permission notes containing costs and details for this excursion has been sent home.

Wet and Wild Excursion – Years 6 – by Holden

Year 6 Wet ‘n’ Wild payments – by Wednesday 18 November
Due to end of year financial processes, all payments for the Year 6 (Tuesday 1 Dec) excursion to Wet n Wild must be made to the school by Wednesday 18 November.

iConnect2Learning
We have had a great response to the iConnect2Learning program with many parents signing their child up to the 1 to 1 iPad classes in 2016. If you are a current parent of a Year 4 student, and would like an information pack, please come and visit the office to receive the pack and relevant documentation to sign. Alternatively, ask your child’s teacher to send a pack home. We have limited spaces available and are working on a first in first served basis for iPad class placements.

If you have any questions, please contact Melinda Cornwall – Deputy Principal on 3380 0333

CAR PARKING
Parking in the school grounds is very limited, when we have unauthorised vehicles entering the grounds it endangers the safety of all our students. We again ask that if you do not have a current School Parking Permit PLEASE DO NOT ENTER THE GROUNDS.

PARKING PERMITS
If you require a Parking Permit please make an appointment to speak to Mr Wills regarding your reasons for needing a permit to enter the grounds.

Book Orders
Please return to School your completed Order Form and full payment by Friday 13th November 2015. You can order your school books online at www.edasco.com.au or phone 3350 2677.

Book Box Fair
Thank you to all the parents and carers who purchased books and stationery from our Book Fair in September, our Library benefits with free books and resources.

As a thank you, we are having a Book Box Fair on Wednesday 11th to Monday 16th November 2015 in the Library from 8:00am - 3:15pm.

You can BUY ONE BOOK: GET ONE FREE (so if one book costs $20 you could get one or several other books to the $20 value!!) There is no re-ordering available, 1st in gets best choice.

It will be a great opportunity to stock up for Christmas, birthdays or just for some reading over the holidays. There will be a variety of genres available to choose from.

Come in and see what bargains you can pick up!

Horticulture Program Fund Raiser – Pie Drive!!
Pies and other products ordered will be handed out to students on Tuesday 10th November.
The two highest sellers will each receive a $50 movie voucher.

We thank you in advance for your continued support.
Magpie pairs breed in Spring (August – October) and with this comes the magpies’ natural behaviour to defend the territory around their nesting site. This may result in magpies swooping people who they perceive as a threat to their nest.

Reduce your chances of being swooped!

People can take the following precautions during the period when birds are actively protecting their territory.

- Do not deliberately provoke or harass the birds as this may make them more aggressive.
- Walk out of the bird’s territory immediately.
- Magpies are less likely to swoop if you look at them.
- Try to keep an eye on the magpies, at the same time walking carefully away.
- Alternatively, you can draw or sew a pair of eyes onto the back of a hat, and wear it when walking through the area.
- Wear a bicycle or skateboard helmet. Any sort of hat, even a hat made from an ice cream container or cardboard box will protect you.
- Carry an umbrella, or a stick or small branch above your head but do not swing it at the magpie, as this will only provoke it to attack.
- If you are riding a bicycle when the magpie swoops, get off the bicycle and wheel it quickly through the area. Your bicycle helmet will protect your head, and you can attach a tall red safety flag to your bicycle.

If you feel a magpie is a serious menace it should be reported to the nearest National Parks and Wildlife Service 1300130372.
