**The rule of the week:** Be on time, organised and ready

So, to 'be on time, organised and ready' what does it mean? Well, to be ready to learn. You need to make sure that you have all school supplies before leaving your home. So when you get to school you are always ready to learn. 6TJ

PRINCIPAL’S MESSAGE

Dear Parent, Carers and Students

Caring Hearts – Inquiring Minds – Enriching Lives

ARE WE RAISING SELF-CENTRED KIDS?

I am always inspired when I hear news stories of children who are doing things that are making a difference in the world. They commit to projects that are bigger than themselves and aren’t self-centred.

But unfortunately, there are flip sides to these stories. My view, in recent times we have become more and more self-absorbed and less connected to others, in particular our young kids. Many kids and young adults of today are extremely self-focused and tend to see other people in terms of their usefulness rather than true friendship.

How do we cultivate a life in which our children consistently demonstrate the value of empathy (the ability to understand how someone else feels and to experience his or her emotions as your own) and kindness? A very difficult goal considering they are growing up in an extremely materialistic world.

In a constantly changing world, empathy is more essential today than it has been in any point in history. I would suggest that education is not just about improving children’s Literacy and Numeracy skills, but rather the ability to work with others and collaborate effectively in the future.

Empathy is inherent in human nature, as parents, carers and educators we just need to help our children tap into it. How do you teach children to care? How do you teach kindness, compassion and gratitude? The most effective way is through explicit teaching and modelling.

The following are some tips:

- Talk about feelings and label them, not only their feelings but yours too.
- Praise empathetic behaviour.
- Point out other people’s behaviour and guess their feelings.
- Teach the basic rules of politeness and respect.
- Never use anger to control your child.
- Teach your child to think of others, like asking to buy a small gift for someone else rather than themselves.
- Involve your child in charitable activities.

Empathy and kindness boost emotional intelligence and reduce aggression in people.

UNEXPLAINED ABSENCES

Parents are required to explain the absences of their children from school promptly, either before or as soon as possible within 2 days of your child’s return to school, in accordance with the school’s communication processes.
This may take the form of:

- a verbal explanation to the school through either a phone call to the absentee line or visit to the school
- an explanation by email absent@yugumbirss.eq.edu.au or through the school app
- a written explanation note containing the student’s name, date of absence(s) and reasons for absence(s)
- a medical certificate

Unfortunately this has not been happening. We currently have well over 800 days of unexplained absences. This is totally unacceptable.

If your child has had days off from school and you have not provided an explanation, please contact the school and provide a reason so as to rectify our records.

You can access your child’s attendance and other school records by registering for Qparents.

The QParents website will allow parents of Queensland state school students to access information about their child and to communicate directly with their school.

It will give you secure online access to information such as:

- Attendance Details
- Report Cards
- Invoices
- Payment Details

You will also be able to update your child’s details and let the school know of changes to normal routine, such as when your child is unwell or has to leave early. Contact the school office for more details.

**EVERY DAY COUNTS**

**Drakes IGA Supermarket**

**Community Dollars**

Our local IGA in Vansittart Rd is a Drakes IGA. For every $1 you spend in their store (excluding tobacco products and gift cards) they will donate 1c to our school. All you have to do is present a key tag and have it scanned every time you shop. Doesn't matter how little you buy. This may not seem much but it soon adds up and is free money which all goes to helping our children. Anyone can have these tags so give them to your family, friends, and neighbours. Anyone who ever calls into IGA Vansittart Rd.

Key tags can be collected from the office windows. Thank you in advance for your support. P&C

Dear Parents and Families:

Reading for pleasure inside and outside of school has real and long-lasting benefits. It unlocks the power of information and imagination and helps children discover who they are. Here’s what you can do to help children develop stronger reading skills and a love for reading:

- Set the example. Let children see you read.
- Have a collection of books in the home. Update this collection routinely to keep pace with changing tastes and reading skills.
- Support our school’s Book Fair. Allow your children to choose their own books to read.

Our Scholastic Book Fair is a reading event that brings to school the books kids want to read. It’s a wonderful selection of engaging and affordable books for every reading level. Please make plans to visit our Book Fair and be involved in shaping your child’s reading habits.

Book Fair dates: 10-17 August 2015
Shopping hours: 8:00am – 3:30pm
Special activities: Colouring competition (1 prize per grade)

We look forward to seeing you and your family at our Book Fair!
