Dear Parents, Students and Community Members,

Education Qld has introduced a campaign to ensure staff (and students) are safe at school, free of intimidation and threats, comfortable and confident to apply themselves to their work. Ultimately, the work of every staff member contributes to the school being a positive learning environment in which every child thrives and is able to do their best.

The campaign refers specifically to the interactions between parents and staff members. At all times this interaction must be respectful, focussed on a positive outcome for students.

The campaign has a slogan...

"Violent or abusive behaviour will not be tolerated at this school. It’s not just a courtesy, it’s the law!"

Our school is grateful that our school culture is positive and that there are co-operative relationships between parents and staff members. It is important that parents and all members of staff continue to work co-operatively, for the benefit of our students.

Find below an extract from our school prospectus. The Parent Guarantee is provided to all parents upon the enrolment of their child/ren, as a reminder of our shared commitments.

PARENT GUARANTEES

EXPECTATIONS

• Make sure my child attends school every day.
• Make sure my child arrives to school on time every day.
• Explain all of my child’s absences in a timely manner.
• Fully support school behaviour expectations and consequences.
• Promptly attend to my child’s medical and health needs when necessary.
• Check daily to make sure my child is adhering to the school’s Dress Code.
• Provide the essential supplies for active participation.
• Openly discuss issues with classroom teachers and administration in a respectful and timely manner.
• Pay all fees as required.
• Attend parent teacher interviews twice a year.
• Contact the school to update school records as the need arises.
• Read with my child every night.

RULE OF THE WEEK: Follow the expectations of each play area.

This week we are launching a new play area. We are now allowed to use the park behind the school on Redgum Drive.

With this new play area and all existing areas it is important that students follow the rules that are set down to ensure everyone is kept safe.
Great News!
New Playground Area.
For some time the School Principals, at least the last three, and the P & C, have been negotiating with The City of Logan Council to gain joint access the Park at the back of the school, adjoining Redgum Drive. Many thanks to Mrs Cherie Dalley, our Local Councillor, who has worked closely with the school on this joint venture. The City of Logan Council recently completed an upgrade of the park and the school staff have been working on guidelines and expectations and we have this week started a trial with the children being able to play supervised in this new area. I have placed these below for you to discuss these with your child/ren.

**PLEASE NOTE: IT IS, AND NEVER WILL BE INTENDED THAT STUDENTS PLAY IN THIS AREA AT ANY OTHER TIME, INCLUDING BEFORE OR AFTER SCHOOL.**

Two of our school staff, the Facilities Officer and our Day Cleaner are rostered each morning to thoroughly check the park to ensure that it is clean and safe for students to enter. This will happen just after 9am.

We will collect data from the Supervising Teachers to assess the effectiveness and usage of this area with a view to making this a permanent area for playground play and supervision.

**Area A- Council playground**

**Student Expectations**
- Students must wait for the duty teacher at beginning of bush tucker trail. There will be a yellow line painted on the ground. Students can only proceed once the duty teacher arrives.
- No ball games allowed on playground side of the path.
- Climbing of trees prohibited.
- If a ball goes on the road, students are to see the teacher on duty to get it
- The bollards are the boundary.

**Teacher expectations**
- Check the park for any public who may be there with kids. If there are, approach them to let them know that our kids will be out there playing (do this before letting the students in).
- Ensure the area is actively supervised and that you are mobile.
- Actively supervise children retrieving balls from the road or get them yourself.

Mr Want will be handing out feedback sheets at the end of each week to all duty teachers so that we can gauge how the area is going.

For the remainder of Term 3 we will have the following roster:
- Monday – Years 5 and 6
- Tuesday – Years 3 and 4
- Wednesday - Year 2
- Thursday - Years 5 and 6
- Friday First break - Years 3 and 4
- Friday Second break – Year 2

Here are some photos of the student enjoying this new area.
ICAS Competition
The International Competitions and Assessments for Schools (ICAS) is an independent, skills-based assessment program which recognizes and rewards student achievement. ICAS is unique, being the most comprehensive generally available suite of academic assessments for primary and secondary school students. The assessments comprise eight Digital Technologies tests, eleven English tests, eleven Maths tests, eleven Science tests, six Spelling tests and ten Writing tests.

There are hundreds of thousands of students across Australia and Asia who participate in these tests. Every participant receives a certificate – Participation, Merit, Credit, Distinction and High Distinction. Apologies to Connor D (3JB) who achieved a Participation Award and was omitted from last week’s newsletter.

Our students’ results were published last week. Students will receive their certificates at their next sector parade.

It is particularly noteworthy that we acknowledge the achievements of some special achievements.

Congratulations to these students on their special achievements:
- **Jordyn B, Year 6**, High Distinction in Writing, Distinction in Spelling
- **Erin K, Year 6**, Distinction in Science, Distinction in Writing, Distinction in Spelling,
- **Ryan K, Year 4**, Distinction in Science,

Numerous other students achieved a Credit.

To receive a High Distinction means that the student has achieved in the highest 1% of thousands of students who participated. This is an exceptional achievement.
To receive a Distinction, the student has achieved in the highest 10% of the thousands of students who participated.

Academic achievement is central to our goals as a school. These students have shown that our students can achieve highly on the bigger stage.

Attending Prep is now Compulsory
From 2017, it will be compulsory for all Queensland children to undertake the Prep Year, prior to commencing Year 1.

To minimise disruption to schools and families, the new requirement will not apply to children already enrolled in Year 1 for 2017.

Since Prep started in 2007, there have been noticeable improvements to learning outcomes for children who participate in Prep. The vast majority of Queensland parents already choose to enrol their child in Prep when they reach the eligible age.

Making Prep compulsory ensures all children develop the knowledge and skills provided by the Prep Year that form the foundation for future learning.

Student Absences
Parents were sent a flier yesterday, reminding of the requirement to advise the school of every absence. Our goal is to ensure every child is accounted for every day.

*Parents are strongly encouraged to advise the school of their child’s absence before/on the day of an absence by:*
  - emailing absences@yugumbirss.eq.edu.au
  - calling the absence line Ph 3380 0360

The parent of a child whose absence is unexplained on a given day, will receive a text at approx. 10am, advising of the absence and requesting a reason for the absence.
Parents are strongly encouraged to respond to this text as soon as is possible.

In August, there were over 70 unexplained absences which were of 1 day absences. Let’s aim higher than this and work together to reduce unexplained absences.
Whole School Parade, Friday, September 2
At this Parade we celebrated the many wonderful Support Staff who work at our school to help capably meet the needs of our students. Some pictures were posted on our school Facebook page of the celebrations.
The Year One Students also presented a song singing “Hello” in many languages. They were very cute!
Thanks to the parents who attended. The children love having you there.
Thanks also to Mr Want and our School Leaders who always do a wonderful job.

Acting Principal
Mr Quinn is currently on Long Service Leave and I am Acting Principal in his absence.
Please don’t hesitate to contact me if you need to. My door is always open.

Best wishes
Have a fantastic week.

Vicki Wakefield

REPRESENTATIVE SPORT UPDATE

Two students were successful in being selected for the Metropolitan West Regional 12 years Girls AFL team. They are Ashleigh M 6JH and Kyarlah A 6GS. We wish them well for the upcoming State carnival.

Have you lost your Scooter & Helmet?????

If you locked your scooter and helmet in the bike enclosure last weekend, could you please contact the office to collect it?
Thank you.
Last week we celebrated Literacy and Numeracy Week by engaging all children from Prep to Year 6 in MATHS FIESTA! Our Maths Team, led by our very hard working Mr Holt, Mrs Belshaw and Mrs Newman, did an amazing job organising and arranging a range of hands-on games and activities, for our students to enjoy. It was a successful couple of days, with student engagement high. Students were engaged in loads of mathematical activities and thinking including addition, subtraction, patterning, 3D shapes, multiplication, human graphing, probability, and the list goes on! Check out the photos!
We have announced the winners of our VIVO mascot and card competition. The entries sent in were of a very high standard and we would like to congratulate every student who took their time to put an entry in. The following students designed winning card entries and received 100 VIVOs:

- Chloe M 5RP
- Heath S 5RP
- Stevie J 6JH
- Emily H 6MS
- Taylah C 6MS
- Indiana M 5RP
- Teleia N 6MM
- Renee J 5LB
- Nathalya H 5LB
- Hannah M 5LB
- Mitchell P 5LB

For our mascot design competition the following students were our Year Level winners and each received 100 VIVOs:

- Prep: Ryder B PMG
- Year One: Lilly R 1KG
- Year Two: Wesley S 2JS
- Year Three: Jake O’T 3JB
- Year Four: Sebastian B 4BR
- Year Five: Chloe M 5RP
- Year Six: Stevie J 6JH

Our grand winner of our mascot competition has received 250 VIVOs and will see his design brought to life to be our official mascot of VIVO. Congratulations to Mason H from 6JH who designed VIVO BORG.

Just a reminder to get all students logged in so they can see how many VIVO’s they have earnt so far. When logging in ensure you go to www.vivoclass.com.au. If you miss the .au your code will not work.

FATHERS DAY STALL

Thank you

We hope all our Dad’s had a great Father’s Day and loved the presents that their children so lovingly selected for them.

Thank you to everyone that made the stall a success and volunteered their precious time. Without volunteers we would not be able to raise money to help our children and all of the funds raised on the stall goes back to our children.

There is a huge amount of time, over many weeks, needed to prepare for this stall (with shopping and wrapping) and we would like to thank the 3 Ladies who did 90% of this work.

Swooping Magpies

Between July and November, magpies defend their young from threats. Some magpies see us as threats—and they swoop. If you know what to do when a magpie swoops, you can stay safe and let these birds raise their young.

Safety tips

Mark July on your calendar
As a reminder that magpies will soon be breeding and that you must watch out for them.

Get to know where magpies breed in your area
Go to www.ehp.qld.gov.au and print out a warning sign to let others know of the swooper.

Watch out for baby magpies
When they leave the nest, the parents stop swooping. Magpies only swoop for around six to eight weeks: from when the eggs are laid until the young leave the nest. If there are young in the nest, it should only be a few days before they leave and the swooping stops.

When a magpie becomes dangerous
If a magpie that is defending its nest becomes aggressive and a risk to human safety, the magpie may be removed.

Contact your local council, the Department of Environment and Heritage Protection or a licensed bird relocator in the Yellow Pages.

Avoid the zone
Magpies breed in spring. Avoid an area of 150 metres around a nest. If you must go near the nest of a swooper:

- Wear a hat and sunglasses or hold a school bag or umbrella over your head.
- Some magpies only swoop at cyclists. If you get off your bike and walk, the magpie should leave you alone.
- ‘Spike up’ your bike helmet with a few cable ties to scare magpies away.
- Magpies are less likely to swoop if you walk in a group. Team up with others if you walk through a nesting area.
- Watch magpies. If they know they’re being watched they are less likely to swoop.
- Don’t fight back. Throwing sticks at a magpie will only make it more defensive next time.
- Never approach a young magpie that’s out of the nest. The parents may think you’re trying to harm it. Rescuing baby magpies is best left for wildlife rescue groups to carry out after dark.

Further information
Visit www.ehp.qld.gov.au or phone 13 QGOV (13 74 68).
QParents

**QParent** – The QParents web and mobile application provides an easier way for you to interact with our school. Parents will have secure, online access to their child’s student information, anytime, anywhere, through a smartphone, tablet or computer. It provides access to student information such as:

- Attendance details
- Behaviour
- Report cards
- Timetables
- Invoices
- Payment history

Parents are also able to update your child’s details including address and medical conditions, submit reasons for unexplained absences, notify the school of future absences, and make online payments against school invoices.

**How will I get access to Q Parent?**

*You will be able to register a QParents account through the school office.* Parents should advise the school office of their desire to register for Qparent. Staff will then support the parent through the registration process.

One parent/caregiver will then be nominated by the school principal to manage the student’s information.

QParents will assist both staff and parents in sharing and responding to information in an efficient and effective way.

**The benefits of QParents**

- **Convenience and time savings for parents**
  - Parents can view or update their child’s details without having to contact the school.
  - Secure 24/7 online access.
  - Available anytime, anywhere — access QParents on your smartphone, tablet or computer.

- **Greater transparency of information**
  - Improves accountability between parents and schools by providing parents with timely access to their child’s information online.
  - Allows parents to engage more deeply in their child’s schooling.

- **Improved administration efficiencies for schools**
  - Allows schools to streamline their administrative processes and cut down on printing.
The QSchools app is a convenient way to share up-to-the-minute information with the school community.

The app is designed to integrate with Websites for Schools websites. When a school publishes content to their website, the app is automatically updated with the latest news, events and newsletters.

Emergency announcements and push notifications, such as information about natural disasters and school closures, can be published by the department.

All Queensland state schools are searchable via the app, however only schools who have upgraded their school website with Websites for Schools will benefit from all the features of the app.

Parent and Community Engagement Framework alignment

The QSchools app is a useful tool for schools implementing the Parent and Community Engagement Framework to facilitate:

- better communication with the school community
- community collaboration
- encourage participation in the school community.

Benefits for parents, carers and families:

- access the latest school news, newsletters and calendar events
- receive emergency announcements and push notifications
- follow multiple schools
- search for the nearest school by current location, postcode, school name or suburb.

Compatible with the following devices:

- Android
- Apple
- Windows
1. Download or update the QSchools app
   Compatible with the following devices:
   - Android
   - Apple
   - Windows 8

   To receive automatic updates, you will need to ensure that QSchools push notifications are enabled in your phone settings.

2. Search for your school
   The QSchools app allows you to search by:
   - School name search
   - Map search
   - Schools near your current location

3. ‘Favourite’ your school to receive updates
   By favouriting your school, you will:
   - Have access to school information, newsletters, reports and more
   - Automatically receive important updates and push notifications from your school
