PRINCIPAL’S MESSAGE

Dear Parents, Students and Community members,

Arts Extravaganza 2016
Once again we shall be conducting the Yugumbir State School Arts Extravaganza on Wednesday 15th June. This evening will be a celebration of the Arts within our school including both, Visual and Performing Arts.

The evening will see our students showcase to you, our community, the work they have done in the Footsteps Dance Program that has been conducted within our school this term. The students from Prep to Year 6 who have participated, have enjoyed themselves immensely and are looking forward excitedly to performing for you.

As well as this, the intention is to have all classrooms open with the fantastic art work that the students have completed throughout the term on display for you to view. You will have the opportunity to see the amazing creativity and talent that many of our students exhibit. Our instrumental groups will also play a part in the afternoon and evening, with all our groups given the opportunity to perform for our parents and visitors. Our Year 4 Band will be making its debut. Each group will be scheduled to play twice, working around their commitments to be part of the Footsteps Dance culmination.

At the moment we are planning to have the evening commence at 4.00pm and be concluded by 6.30pm, with each group given a set time to perform. Attached below is the proposed program outlining the times for each groups performances. We would like the students to meet their respective teacher for their performance approximately 15 minutes prior their scheduled time. Teachers will advise students of their meeting points.

We look forward to seeing you all here to be part of this exciting innovation for our school.

Payment for Excursions
Our school organises experiences for our students to supplement our teaching and learning program. This may be in the form of camps, visits to special places such as a museum via bus, as well as presentations held here on the school campus.

Some recent activities include Year 2 students travelling by bus to Toohey Forest, Year 4 travelling by bus to Inala for the Ngutana Lui Cultural excursion, and the Prep Science incursion to be held in our hall.

These activities are selected for their educational value and value for money. The two most important aspects of each activity is that the students enjoy and learn from their experience and that all children return to school safe.

Safety is our highest priority. This is why it is necessary for there to be a definite closing date for students’ nominations and payments to be made. It takes time for the pre-
planning, organisation, ordering buses, risk assessments to be made either by school representatives or in conjunction with the provider of the activity and other arrangements to be completed. All of these arrangements include a definite student:adult ratio, for safety, including supervision arrangements for students with special needs. This is no small task.

The following arrangements re payment of costs, are in place for all excursions:
- For excursions which require the collection of money, parents are advised 6 weeks in advance of the cost and the due date for payment.
- For activities where no money is to be collected, parents are advised 4 weeks in advance and the due date for nomination.
- The cut-off date for payment/nomination for an activity will be one week before the actual excursion - on the Monday (for internet payments) and Wednesday (for cash payments). Parents have the choice to pay at the cash collection window (Monday, Wednesday and Friday) or online.

Parents are notified via a letter that is issued to every student and then the issue of this letter is referred to in the subsequent newsletter. The due date for payments is also listed in the newsletter prior to the closing date. Teachers then remind students about the due date for payments and identify those who have not yet paid as a reminder.

In the circumstance when a parent is experiencing financial difficulties, a discussion the BSM is invited, to negotiate an alternative payment structure.

The co-operation of all parents is vital if we are to be fully prepared for every excursion. Parents will not be able to pay after the due date closes. After significant prior warning and supportive advice to parents, this position is very reasonable. It then supports precise planning for the activity, including safety.

By making payments on time, parents are contributing towards the thorough organisation of every excursion/activity, so that it is beneficial to all students and conducted with a high level of safety.

**Attendance**
At the end of this term, there will be rewards issued for attendance. They are:
- The year level which attains the highest level of attendance will be offered a reward of participation in a fun day – jumping castle, obstacle course etc on Thursday 23rd June. The data will be collated on Friday 17th June.
- Students who have achieved 100% attendance will be presented with a certificate. These awards will be based on the attendance data from 15th March (the cut off for Term 1 awards) until Friday 10th June. This allows sufficient time for awards to be ready for presentation at the whole school assembly at 2pm on Friday 17th June.

Awards for Term 3 will be based on attendance data from Monday 20th June, until the end of Term 3.

Attendance Term 2

Just a reminder that our attendance reward will go to the Year Level with the highest attendance percentage. On Thursday 23rd of June we will be getting in jumping castles and obstacle courses for the winning students.

We encourage all students to be at school, on time. We congratulate everyone who has been trying their best this year so far.

For week 8 the winning year level was Year 3 who achieved an attendance rate of 95%.

Our overall leader for the reward is Year 6 with 94.8% attendance. They are narrowly in front of Year 3 who are just 0.4% behind with their overall attendance.

Well done to Year 6.

RULE OF THE WEEK.

“Get in, Get out, Don’t muck about”.

Toilets should only be used for their intended purposes and students need to make sure that they use their allocated toilet blocks as they are all specifically designed for particular age groups.

This has not been happening lately and some issues have been arising.

We need to ensure that food is not taken in to the toilets and that we do not play games in or around them.

As toilets are close to classrooms it is also important that students keep the noise to a minimum while inside.

Dear Parents/Carers

Regarding: Parent/Teacher Interviews

We have scheduled Parent/Teacher interviews to allow you to consult with the teachers of your son/daughter. This has been arranged from 11th July to 22nd July. On these days, as many teachers as possible will be available for interviews by appointment. Interviews will be conducted in your child’s classroom and are of 15 minutes duration.

To co-ordinate the interviews we have employed an online booking system to assist parents in securing their preferred interview times. The procedure is as follows:

- If you wish to see any of your child’s teachers, you need to secure an appointment time using this system. If you do not have access to the internet your local library may be able to help, or alternatively you can call the school office.
- The booking system will only be accessible from 13th June through to 8th July. No interview requests will be accepted outside of these times.
- In your web browser type in the following website https://sobs.com.au/pt/parent.php?schoolid=924. Please note – you will not be able to access the link until the 13th June.

If you require a longer interview time, please email the teacher directly. Helpful information is located at the bottom of this letter.

How to book your Parent/Teacher interviews

**NOTE:** Information entered into this booking system is outside of the school’s network and therefore under the privacy information policy of the website sobs.com.au – their policy states that they will not disclose this information to any other party, and nor will the information be used for any other purpose than managing these interviews.

1. Visit the following website
2. Type in your email address
3. Enter your name and contact details
4. Enter your child’s full name and select year level from the drop down menu
book or change your interviews

6. Select all teachers you require interviews with by ticking the boxes

7. Scroll and select available slots with each staff member. The green slots are available. Gray slots are unavailable. As you click a green slot it will turn pink and your child's name will appear in that time. You will only be able to book once with each teacher, and only once in each time slot. Ideally you want to select interview slots that are chronological so that you can move from one interview to the next without having to walk around. Once you have selected your interview slots click the 'Save' button.

If you change your mind click the pink slot and it will revert to green allowing you to choose a different time slot.

8. Once saved you will have the option of emailing or printing your interview booking times. If you select the email option the schedule is sent to the email address you initially entered.

If your child’s name already appears in this list, check the year level and adjust this as necessary by clicking the arrows.
