Dear parents, students and community members,

Parent – Teacher Meetings

Parent – Teacher Meetings are offered to parents this week and next week. All parents were sent a letter of invitation via your child last week. Parent teacher meetings are held in students’ classrooms, however some year levels are meeting as one whole group to begin with. Please check your letter. The meetings will be of a maximum 1 hour’s duration. The meetings will be held as follows:

**Week 3**
- Mon 8th Feb - Year 1 - 5:30-6:30pm
- Tues 9th Feb - Year 3 - 5:30- 6:30pm  Year 6 – 6:30-7:30pm
- Wed 10th Feb - Year 4 - 5:30-6:30pm
- Thurs 11th Feb - Year 5 - 5:30- 6:30pm

**Week 4**
- Mon 15th Feb Year 2 - Monday 5:30- 6:30

Parent Teacher Meetings have been scheduled so that we avoid a situation where a parent has two meetings to attend at the same time.

At these meetings parents will meet their child’s teacher, learn about the class program, reporting and assessment, positive classroom behaviour management processes and expectations, homework expectations, extra-curricular activities planned, some school policies and how parents can help out. All parents are strongly encouraged to attend these meetings. They are integral in forming a supportive partnership between teachers and parents, to benefit our students.

I appreciate the additional time teachers are willing to devote to holding these meetings after school.

**Safety – School Car Parks**

The school car parks are for staff members only. These car parks take approx. 100 vehicles off the road daily to allow better access to parents to street parking and drop off zones.

Several parents have been entering the front and rear car parks to collect /drop off children. This creates a dangerous situation, with unauthorised vehicles on school property, moving when a period of the day when hundreds of students are exiting from gates and walking along footpaths.

A parent was witnessed departing the car park one afternoon, driving through the gate and across the footpath but through a large group of students – a very dangerous practice.

Police are aware of these concerns and regularly monitor our school traffic.

**Threatening Phone Calls**

A number of Qld schools have received threatening phone calls in the past week. In every instance the calls are taken seriously, with student and staff safety a prime priority.

Our school practiced an evacuation last Friday and has a plan in place, for such a situation.

Our immediate priority is to evacuate students and staff to a safe location. Once everyone is settled, police have arrived and depending on existing circumstances, an endeavour will be made to advise parents of the evacuation.

The main avenues for our school to communicate to parents is via the school app and by Facebook. See below on how you can download the school app onto your phone. Parents who are on Facebook can request to join in the usual way.
Home Reading
Students are being taught to read through their daily reading lessons. The instruction varies according to the students’ level of development. The focus may range from letter/word recognition in simple texts, to comprehension of challenging texts. Regardless of a student’s level of development, all students benefit greatly from regularly reading at home. This time at home should be supported by parents.
Some students, usually the early years, will need a parent to sit with them and support the students through the text, using context clues, reading back over the text to ensure appropriate meaning and simple questions to ensure full understanding of what is read.
As students become more able readers, they may be able to read relatively independently. In such cases, parents should be aware of what is being read and ask questions about the text to support full understanding of the text.
Home reading should never be a “pressure” situation. Establishing a suitable time and expectation about how home reading happens at your place, assist it to become part of your daily routine.
Please discuss home reading with your teacher if you are experiencing difficulties.
Home reading provides valuable practice for our students to read, consolidating their development and sharing their achievement positively with their parents.

Calling for volunteers - We need your help!

The Commonwealth Bank School Banking program includes an exciting Rewards Program designed to encourage children to get into the habit of making regular savings.

Every time students make a deposit at school they receive a Dollarmites token in recognition of their regular savings. Once they have saved 10 tokens they can be redeemed for a range of exciting reward items. Students will have lots of fun saving their tokens and collecting the 2016 Rewards.

Our current School Banking Coordinator is looking for assistance to ensure we can continue to offer School Banking every week. Helping out with School Banking takes a small amount of your time one day/week and is a great way to meet other parents. Banking is processed on **Wednesday at 9am in the staffroom**.

Your help with the program will greatly benefit students as they learn to save regularly - an important habit that will benefit them into the future. School Banking is an important part of our School fundraising and allows us to purchase additional resources for the children. Teach your child to save and help our school.

Please indicate your interest in volunteering for this great program by filling in the tear off section below and returning it to the office, or coming to the staffroom on Wednesday morning. A little help from several parents is all it will take to ensure School Banking is a success at our School.

School Banking Day Reminder.

Don’t forget that Wednesday is School Banking day and students should bring in their weekly deposit.

For every deposit made at school, no matter how big or small, students will receive a cool Dollarmites token. Once students have individually collected 10 tokens they can redeem them for an exclusive School Banking reward item in recognition of their continued savings behaviour.

Remember our school earns 5% commission on every deposit made (to a maximum of $10 per individual deposit). Thank you for supporting the School Banking program at Yugumbir.
EXCITING NEWS

School Banking

This year, for the first time parents have a choice as to who they wish to have their child bank with. Starting this year we will have two banks, the Bendigo Bank and the Commonwealth Bank providing student banking.

We have had a long and successful partnership with the Commonwealth Bank of which we are very pleased and will continue, but as a strong supporter of our school, in particular the Horticultural Program, we thought it only fair that we allow them also the opportunity to provide banking for our students.

Both banks will provide deposit books and incentives for children to bank with them but it is yours, the parent’s choice, as to which bank you wish to have as your child’s bank.

Banking days will remain on Wednesdays, with deposit books being collected in the classroom and sent down to be processed. As in past years we are always looking for volunteers who can assist with banking. So, if you can spare an hour or two on Wednesdays mornings, the more hands make the work lighter.

SCHOOL BANKING SIGN ON:

WEDNESDAY 10th February
8.15am & 2.15pm (in the Prep undercover area)

EXCITING CROSS COUNTRY PROGRAM
MARCH - JULY 2016

Queensland Running’s 2016 Cross Country season commences on Saturday 5 March at Teralba Park, Mitchelton. The season runs from March through to the end of July and is of great assistance to all students in preparing for the school, district and regional cross country competitions.

Our competition includes distances ranging from 500/800 metres (alternating each week), 1000, 1500, 2000, 3000, 4000, 5000, 6000 and 8000 metres. The 3000 and 5000 metre distances are run together as are the 4000, 6000 and 8000 metre events. In these races, runners can complete the lesser or greater of the of distances, depending on their comfort zone.

The runs are conducted at various parks in and around Brisbane, including Chermside, Toowong, Pine Rivers, Sandgate and Yeronga, to name a few.

For those unable to run, but still wishing to participate, a 500 metre non-competitive walk is programmed each week. Take your pram or dog for a wander through one of these beautiful parks. It is a popular event for families and best of all, it is free!

We have very reasonable rates to run and they include as many events as you would like to run over the afternoon. 10 years and under run for $3.00 for the afternoon. $4.00 for 11 to 17 years and adults pay $5.00. If you register for the season for the cost of $12.00, your runs cost $1 less each afternoon and you run your first day for free.

We also have family registrations or individual runners can pay up front for the season. It is a great family afternoon where mums and dads can run with their children. If you have any enquiries, please check out our website: www.queenslandrunning.com.au or call 0418 113 377.
