Dear Parents, Carers and Students

Welcome to our second edition of the school newsletter. The most satisfying thing for me, in working in a school, is that every new year begins with great anticipation and excitement. Students return to school full of passion and energy. They look forward to seeing their friends, greeting new children to the school and preparing for new learnings. Thank you to parents and caregivers for your efforts in ensuring your children are well prepared for the school year. All children seem happy, focused and ready to begin 2015. Together with our staff, I look forward to another extremely productive year of growth and learning.

Our teaching staff for 2015 is as follows:

NEW SCHOOL RESOURCE SCHEME 2015 (SRS)

All families are strongly encouraged to support the annual $50.00 Resource Scheme.

The completed and signed Participation Agreement Form should be returned to the school by Friday 27TH February 2015 to indicate participation or non-participation in the Student Resource Scheme.

If full payment is made before 27 February 2015 parents will receive a $5 discount per student.

eg. A family of 3 students will show as follows:

Amount Invoiced – 3 students at $50 each $150
Less discount 3 students at $5 each $15
Total Payable $135

The School Resource Scheme includes the provision of:

- Subsidised dance lessons (10) by Footsteps Dance Company in Term 2
- Reproduced class materials which complement and/or substitute textbooks
- Online subscriptions (Reading Eggs and Ideal Resources)
- Photocopying costs (classroom materials and workbooks only)
- Materials for key learning areas where the instruction is extended through providing practical learning experiences in excess of materials provided by our school grants

Children of parents who choose not to participate in the School Resource Scheme will not be provided with any of the resources above or access to online subscriptions.

School Banking

Student Banking has now recommenced. Great new theme of outer space and a wonderful competition for one banker to win a family trip to Disneyland (have to deposit 25 times this year to go in the draw).

New Accounts can be organised at School on Thursday 12th February 2pm-3pm. (See attached flyer for more details).

Book Orders

You can order your school books online at www.edsco.com.au or phone 3350 2677. You may contact Edsco directly anytime throughout the year for orders.

Curriculum News

Welcome back to an exciting year and it is great to see lots of reading and activities happening in classrooms, and students using their reading strategies. As students are beginning to bring home their home readers over the next few weeks, we will revisit reading strategies before, during and after reading to do with your child at home.

Before Reading Strategy - Activating Prior Knowledge

Before reading a text with your child, have them activate their prior knowledge. When looking at the cover discuss with them what they already know. For example have they experienced it, read about it, seen it on TV or at the movies. Activating prior knowledge helps a reader to understand the text by make personal connections and bringing their own knowledge and experiences to their reading. (Sheena Cameron- Reading Strategies)

Happy reading!

STRIVE - Structured Tier Two Robust Instruction of Vocabulary Experiences

This year a big focus in all classrooms is to continue to expand students’ vocabulary through the explicit teaching of words and their meanings, and by follow up activities where students can use their words. Each week I will share with you some of the words students are learning and examples of how they have used these words in their work.

For example some year levels are learning and using the words - demand, scorching, amble, enormous

School Photos

This year’s photos will be taken on the 17th, 18th and 19th February.

Envelopes have now been distributed.

Change of Lunch Hours

This year a decision was made by the School Leadership Team to reverse the School Lunch hours. This decision was not made lightly, but was made for educational reasons with the wellbeing of the students in mind. This year we are beginning a new Prep program, Prep Start. Under the previous lunch hours we would have been unable to fit the program within the hours available, thus causing problems with the continuity of the program and compromising the program as well as causing difficulties with the cost effectiveness.

The Afternoon Session, which is now one hour for the Lower School, is better suited to the learning needs and ages of this sector, especially at the start of the school year when students are adjusting to the return to school. It is anticipated that more productive learning times for all students may result.

District Swimming Carnival

Last week saw three of our students compete in the Greenbank District 10-12 years swimming Carnival.

They were Violet Baleinagasau, Aidan Kruck and Emily Weston. All students gained places in several of their events with Aidan and Violet qualifying to join the Greenbank District Swimming team to compete at the Metropolitan West Regional Carnival on the 25 February. Well done to our students.

Sports Houses 2015

We are currently working on ensuring that the house teams have even numbers. Students and parents will be notified of their team as soon as this process has been completed. Thank you for your patience in this matter.

Reading Eggs

Our school subscription for Reading Eggs and Reading Express ends on the 14th February 2015. Please ensure your children make good use of this access to Reading Eggs/Reading Express at home before it expires. Individual subscriptions can be purchased directly from 3P Learning at a cost of $79 per students for a 12 months subscription.

Music News

This year at Yugumbir, students in Year 3 and 4 will require a recorder for classroom music lessons. These instruments can be purchased from the tuckshop for $9, however at this present moment they are sold out and we are waiting for more stock to arrive. Students will be advised when purchasing can recommence.

Internet Banking

Please remember when paying school accounts via this option it is important that your Student’s ID Number as well as the Activity Code which are provided for each payment. This will enable office staff to identify the student and activity. If you require your child’s ID Number please contact the office.

Current Activity Codes:
- Student Resource Scheme: SRS2015
- Instrumental Music Levy: MUSIC2015
- Year 4 Swimming: SWIM2015
- Year 6 Camp: SOMERSET2015

**Are you a parent of a child with type 1 diabetes?**

Every day, thousands of Australian children suffer the effects of type 1 diabetes and families struggle with illness management and children’s behavioural and emotional adjustment.

Positive Parenting for Healthy Living is an adaptation of the successful Triple P- Positive Parenting Program offering practical ideas and support for parents of children with type 1 diabetes. This innovative group program is designed to help parents manage their child’s illness, assist children in coping with their illness and emotions, and prevent and manage difficult child behaviour.

Over the next few months and for a limited time only, parents of 2-10 year old children with type 1 diabetes are able to access Positive Parenting for Healthy Living Triple P as part of a University of Queensland research project. Parents will be able to attend the program free of charge, and will be asked to complete 2 sets of assessment measures (questionnaire and family observation) over a 6 month period, as part of the study. Contact Aditi Lohan on (07) 3346 7689 or email diabetes.healthyliving@uq.edu.au, or visit [https://exp.psy.uq.edu.au/t1diabetes](https://exp.psy.uq.edu.au/t1diabetes) for more information.
Late Arrivals and Early Departure
All Late Arrival and Early Departure slips will now be issued from the Student Window, outside the office.
Also, please notify your child’s class teacher, by note or in person, if you are collecting your child from school early.

When signing children out early please be aware you will need to provide identification if a staff member requests it, please ensure you have current ID with you at all times.

The resource scheme provides us with significant opportunities to refine explicit teaching strategies for all students and ensure we personalise the teaching and learning for every child. As we continue to embed the Australian Curriculum and make use of the “Curriculum into the Classroom” units of work developed by Education Queensland, we continue to develop year level and unit specific resources to meet the needs of all students including those with special needs and academic strengths. By inviting and encouraging parents to support an annual $50.00 Resource Scheme contribution we will be able to produce very explicit resources to align to the work being taught in each classroom. It will also provide you with clear savings to online subscriptions that our teachers use to consolidate your child’s learning.

The School Resource Scheme includes the provision of:

- Subsidised dance lessons (10) by Footsteps Dance Company in Term 2
- Reproduced class materials which complement and/or substitute textbooks
- Online subscriptions (Reading Eggs and Ideal Resources)
- Photocopying costs (classroom materials and workbooks only)
- Materials for key learning areas where the instruction is extended through providing practical learning experiences in excess of materials provided by our school grants

Children of parents who choose not to participate in the School Resource Scheme will not be provided with any of the resources above or access to online subscriptions.

The school will provide parents and caregivers with an invoice for the resource scheme payment.

**Payment**

☐ I agree to pay the Student Resource Scheme by the due date and I understand that any failure to make payment by this date may result in my child(ren) being excluded from extra-curricular activities. Access may be withheld even if the student is presenting payment specifically for the extra-curricular activity.

Messy Kids has started.
This is going to be fun and ... Messy, Very Messy!

Messy Kids is for preschool children 0-5 years of age who are under supervision of a parent or grandparent – we just provide the opportunity for them to play with messy stuff. Moms, dads or grandparents, come and have a chat while you look how your child play at their own pace and become really creative, experiencing many textures, shapes and colours.

They play with goo, coloured spaghetti, “snow”, water pistols, dress-ups, shredded paper and in water features. They can crawl in tunnels, do craft, paint with different things or just ride on a scooter. Actually, they can make it all they want... and we clean up the mess afterwards.

Place

FREE DENTAL CARE AVAILABLE NOW

Dear Parents of Children in Year 6 & 7’s
We would like to offer your children a dental appointment before they finish their primary school years, to ensure they have optimal oral health for high school.

Once they attend for this appointment we will register them with Metro South Oral Health, and recall them every year to ensure their oral health is maintained in High School.

Telephone 1300 300 850 to arrange an appointment at a public dental clinic near you.

A list of dental clinics that are currently open are listed on the back of this flyer. You can attend any clinic that is conveniently located near you.

Great state. Great opportunity.
