Monday 2:30 – 3:30pm
Wednesday 8:30 – 9:30am
Rules of the Week:

Expectation: Leave your eating area clean
Value: Cooperation & discipline

The Yugumbir School Wide Expectations are-

This week’s Positive Behaviour Lesson across the school is focusing on Leaving their eating area and school ground clean.

In this lesson students will discuss why we need to keep our area, school and the environment clean. Students will look at health issues, general tidiness and pride. They will look at easy ways to keep their surroundings clean and come up with ways to help other people do the right thing.

Principal’s Message

Dear Parents, Carers and Students

HELICOPTER PARENTS

It’s very difficult for parents to know the type of involvement they should have in their child’s schooling. My view is that, with the right mix of education and expectations, schools can help parents take a more supportive role in their children’s learning.

There are two extremes. On one end of the scale, some parents cause no problems, are never seen, and very rarely turn up to information sessions, key school events or parent interviews.

On the other end of the scale, there are parents who hover so closely and on many occasions inappropriately over the school and their children, intervene on their behalf, regularly disagreeing with school decisions and wanting to rescue their children.

What is the right balance?

One of our major goals at Yugumbir State School is to ensure our children become “Assessment Capable Learners”. The fundamental premise of this is that all children should be taught in ways that develop their capability to assess their own learning and set their own learning goals. It’s a way of making certain our children develop a sense of autonomy and take responsibility for their own learning.

We need to build children’s confidence so that they can persist through challenges and build resilience. It’s very important to allow children to struggle. Parents, and at times teachers, praise intelligence instead of effort. This can have negative outcomes according to Carol Dweck, a well-known expert in the area of growth mind-sets. She suggests that children who are praised for success may eventually see struggle as a weakness.

We need to model to children that it’s OK to fail. Children have to work through challenges with guidance and support. Rescuing them will weaken their ability to be an independent, successful learner. When we over-help our children, we make them feel they can’t do it on their own. It contributes to their feelings of incompetence.

There is nothing wrong with wanting to protect your children or advocating for them. As I stated at the start, as parents, there needs to be a healthy balance between under-involvement and over-involvement. This is not easy. It’s a fundamental challenge for us as parents to gradually release responsibility to our kids and let go of our own control.
There are three ways where parents can best support their children’s education at our school:

1. Make sure they attend school every day
2. Work collaboratively with their child’s class teacher when academic or behaviour issues arise
3. Set high expectations.

EVERY DAY COUNTS
We are into Week 7 of Term 1. Parents and carers are reminded of the importance of children attending school every day. Congratulations to Year 5 (95.9%) and Year 3 (95.5%) for currently meeting our school target of 95%. Thank you for your wonderful support around this.

Our whole school current attendance rate is as follows:

<table>
<thead>
<tr>
<th>Attendance Rate</th>
<th>Proportion of Students at Attendance Category (%)</th>
</tr>
</thead>
<tbody>
<tr>
<td>%</td>
<td>&lt; 85%</td>
</tr>
<tr>
<td>94.8</td>
<td>7.3</td>
</tr>
</tbody>
</table>

If you are aware your child is going to be absent in advance, you can email the school on absent@yugumbirss.eq.edu.au

Tony Maksoud
Principal

96five Family Show
96 five Family Show is coming to Yugumbir State School on Wednesday 11 March from 6am. Come see the 96five Family Show with Liam, Robbie and Romeo the Radio Dog as they take their breakfast show on the road with the Family Show School Excursion to our school! They’ll be broadcasting live from 6am-9am and there’ll be loads of other fun family activities including a jumping castle, sporting games, freebies and of course a coffee cart for the parents!

Please assemble all children to the oval before school where their teachers will be waiting to meet them by 8:40am.

We are also launching the Buddy Bear Program and would like the school to be a “Sea” of purple. Hope to see lots of people here. Unfortunately the Channel 7 helicopter is no longer able to come.

DON'T FORGET TO WEAR PURPLE!!!
Yugumbir State School is proud to be part of the Better Buddies program. Better Buddies is an initiative designed to create a friendly and caring school community where bullying is reduced.

Better Buddies aims to reduce bullying behaviour through the development of empathy, pro-social values and positive pro-social relationships between children of different ages.

Through Better Buddies, children in their first year (Prep) and last year (Year 6) of primary school buddy up and learn the values: caring for others, friendliness, respect, valuing difference, including others and responsibility. All children in the school learn these values through formal and informal activities, including their interactions with the Better Buddies mascot Buddy Bear. Buddy Bear is a purple teddy bear who conveys the message ‘I’m special because I care about others’. Better Buddies enables younger children to feel safe and cared for while older children feel valued and respected. By having the
Buddy Systems in our school, it will help foster a friendly and caring environment.

**Bikes for Sale**

We currently have some bikes for sale. The bikes were previously used for the school bike program.

Bikes currently available:
- 2 x girls bike
- 1 x boys bike modified with large training wheels
- 1 x ladies bike

If you are interested please see Chaplain Carlos to make an offer, also if you have any bikes in repairable condition that you would like to donate I would love take them off your hands.

All proceeds go to the school’s care services. Chaplain Carlos.

**DISTRICT TRIAL SELECTION**

Over the past fortnight we have had a lot of selection trials for District team sports.

These are the successful students:

**AFL**
- Luke Bossons
- Seth Rowe
- Luke Pierpoint

**Basketball:**
- Mario Susnjar
- Joshua Black
- Ashleigh Doyle
- Kyarlah Aiga
- Shekinah Alefaio

**Netball**
- Lillyanna Rennie
- Madison Tuigamala
- 12yr Samara Moses
- Taneika Alley
- Rylee Berg

**Rugby League**
- 11yr Seth Rowe
- Luke Bossons
- 12yr Rieley Halasz

All the best at the Metropolitan West Carnivals!

---

**Hamilton Island Raffle**

We would like to thank those families that have taken up the opportunity to sell books of raffle tickets. Those families who have not yet taken up this great opportunity to win these great prizes, you can either get your book of tickets from the office or return your note to your child’s classroom teacher. We encourage as many families as possible to get involved as every student in every class will benefit from the money raised.

First prize is a 5 night trip to Hamilton Island staying in a 4 star resort with $1500 in Virgin Australia vouchers included.

Second prize is a $400 Shell petrol voucher, and Third prize is a $200 Coles/Myer voucher.

If more tickets are required please see the class teacher, Mr Want or the office.

**SCHOOL RESOURCE SCHEME 2015 (SRS)**

All families are strongly encouraged to support the annual $50.00 Resource Scheme.

The completed and signed Participation Agreement Form should be returned to indicate participation or non-participation in the Student Resource Scheme as soon as possible.

The School Resource Scheme includes the provision of:

- Subsidised dance lessons (10) by Footsteps Dance Company in Term 2
- Reproduced class materials which complement and/or substitute textbooks
- Online subscriptions (Reading Eggs and Ideal Resources)
- Photocopying costs (classroom materials and workbooks only)
- Materials for key learning areas where the instruction is extended through providing practical learning experiences in excess of materials provided by our school grants

Children of parents who choose not to participate in the School Resource Scheme will not be provided with any of the resources above or access to online subscriptions.
It has been of great concern to see that an ever increasing number of students have been dropped off at School well before 8 am.

8.30 am is actually the recommended ideal time for students to arrive at school unless they need to be here earlier for a specific reason eg; Booster Classes, Band Practice, Sport Training etc.

Our new policy will be that any students arriving prior to 8.15 will be required to make their way directly to the Main Under Cover Area, outside the Tuckshop. It would be great if the students had a book to read so that they could be occupied whilst waiting.

At 8.15 the Office Staff will make an announcement to allow the children to move quietly to their class area to wait for the school day to commence. Children should remain quietly with the vicinity of their own classroom until the first bell rings.

**NO** students are to play on ANY Adventure Playground before School.

PCYC operates Before and After School Care from our School Hall for students who require care. PCYC can be contacted on 0427 755 364 or you are welcome to call in to discuss care with the available staff.

We are seeking your co-operation in this matter to ensure maximum safety for all of our students before school.

**Uniform Shop Times:**

- **Monday** 2:30pm – 3:30pm
- **Wednesday** 8:30am – 9:30am

Please note the Uniform Shop will close at 9am on **Wednesday, 18th March**.

Sorry for any inconvenience.

---

**Postcards**

Postcards have been posted to the following students as recognition of their great choices and/or behaviours.

Well Done!!

They train on Tuesday nights 5.15 - 6.30pm and game day is Saturday 8 - 11.45am in a 30 over competition where everyone bats, bowls and has lots of fun.
This week’s Reading Strategy Focus is **Summarising**.
Summarising is when a reader extracts the most important points from a text and retells them in his or her own words using key words or phrases. It requires readers to determine what is important in what they are reading, condense this information, and put it into their own words.

Helpful prompts to help readers summarise are:
- The most important ideas in the text are...
- In this paragraph the main idea is that ...
- In this section the main idea is that ...
- In this chapter the main idea is that ...
- This book was about ...
- This is mostly about ...

When readers summarise they locate the most important parts of the text, and retell it their own words in a shorter version.

**STRIVE- Structured Tier Two Robust Instruction of Vocabulary Experiences**

These are the 10 steps that teachers work through with their class when learning a new word:

<table>
<thead>
<tr>
<th>Step</th>
<th>Explanation</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. TEXT</td>
<td>Teacher reads the text to the students</td>
</tr>
<tr>
<td>2. CONTEXT</td>
<td>Teacher contextualises the word within the text/activity</td>
</tr>
<tr>
<td>3. REPEAT</td>
<td>Ask the student to repeat the target word</td>
</tr>
<tr>
<td>4. FRIENDLY DEFINITION</td>
<td>Teacher provides a student friendly definition</td>
</tr>
<tr>
<td>5. ACTION</td>
<td>Teachers and students create an action for the word</td>
</tr>
<tr>
<td>6. TEACHER EXAMPLES</td>
<td>Teacher provides examples in contexts other than the one in the text/activity.</td>
</tr>
<tr>
<td>7. REPEAT</td>
<td>Students repeat the word</td>
</tr>
<tr>
<td>8. INTERACTION</td>
<td>Teacher creates an activity where the students interact with the word (E.g., example/non-example)</td>
</tr>
<tr>
<td>9. STUDENT EXAMPLES</td>
<td>Students provide some of their own examples</td>
</tr>
<tr>
<td>10. REPEAT</td>
<td>Teacher says the student friendly definition and the students say the word again.</td>
</tr>
</tbody>
</table>

This term 1SS have been learning the meanings of these words in their classroom:

1SS are using these words when they are speaking and in their writing. Well done 1SS!

1SG and 1NP have also been learning the word **outstanding** and have been doing outstanding Science and Technology learning about animal habitats. They have created a bat habitat in their classroom with a spooky bat cave hanging down from the rafters. Outstanding learning 1SG and 1NP!
**Reading Eggs**
The school has purchased Reading Eggs this year for all classes. Please contact your student’s teacher if you require log on details for your child.

Happy reading everyone and don’t forget to activate your prior knowledge and make a prediction before you read. As you read, try to make connections to what you are reading, and clarify any words that don’t make sense. After you read summarise your reading by talking about what the text was about.

Jackie Sharman  
(Head of Curriculum)

**‘Prepped for Success’ – Playgroup Program**

We are excited to announce that we will be offering Playgroup, as part of our ‘Prepped for Success’ program. Playgroup will run for two hours every Wednesday morning, between 9.00am – 11.00pm.

This program has been made possible through the support of Logan City Council, who has provided us with a grant to assist with our Playgroup & upcoming cooking program.

All ‘Prepped for Success’ programs will run from our School Readiness Hub, situated in Modular 1, except for our cooking program which will be held in the School Hall.

We are hoping to have Playgroup up and running by mid Term. At present we are in the process of setting up a safe and well-resourced play and learning space for your child.

Please email Alison Kingdom, aking293@eq.edu.au to enrol your child for Playgroup. **Playgroup is available to all pre-school aged children.**

This program is supported by Logan City Council’s Community Services Grant Initiative.
A Yugumbir State School chaplaincy care service fundraiser will be held in conjunction with Harmony Day on the 19th of March, order forms will be sent out by Thursday this week however please find a copy attached below just in case you wanted to get in early.

From Chaplain Carlos

_________________________ 

HARMONY DAY FUNDRAISER (ORDER FORM)

Harmony Day will be held on Thursday 19th March. Students will be able to order a plain hot cross bun and a Pop Top Juice or Small Water for $3. Simply fill out and return completed order form and $3 inside a zip lock bag to the TUCKSHOP by Thursday 12th of March. Students will receive orders during their first break on the day.

Student Name:__________________________________________  Class:________________

Commonwealth Bank

Calling for Parent Volunteers to help with School Banking!

We are SEEKING PARENT HELPERS, to help out as School Banking Coordinators at our school. School Banking deposits are counted on Wednesday morning from 9am in staff room. We would like to have a group of 4-6 Coordinators to so that we can complete all banking by 10.30am before teachers need the room for lunch breaks.

Parents or Grandparents willing to help out once a week counting children’s deposit should complete their details below and return to the Office ASAP. Please feel free to visit us any Wednesday morning from 9am. Ask at the office for directions to School Banking.

Please indicate your interest in volunteering for this role on the form below and return to the Office ASAP.

Yes, I would like to help with School Banking!

For [ ] an amount of $__________

**Name of Cardholder as it appears on the card:**

**Signature of Cardholder:**

The resource scheme provides us with significant opportunities to refine explicit teaching strategies for all students and ensure we personalise the teaching and learning for every child. As we continue to embed the Australian Curriculum and make use of the “Curriculum into the Classroom” units of work developed by Education Queensland, we continue to develop year level and unit specific resources to meet the needs of all students including those with special needs and academic strengths. By inviting and encouraging parents to support an annual $50.00 Resource Scheme contribution we will be able to produce very explicit resources to align to the work being taught in each classroom. It will also provide you with clear savings to online subscriptions that our teachers use to consolidate your child’s learning.

The School Resource Scheme includes the provision of:

- Subsidised dance lessons (10) by Footsteps Dance Company in Term 2
- Reproduced class materials which complement and/or substitute textbooks
- Online subscriptions *(Reading Eggs and Ideal Resources)*
- Photocopying costs (classroom materials and workbooks only)
- Materials for key learning areas where the instruction is extended through providing practical learning experiences in excess of materials provided by our school grants

Children of parents who choose not to participate in the School Resource Scheme will not be provided with any of the resources above or access to online subscriptions.

The school will provide parents and caregivers with an invoice for the resource scheme payment.

### Payment

- [ ] I agree to pay the Student Resource Scheme by the due date and I understand that any failure to make payment by this date may result in my child(ren) being excluded from extra-curricular activities. Access may be withheld even if the student is presenting payment specifically for the extra-curricular activity.
