**PRINCIPAL’S MESSAGE**

Dear Parents, Students and Community Members,

**Mothers’ Day**

Hopefully, all mothers and carers enjoyed your special day on Sunday. The role of parenting has never been more critical than it is now in modern times.

I also hope that our Mums enjoyed the small gifts purchased at the school Mothers’ Day stall. The variety of gifts was very impressive and regardless of the gift, the real value is in the sentiments, love and care that come with the gift.

Through my contact with parents, I have come to acknowledge the busy lives some mothers lead, juggling the running of the home, looking after children and often working as well. I hope your day was special!

Further, I would like to congratulate the P&C for the very successful stall held last Thursday and Friday. The variety of gifts was attractively presented and service was always with a smile. Our students enjoyed the experience.

Thanks to every parent who assisted with the stall. Well done Yugumbir!

**Front Sign**

A new sign has been erected at the front of the school. The new sign replaces a well-worn sign that has been in place for some years. Further work will be undertaken to improve the surrounds of the front gate area, to result in an attractive front entry to the school.

**Unwanted Visitors**

Last week, one of our Year 3 classes was seriously affected by some intruders to the school in out of school hours.

The Year 3 class was growing gerberas in readiness for Mothers’ Day, with each child looking forward to taking their gerbera home for Mum. Sadly, every gerbera was stolen from the Year 3 garden last Thursday night. This has upset our students immensely.

In recent weeks, our school has been the recipient of several incidents where teenagers or people not connected to the school, have trespassed onto school grounds out of hours, causing damage. This is very disappointing. Police and the State Government Security Service are aware of this issue and will patrol more regularly.

Parents and community members are encouraged to keep a close eye on the school and report any suspicious activity to the police or the State Government Security Service on 131788.

**Naplan**

The Naplan testing program for Year 3 and 5, is being conducted this week, on Tuesday, Wednesday and Thursday. Friday will be used for catch-up tests for students who were unavoidably absent.

We want our students to do well in these tests, however there is no pressure on students. Preparation has basically been relying on good teaching and learning in the regular class program.

Parents can assist to help students through this process by ensuring a good night’s sleep, arriving at school on time and not “talking up” the importance of the tests. We are very happy for students to simply do their best, as they would on a daily basis.

We are endeavouring to keep this week as similar to usual routine as we can.

The Spirit of Anzac Centenary Experience
The Spirit of Anzac Centenary Experience is a travelling exhibition that tells the story of Australia’s involvement in the First World War, and the ensuing Century of Service of Australia’s armed forces in all wars, conflicts and peacekeeping operations in which Australia has been involved.

An important feature of the experience will be the curated ‘local stories’ zone. These zones will be created with the local communities and will contribute a legacy for each region. The Spirit of Anzac Centenary Experience is the flagship community event of the Australian Government’s Anzac Centenary national program.

The exhibition will travel to major cities and regional hubs across Australia, giving a large proportion of the population a chance to engage in the story, contribute to the journey and take something away from the experience.

The exhibition will be in Brisbane at the Convention Centre in June.

Mr Wills has been successful in gaining a grant of $2000 to cover the cost of buses, for our Year 6 students to attend. This will be an exceptional opportunity which students will enjoy immensely.

Information about this excursion will be forthcoming as soon as possible. The news of the grant was only received yesterday. For more information, this link will be useful http://www.anzaccentenary.gov.au/events/spirit-anzac-centenary-experience

Oral Language Activities
Variety of exposure to a range of situations when language can be applied, provides great opportunities to introduce and practice new words and relationships between words. We continue our series of ideas, below….

**Good idea 12**
Get into the habit of saying out loud what you or your child are doing in the kitchen e.g., ‘I’m cutting the vegetables for the soup’, ‘I’m grating the cheese for the pizza’, ‘I’m washing the dishes to make them clean’ etc.

**Good Idea 13**
Involve your child in hanging out the clothes. Give them directions of increasing complexity eg. ‘Give mummy the socks’, ‘Pass me the red socks’, ‘Pass me the yellow towel and three pegs’

**Good Idea 14**
In the bathroom talk about opposite concepts that are demonstrated when we have a bath.
- ‘Dry-Wet’ – talk about how before we get in the bath we are dry. Then when you get in the water you are wet. How do you feel after you use your towel?
- ‘Hot-Cold’ – talk about the different taps in the bathroom. The cold tap typically has a blue dot and the hot tap has a red. Explain why you shouldn’t touch the hot tap. Show the child that you have to use both hot and cold water to make the bath just right.
