**Rule of the Week:**
*The rule of the week: “Keep your hands, feet and body to yourself”.*

It is important that every student at school can feel happy and safe at Yugumbir. By keeping our hands, feet and body to ourselves we are being safe and showing respect for others. We understand that situations arise that makes us angry, however it is important that we learn skills to deal with our problems in a positive way.

**PRINCIPAL’S MESSAGE**

Dear Parents, Students and Community Members,

Welcome to the new term. I hope all families enjoyed the holidays, the weather and the change to usual routine. This week, we begin a new term. Again it will be a busy term, with parent-teacher interviews, school opinion surveys, receipt of Naplan results and camps, to name a few activities.

However, it is important to recognise that the real powerhouse of our school in achieving our aim of maximising the learning of every student, is the teaching and learning that occurs on a daily basis in every classroom, every day. This must be highly valued by us all. Therefore, it is vital that students attend every day and that they are at school on time, ready to learn, each morning. Currently, our attendance level is at 93.6%, which is quite good, but we are yet to break through to achieve 95% which is our goal.

The partnerships that are in place between parents and teachers are highly positive and build a supportive network around each of our students to support their learning and their personal growth. These partnerships are mutually beneficial to both teachers and to parents. I encourage everyone in our community to continue to work together, to support all students.

**School Opinion Surveys**

Each year, Education Qld conducts School Opinion Surveys. This process involves surveys of a selected random sample of 60 x Year 5 students and 60 x Year 6 students, all staff and one parent per family.

Students will be withdrawn from class to complete this survey in the next two weeks.

Letters with details about how parents can participate (website and access codes), were issued via “the youngest in the family” on the first day of the new term. Parents are strongly encouraged to complete the survey. The School Opinion Survey is used to measure the level of satisfaction with important aspects of our school. Later in the year, our school will receive a report outlining the results of the survey.

The results help us evaluate how well our school is going and to identify areas for development. The data that we receive is most useful when the maximum number of surveys is completed. Thank you, in advance, for your support.
School Annual Report 2015
The Yugumbir State School Annual Report for 2015 has been posted on the school website. All state schools in Qld are required to publish a report each year. This report outlines the school’s key initiatives and achievements as well as providing a snapshot summary of important data and information pertaining to the school for the previous academic year.
All in our community are encouraged to read this report, accessible on the school website.

Formal Fridays
Throughout Semester 2, we are introducing the concept of “Formal Fridays”. What this means is that students are encouraged to wear their formal uniform each Friday.
This promotion throughout Semester 2, will flow into a school expectation that every child has a formal uniform that must then be worn when attending whole school assemblies, excursions, school photos and special events. Throughout this Semester, we are encouraging “Formal Fridays” but in 2017, this will translate into a school expectation.
By informing parents in advance of this expectation in 2017, we are giving parents time to ensure that every child has at least one formal uniform – further, when purchasing new uniforms for 2017, this should be considered.
Students like their sports and house uniforms and we encourage them to continue to wear these uniforms on Mondays to Thursdays.
Year 6 students have their “leavers” shirt. It is fine for Year 6’s to wear these on Fridays.

Parents in School
Our school welcomes parents to come into the school for a variety of purposes. Some of these purposes may include speaking to staff, attending parades, sports days, Under 8’s days, assisting with school activities. The engagement of parents makes our school a richer place.
When parents are at school, there is a responsibility to work within the expectations of the school. Should any parent have an issue with a student, or their own child is having difficulty with another student, then this matter must be referred to a staff member, who will then deal with the matter or refer it to admin.
Parents must not take matters into their own hands and endeavour to address their child’s concern. This is a matter for a staff member to manage, in a fair, unbiased way.

High Expectations
Our school vision encapsulates Caring hearts – Inquiring Minds – Enriching Lives as our overall purpose. Yugumbir embraces its responsibility to strive to develop and produce students who are fully ready for secondary school and for later life - as learners generally, with respect to academic achievement and as positive, young members of the community.
The school strives to identify and reinforce keys aspects which will contribute towards our students’ futures:
- Development as a learner. Students must develop goals, learn skills and strategies to support their learning throughout primary school and beyond.
- Academic Achievement. Maximising the academic achievement of every student, in relation to his/her capability, is paramount as a base for continued learning and to support effective participation in a range of settings into the future.
- **Personal Development.** Developing social and interpersonal skills, the ability to problem solve, to work collaboratively with others and to enhance the personal resilience of students is central to students’ futures. These attributes support students to survive and thrive in a range of circumstances and situations to improve their capability to build better personal lives.

**High Expectations,** well supported through school processes and practices, are critical in raising standards and improving the future for every student. This term, there will be a focus on:

Embedding the foci from last term i.e.

- Using manners when speaking to others eg “please”, “thank you”, “excuse me”, “may I..”
- Addressing adults respectfully using their name.
- Students are to respect a process to help them settle at the beginning of each session, in readiness for learning eg lining up quietly, sitting quietly on the carpet, team meetings etc.

In addition for Term 3, there will be a new focus of enhanced responsibility in caring for our environment, with an emphasis on:
- Eliminating litter from our school grounds.
- Respecting garden areas, especially by walking around gardens.

Our students have a genuine right to be proud of their school environment at Yugumbir. It is acknowledged that there is much work to be done. However, these two focus areas are simple but necessary actions that our students can successfully adopt immediately.

Year 4-6 Athletics Carnival

The last day of school was the scene for the Year 4-6 Inter House Athletics Carnival. The weather held out for us to participate in a lively day of competition. Students wore their house colours with pride as they participated in a range of activities designed to involve all, no matter what their ability. House Captains presented the Houses with new and revamped war cries to help set the scene. Students marched on to the oval accompanied by the school band. At the end of the day through all the trials and smiles, Kingfishers were on top of the tally to take out the House shield. Congratulations to the spectators for coming out to support their students and the school. From this carnival children aged 10-12 years will be selected to participate at the Greenbank District Track and Field Carnival at dates yet to be confirmed.

The Age Champions are:

In Week 2 of this term our school will be trialling a new online whole school rewards system called VIVO. Using this system students will earn VIVO points for displaying positive and appropriate behaviour at school. When students achieve a chosen number of points they are then able to go online and select their own reward. We are very excited about this opportunity as it allows for students to be recognised regularly and allows you, as parents, to see why your children are receiving their praise and reward points. Student log-ins as well as some brief information will be coming home this week.

**HORTICULTURE**
**Pie Drive**

Notes and order forms for our pie drive have been handed out on Monday to the eldest in the family. All money raised will go towards continuing the beautification of our school grounds. Our next 3 projects are completing the remaining 3 gardens up the main walk way. We would like to thank all parents for their contributions as it is only with your help that our students are able to participate in these projects. All money and forms to be returned on the 26th of July. Pies will then be delivered to school for collection on the 4th of August.

If you require any extra forms, they can be collected from the office.

Yugumbir State School “Family Fun Day”
Celebrating 30 Years of Excellence!
Saturday 13th August 2016

About Our School
The name ‘Yugumbir’ (You-gum-beer) is an aboriginal word for the name of a district lingual division or tribe that had its territory as the basins of the Logan and Albert Rivers. The school opened in January 1986 with an enrolment of 166 in Years 1 to 7. We now have an enrolment of just over 1100 students from Prep to Year 6.

About Our Family Fun Day
Bringing together the community, we will be offering a full day of entertainment for everyone. For the kids, young and old, we have 10 major rides, jumping castles, an animal farm, sideshow alley and show bags to keep you amused for hours. Inside our hall you will find well known market stalls, offering handmade & new items of all sorts. To tempt your taste buds, we will also have a large selection of hot and cold food vans to choose from along with freshly brewed coffee and slushies. Last but not least, let’s not forget the car show in the car park.

What is Saver Plus?
Saver Plus is Australia’s largest and longest running matched savings and financial education program. The program is offered locally by community organisations in over 60 locations across Australia.

How does the program work?
Saver Plus participants are assigned a Saver Plus Worker at their local community organisation and open an ANZ Progress Saver account at their local ANZ branch, into which they make regular deposits. They attend MoneyMinded workshops to build their financial management skills and when they reach their savings goal after 10 months ANZ matches the amount, up to $500, for the purchase of the nominated educational item.

Who can join?
To be eligible, participants must:
- have a Centrelink Health Care or Pensioner Concession Card;
- be at least 18 years old;
- have some regular income from work (themselves or their partner) including casual, part-time, full-time or seasonal employment; and
- be a parent or guardian of a child at school or be attending or returning to vocational education themselves.

Since 2003, Saver Plus has supported more than 23,000 Australians to save.

ANZ has provided more than $10 million dollars in matched funds to participants across Australia since 2003.

Participants have saved more than $13.5 million dollars during the program.

How did the program start?
Saver Plus is an initiative of the Brotherhood of St Laurence and ANZ, delivered in partnership with Berry Street, The Benevolent Society and The Smith Family and other local community agencies.

The program is funded by ANZ and the Australian Government Department of Social Services.

What are the benefits of the program?
Independent research published by RMIT in 2015 found that of participants who completed the program:
- 87% continue to save the same amount or more up to 12 months post completion.
- 93% reported that achieving their goals increased their self-esteem.
- 84% are better equipped to deal with unexpected expenses.
- 84% encouraged family members, including children, to save.
