PRINCIPAL’S MESSAGE

Dear Parents, Students and Community Members,

I have visited all classrooms in these first few weeks and am very pleased with the general conduct of classrooms, the strong focus on teaching and learning and the manners and respect shown by students.

Our expectations of students in regard to their behaviour are very high. This is important from three perspectives:

- Every child has to learn appropriate manners, respect for others, to co-operate with others, an ability make responsible choices and to be accountable for his/her own actions. This is vital for students’ self-development and their capability to manage themselves successfully in the years ahead.

- Every student must learn strategies to manage his/her own conduct, to make positive choices and develop the skills of personal organisation, resilience and concentration such that he/she can focus on his/her own learning.

- Every student has a responsibility to participate positively in the class group, allowing teachers to do their job effectively and allowing other students to concentrate on their own learning. (refer to school guarantees)

Yugumbir SS has a positive approach towards supporting students’ behaviour. The management of students is proactive, positive, fair and considerate of age/development. Positive classroom management processes, well implemented by teachers, make it easier for all students to enjoy their classroom and focus on learning. In addition, the Positive Behaviour for Learning Program (PBL) is a strong program, supporting positive behaviour by students. The program involves training teachers, establishing clear rules and boundaries for students, lessons to assist students to develop understandings and skills, rewards and fair consequences for inappropriate behaviour.

The PBL team is led by Mr Want and includes diligent teachers from every year level across the school. The work of these staff members and the whole staff in supporting our students is highly commendable.

Sustaining high standards of behaviour by all students is a whole of community responsibility. Parents support when there are issues to manage is critically important for the student’s development, as is reinforcement of positive behaviour. In almost every case, parent support of the school’s stance makes a genuine difference.

**Investing for Success (I4S)**

In 2014 the Queensland Government commenced the Great Results Guarantee Program, a four-year initiative which directs funding provided by the Australian Government’s “Students First” initiative to Queensland state schools to improve student outcomes.

For 2016, this program has transitioned into the new “Investing for Success” (I4S) program.

Under the I4S initiative Yugumbir State School will receive $416,150 over the 2016 school year. The undertaking for 2016 is that our school will:
• Reduce the number of Prep students who are developmentally vulnerable.
• Increase the percentage of Year 3 & 5 students meeting National Minimum Standards - Reading to 95%.
• Embed and strengthen teacher capacity by developing their instructional knowledge and the skills through focused coaching, mentoring and the collaborative inquiry process.
• Increase the percentage of Year 3 students in the NAPLAN upper two bands in Reading (38%), Writing (50%) and Numeracy (28%).
• Increase the percentage of Year 5 students in the NAPLAN upper two bands in Reading (34%), Writing (20%) and Numeracy (20%).

Resources will be expended on the following strategies:
• Implement high quality evidence based oral language and early literacy practice (PrepStart) across the early years.
• Implement sustained instructional support by school leaders to improve pedagogy in numeracy and literacy.
• Implement high quality teaching through high expectations, explicit teaching and ongoing data collection cycles.
• Building strong collaborative capability through tailored coaching for teachers and teacher aides.
• Implement our “Prepped4Success” program to support young children transitioning into Prep.
• Consistently implement high yield teaching strategies to ensure maximum impact.

These resources will be used to:
• Implement an intervention model to support identified students and employ a Community Liaison Officer to support “Prepped4Success”.
• Employ a Speech Language Pathologist for two days per week to support teachers in delivering oral language in the early years
• Employ an additional support teacher, providing an additional coach of numeracy & literacy
• Build and extend teacher capacity in delivering high impact strategies by releasing teachers to facilitate the Professional Learning Team (PLT) process across the school.
• Deliver a professional learning program for teachers and teacher aides
• Employ additional administrative support to facilitate enhanced capability of school leaders to provide sustained instructional support to teachers.
• Employ differentiation teacher aides to assist with intervention of students in classrooms.

Our school offers a high standard of education to our students. It is anticipated that the rigorous program listed above will improve our achievement standards and long term school capability.

**Parent-Teacher Meetings**

Our thanks to those parents who attended the recent P-T Meetings. These meetings were organised such that parents could meet their child’s class teacher and be informed of classroom programs, expectations etc. Generally, a small group of parents attended each classroom teacher’s presentation, an indication that almost 300 parents attended. This is very positive, but for next year, we will strive to double this number of parents participating. Knowledge about your child’s achievement, the class program and having a relationship with his/her teacher empowers parents to contribute positively to each student’s learning.

**Badge Ceremony – School Leaders**

This Friday the 19th February we shall be our first whole school parade for 2016. This parade will focus on our Student Leaders with all our leaders being presented with their badges. Special guests on this day will be our Mayor Pam Parker and P&C representatives.

School Leaders have been through a nomination process, then presentation of speeches prior to being voted in by their fellow students.

Our Student Leaders are an important part of our school and we look forward to working with these responsible students who are undertaking these roles in 2016. It is paramount that everyone supports them in their endeavours.

Parents are invited to attend the special parade.

In next week’s newsletter we shall have a full run down of the parade written by our new school leaders.

Curriculum News

Welcome back! 2016 looks very exciting and busy. This year Yugumbir will be focussed on delivering robust literacy and numeracy programs.

**Literacy**

Students are already engaged in meaningful reading and writing lessons which focus on explicitly teaching skills and knowledge that enable students to become more independent readers and writers. Over the coming weeks, we will revisit some reading and writing strategies that you could work on with your child at home.

- **Reading** - Before Reading Strategy - Activating Prior Knowledge. Before reading a text with your child, have them activate their prior knowledge. When looking at the cover discuss with them what they already know. For example have they experienced it, read about it, seen it on TV or at the movies. Activating prior knowledge helps a reader to understand the text by make personal connections and bringing their own knowledge and experiences to their reading. (Sheena Cameron - Reading Strategies)

- **Writing** - STRIVE - Structured Tier Two Robust Instruction of Vocabulary Experiences. This year a big focus in all classrooms is to continue to expand students’ vocabulary through the explicit teaching of words and their meanings, and by exposing students to the vocabulary further through follow up activities. We would encourage you to ask your child their weekly Strive words and try and use them in your conversations together.

**Numeracy**

At Yugumbir, our Numeracy program is planned to develop student’s knowledge and understanding while encouraging them to apply the taught skills to solve problems and communicate their thinking. Students require a Nelson student textbook which will be used heavily throughout the year to develop these skills.

**STAY IN TOUCH WITH THE SCHOOL APP AND FACEBOOK**

The school App is great for sending quick messages to parents. An article in last week’s newsletter provided in-depth information about its benefits. All parents are strongly encouraged to have this App downloaded to their mobile phone. This App and Facebook will be the school's first choice of communication in the event of any emergency or quick announcements that need to be distributed.

To download the SCHOOL APP:

For apple customers – go to the iTunes store, then search Yugumbir. Then click on “get”. It’s free!

For android customers – go to google play, then search Yugumbir. Click on the app, then click “install”. It’s free!

To find us on FACEBOOK:

Type in Yugumbir State School in the search bar, then click the “like” button found on the photo banner.
Q Schools
Q Schools is a further mode of communication with the school. It has a broad range of functions as well as an ability to send messages out to parents. If you would like to receive an invitation, please contact the office.

Help and support for QParents
Online help resources for parents are available at https://qparents.qld.edu.au/#/help

Parents who are having issues should contact the Queensland Government Helpline 13 QGOV (13 74 68) in the first instance.

For those parents who have already registered we hope that you have found QParents to be a useful tool.

Please do not hesitate to contact our friendly office staff if you have any queries.

The Circus is in Town
The Moscow Circus will be performing in Waller Park from Wed 17th to Sun 28th Feb. Some fliers have been distributed to students – It remains a parent’s decision regarding attendance. The school has a number of free passes to issue. We have 2 x family passes, 2 x double passes and 44 x individual student passes which will be issued in 22 x 2 pass lots.

Find below a small task for students to complete to win a free pass.

Students are to print off (write out) the following poem and write words in the spaces to complete each line. Entries are to be placed in a box located at the administration window by Thursday 18th Feb at 3:15pm. Winning entries will be drawn and students will be informed early on Thursday morning. (hand written entries will be accepted). One entry per child only.

Calling for volunteers - We need your help!

The Commonwealth Bank School Banking program includes an exciting Rewards Program designed to encourage children to get into the habit of making regular savings.

Every time students make a deposit at school they receive a Dollarmites token in recognition of their regular savings. Once they have saved 10 tokens they can be redeemed for a range of exciting reward items. Students will have lots of fun saving their tokens and collecting the 2016 Rewards.

Our current School Banking Coordinator is looking for assistance to ensure we can continue to offer School Banking every week. Helping out with School Banking takes a small amount of your time one day/week and is a great way to meet other parents. Banking is processed on Wednesday at 9am in the staffroom.

Your help with the program will greatly benefit students as they learn to save regularly - an important habit that will benefit them into the future. School Banking is an important part of our School fundraising and allows us to purchase additional resources for the children. Teach your child to save and help our school.

Please indicate your interest in volunteering for this great program by filling in the tear off section below and returning it to the office, or coming to the staffroom on Wednesday morning. A little help from several parents is all it will take to ensure School Banking is a success at our School.

School Banking Day Reminder.

Don’t forget that Wednesday is School Banking day and students should bring in their weekly deposit.

For every deposit made at school, no matter how big or small, students will receive a cool Dollarmites token. Once students have individually collected 10 tokens they can redeem them for an exclusive School Banking reward item in recognition of their continued savings behaviour.

Remember our school earns 5% commission on every deposit made (to a maximum of $10 per individual deposit). Thank you for supporting the School Banking program at Yugumbir
SCHOOL BANKING

Last Wednesday saw the introduction of our new bank to our school banking program with both the Bendigo and commonwealth Banks having sign on days. They both shall be conducting 2 further sign on mornings on the 24th February and the 9th March in the Prep under cover area at 8.15 – 9.00 am.

Horticulture Program

We have a bust time ahead of us this year with lots of learning going on.

Our classes will begin planting up many gardens around the school in Week 6. Some students have all begun planting up their own small plants for Science and are now watching them grown.

Our goal this year is to create 3 more gardens along the main walkway area and replant a few of the older gardens around the school. To do this properly we need your help when we undertake our fundraising. It is these funds that allow us to create nice areas for the students.

We are also completing the bush tucker trail up the back of the school with another 300 plants and signage going in this term as a Year 4 Project.

In addition, our after school Horticulture Program, we will begin as soon as our concreting is completed up in the rear enclosure.

We have now welcomed 14 new baby chicks to our school and are being cared for by the students and staff in the SEP. These chickens will be replacing those already up in the coop as those chickens will be moving a new home on acreage with Mr Jamie.

We would also like to thank the following companies who have been wonderful partners to our school program:

LJ Hooker Brown Plains, Bendigo Bank Browns Plains, Total Water Supplies, Beenleigh Farm Supplies, Logan City Council and Fernlands Nursery Supplies

We would also like to thank Mr Jacobson, Damo and Mrs Kennedy who are always giving up their own time to help make our Program and school a better place to be.

Please help us by reminding your children to stay on the pathways and out of the gardens. It takes many people many hours to keep the plants healthy and the irrigation working. Your help in this matter is greatly appreciated.

Attendance Reward – Term 1

Each term we will be rewarding different groups of students for being at school, on time. In Term 1 we will be recognising all students who have an attendance rate of 95% and above. All students who fall into this category will receive their reward (which is still to be determined) on Wednesday of Week 9.

We encourage all students to be at school, on time, as every day counts.

The resource scheme provides us with significant opportunities to refine explicit teaching strategies for all students and ensure we personalise the teaching and learning for every child. As we continue to embed the Australian Curriculum and make use of the “Curriculum into the Classroom” units of work developed by Education Queensland, we continue to develop year level and unit specific resources to meet the needs of all students including those with special needs and academic strengths. By inviting and encouraging parents to support an annual $50.00 Resource Scheme contribution we will be able to produce very explicit resources to align to the work being taught in each classroom. It will also provide you with clear savings to online subscriptions that our teachers use to consolidate your child’s learning.

The School Resource Scheme includes the provision of:
- Subsidise the dance lessons (10) by Footsteps Dance Company in Term 2
- Reproduced class materials which complement and/or substitute textbooks
- Online subscriptions (*Reading Eggs and Ideal Resources*)
- Photocopying costs (classroom materials and workbooks only)
- Materials for key learning areas where the instruction is extended through providing practical learning experiences in excess of materials provided by our school grants

Children of parents who choose not to participate in the School Resource Scheme will not be provided with any of the resources above or access to online subscriptions.

The school will provide parents and caregivers with an invoice for the resource scheme payment.

#### Payment
- [ ] I agree to pay the Student Resource Scheme by the due date and I understand that any failure to make payment by this date may result in my child(ren) being excluded from extra-curricular activities. Access may be withheld even if the student is presenting payment specifically for the extra-curricular activity.

**St Bernardine’s Parish Sacramental Program**

**Sacramental Program**

An Information and enrolment session for the Sacrament of Confirmation will be held in St Bernardine’s Church on **Thursday 5th May 2016 at 7.00pm**.

It is essential that parents who intend to enrol their child/ren in the Sacramental Program will need to attend this session.

The Archdiocese of Brisbane has recently updated the Sacramental Policy (Christian Initiation for Children - Baptism, Confirmation, Penance and Holy Communion). Parishes will now offer a Program and celebrate the Sacrament of Confirmation when the child turns eight (Year 3). The following year the child will prepare for the Sacrament of Reconciliation (Penance) which will be included as part of the preparation and Celebration of his/her First Holy Communion.

You can pick up a copy of the Archdiocesan Sacramental Policy from the Parish Office or Access on the Parish website: www.stbernardinesparish.com.au

If you have any queries, please contact Jean in the Parish Office or email: pastoral.stbern@bne.catholic.net.au

Exciting Cross Country Program
March - July 2016

Queensland Running’s 2016 Cross Country season commences on Saturday 5 March at Ferntree Park, Mitchelton. The season runs from March through to the end of July and is of great assistance to all students in preparing for the school, district and regional cross country competitions.

Our competition includes distances ranging from 500/800 metres (alternating each week), 1000, 1500, 2000, 3000, 4000, 5000, 6000 and 8000 metres. The 3000 and 5000 metre distances are run together as are the 4000, 6000 and 8000 metre events. In these races, runners can complete the lesser or greater of the three distances, depending on their comfort zone.

The runs are conducted at various parks in and around Brisbane, including Chermside, Toowong, Pine Rivers, Sandgate and Yeronga, to name a few.

For those unable to run, but still wishing to participate, a 500 metre non-competitive walk is programmed each week. Take your pram or dog for a wander through one of these beautiful parks. It is a popular event for families and best of all, it is free!

We have very reasonable rates to run and they include as many events as you would like to run over the afternoon, 10 years and under run for $3.00 for the afternoon, $4.00 for 11 to 17 years and adults pay $5.00. If you register for the season for the cost of $12.00, your runs cost $1 less each afternoon and you run your first day for free.

We also have family registrations or individual runners can pay up front for the season. It is a great family afternoon where mums and dads can run with their children.

If you have any enquiries, please check out our website: www.queenslandrunning.com.au or call 0418 113 377.
