It is important to follow the rule “Get in, Get out, Don’t muck about” when you are in the toilet block. The toilets are not a place to play around as they carry many germs. You need to act sensibly and use the amenities correctly. Play your games outside in the playground and leave your food outside! Rieley Halazs 6CJ

P RINCIPAL’S MESSAGE

Dear Parent, Carers and Students

“Caring Hearts – Inquiring Minds – Enriching Lives”

Our school focus for 2015 is to ensure every child makes progress against our key priorities.

1. **Reading** (Improve their ability to comprehend and interpret text)
2. **Mathematics** (Improve their achievement in Number Concepts)
3. **PrepStart** (Initiative to support prep students’ early Literacies)
4. **Intervention** (Supporting students who are not progressing at year level standard or progressing beyond their year level standard)

We expect every child to attend school every day to guarantee they achieve their potential.

Our teachers and support staff have been engaging in many professional learning opportunities throughout the year, in particular, our instructional coaching practices. Our three instructional coaches and the Head of Curriculum have been supporting our teachers in adopting the following five components:

1. **Guaranteeing challenging, engaging, and intentional instruction**
   This will be achieved by:
   - Setting high expectations and delivering challenging instruction.
   - Fostering engaging learning environments and meaningful relationships with students.
   - Intentionally matching instructional strategies to learning goals (WALT) and making the success criteria (WILF) obvious. You will hear teachers and children talking about WALT (We Are Learning To…) and WILF (What I am Looking For…)

2. **Ensuring curricular pathways to success**
   This will be achieved by:
   - Guaranteeing all students a viable curriculum with aspirational targets.
   - Providing all students with personalised learning opportunities.
3. **Providing whole-child student supports**
   This will be achieved by:
   - Providing real-time support, especially in the early years.
   - Addressing the deep causes of student performance - prior knowledge, interest, motivation and self-discipline.

4. **Creating a high-performance school culture**
   This will be achieved by:
   - Raising the quality and reducing the variability among classrooms and teachers within the school.
   - Creating a school culture of high expectations for academic achievement (high impact strategies) and behaviour (Positive Behaviour for Learning - PBL)

5. **Developing data-driven, high-reliability school systems**
   This will be achieved by:
   - Setting clear, "no excuses" goals for teaching and learning.
   - Attending to the core business of schooling: great teachers and teaching.
   - Developing a healthy pre-occupation with prevention and intervention.

I am absolutely confident that embedding these five components into our school culture will build a strong, healthy, spirited school community where celebrating student success becomes the norm.

**RECOGNISE, REACT & REPORT**

*Bruce and Denise Morcombe will be visiting our school on Thursday 18th June at 9.00am. All parents are welcome.*

---

**EVERY DAY COUNTS**

Our current percentage for student attendance is as follows:

<table>
<thead>
<tr>
<th>Attendance Rate</th>
<th>Proportion of Students at Attendance Category (%)</th>
</tr>
</thead>
<tbody>
<tr>
<td>%</td>
<td>&lt; 85%</td>
</tr>
<tr>
<td>93.8</td>
<td>8.4</td>
</tr>
</tbody>
</table>

Our overall attendance is at 93.8%. **Remember our overall school target for attendance is 95%.**

The challenge at the moment is to reduce the <85% to 5%. This has been reduced by 1% over the last fortnight and it now sits on 8.4%. Well Done!

Please ensure you continue to notify the school if you child is absent. [absent@yugumbirss.eq.edu.au](mailto:absent@yugumbirss.eq.edu.au)

Chocolate Drive

The Chocolate Drive will be closing soon! Please ensure all money is returned to the office before the end of term. If you have not sold your chocolates, please return them to the office as soon as possible as there are many students still wanting to sell them.

Prizes are currently being handed out to students that have sold their box and returned their $50. We are finalising this fund raiser at the end of this term.

Movie tickets will be distributed in the last week of term to those students that have sold and returned money for five boxes. There are only a few boxes left so get in quick! Thank you for your co-operation.

Attendance Points

To help us achieve our target of 95%, each morning our teachers take a tally of the number of students from each sporting house who are at school on time. Students need to be on time as late arrivals are not eligible for a point for their house.

At the end of the term we will give the winning house some form of recognition which is still to be determined.

Encourage your children to be at school on time, every day!

For week 8, the leading class was Prep KD with an attendance rate of 100%. The leading house for students in class on time last week was the Kingfishers. Well done to all those in the Kingfishers and everyone who is making every day at school count.

This week’s Reading Strategy Focus is revisiting **inferring**. Inferring is when readers are able to read between the lines and work out what the author is trying to say without actually stating it. To a reader needs to use the clues in the text such as words used by author and the illustrations, and also their own prior knowledge to interpret what they think the author is trying to say.

Sentence starters to use when inferring are-
- I think the author is really saying ... because in the text it says...
- The author’s clues were...
  (Sheena Cameron 2009)
- I already know that ... so I think ...
- In my experience ...

Use your inferring strategy to answer these questions.

**STRIVE - Structured Tier Two Robust Instruction of Vocabulary Experiences**
This year 2/3KS have been learning the meanings of these words in their classroom.
They have been using this graphic organiser to discuss the meaning of their words.

**Reading Eggs**
The school has purchased Reading Eggs this year for all classes. Please contact your student’s teacher if you require log on details for your child.

Happy reading everyone and don’t forget to **activate your prior knowledge** and make a **prediction** before you read. As you read, try to make **connections** to what you are reading and **visualise** images. **Clarify** any words that don’t make sense. After you read **summarise** your reading by talking about what the text was about and always ask **questions** before, during and after your reading. Remember when answering **right there questions**, the answer is always right there in the text. **Think and search questions**, you have to put pieces of information together. **Author and me**, use your prior knowledge, experiences and clues in the text to help you answer. **On My Own answers**, think about your own opinion.

How secure is your vehicle?

Logan District Police would like to advise that there has been an increase in the number of cars being stolen and/or broken into within our district. Disturbingly, in a large number of cases the vehicles were not locked.

While Logan Police have implemented a number of strategies to reduce these offences, we need your help. There are a few simple things that you can do to reduce the likelihood of having your vehicle and/or valuables stolen.

Motorists are reminded to:

- Always lock your vehicle and remember to fully close the windows regardless of where you are parked and regardless of how long you are leaving your vehicle unattended.
- Wherever possible use off street parking or secure parking.
- Park your vehicle in well-lit and highly visible areas, e.g. near shopping centre entrances and high pedestrian traffic areas.
- Remove the keys from the ignition if your vehicle is parked or unattended - even if only for a minute.
- Don’t hide spare keys on or in the vehicle.
- Take your vehicle keys with you when you are going out, even if you are leaving your vehicle at home.
- Don’t leave your vehicle keys lying around on tables, benches, bedside tables or key hooks - keep them out of sight.
- When parking in your garage, ensure both the garage and vehicle are locked and the garage remote is secured.
- For older vehicles install an engine immobiliser that meets Australian Standards A4501:1999.
- Secure your vehicle registration plates, e.g. affix with one way screws.
- Remove, or place out of sight, all valuables and personal documents when leaving your car unattended.
- Please report any suspicious behaviour to your local police, policelink 131444 or contact Crimestoppers on 1800 333 000.

Supa Club

Supa Club is a new Christian based lunch program that will run every Wednesday @ 1:00 pm sharp. Supa Club will run from the Hall and is designed for students in years 4 - 6.

Supa Club is a great opportunity to hang out with friends, play cool games, win cool prizes, learn about an awesome God who loves you, watch some DVD’s, listen to some cool music, stories and that’s just this term.

This program is also a great way for you to develop communication, leadership and social skills as we encourage you to contribute your ideas and talents, as well as make opportunities to discuss topics that are relevant and important to you.

Mrs Contessi and Chaplain Carlos will be helping with the running of the program and we all look forward to seeing you.

This is a Christian based program and we will need you to return the permission slip below if you wish to participate.

Please see Chaplain Carlos or Mrs Contessi for more information.

STUDENT BANKING

Calling for volunteers - we need your help!

The Commonwealth Bank School Banking program includes an exciting Rewards Program designed to encourage children to get into the habit of making regular savings.

Every time students make a deposit at school they receive a Dollarmites token in recognition of their regular savings. Once they have saved 10 tokens they can be redeemed for a range of exciting reward items. Students will have lots of fun saving their tokens and collecting the 2015 Rewards.

Our current School Banking Coordinator is looking for assistance to ensure we can continue to offer School Banking every week. Helping out with School Banking takes a small amount of your time one day/week and is a great way to meet other parents. Banking is processed on Wednesday at 9am in the staffroom.

Your help with the program will greatly benefit students as they learn to save regularly - an important habit that will benefit them into the future. School Banking is an important part of our School fundraising and allows us to purchase additional resources for the children. Teach your child to save and help our school.

Please indicate your interest in volunteering for this great program by filling in the tear off section below and returning it to the office or coming to the staffroom on Wednesday morning. A little help from several parents is all it will take to ensure School Banking is a success at our School.

Yes, I would like to help with School Banking!

The resource scheme provides us with significant opportunities to refine explicit teaching strategies for all students and ensure we personalise the teaching and learning for every child. As we continue to embed the Australian Curriculum and make use of the “Curriculum into the Classroom” units of work developed by Education Queensland, we continue to develop year level and unit specific resources to meet the needs of all students including those with special needs and academic strengths. By inviting and encouraging parents to support an annual $50.00 Resource Scheme contribution we will be able to produce very explicit resources to align to the work being taught in each classroom. It will also provide you with clear savings to online subscriptions that our teachers use to consolidate your child’s learning.

The School Resource Scheme includes the provision of:

- Subsidised dance lessons (10) by Footsteps Dance Company in Term 2
- Reproduced class materials which complement and/or substitute textbooks
- Online subscriptions (*Reading Eggs and Ideal Resources*)
- Photocopying costs (classroom materials and workbooks only)
- Materials for key learning areas where the instruction is extended through providing practical learning experiences in excess of materials provided by our school grants

Children of parents who choose not to participate in the School Resource Scheme will not be provided with any of the resources above or access to online subscriptions.

The school will provide parents and caregivers with an invoice for the resource scheme payment.

**Payment**

☐ I agree to pay the Student Resource Scheme by the due date and I understand that any failure to make payment by this date may result in my child(ren) being excluded from extra-curricular activities. Access may be withheld even if the student is presenting payment specifically for the extra-curricular activity.
