The Yugumbir School Wide Expectations are-

PBL (Positive Behaviour for Learning) Team

**PRINCIPAL’S MESSAGE**

Dear Parents, Carers and Students

Welcome to our third edition of the school newsletter for the year. Our teachers and support staff are committed to providing the best learning environment, couched in a culture of high expectations for your child.

All students at our school are constantly being challenged to achieve personal targets in Reading, Writing and Number, every day in their classroom. I firmly believe, with the right attitude (values) and dedication to following our school wide expectations of being Safe, Outstanding Learners, Always Responsible and Respectful that every child can reach for the stars, soar and succeed.

Unfortunately, some of our students have not accepted the challenge of high expectations set for them and when things appear difficult, have given up or demonstrated challenging, non-compliant behaviour. I would encourage all parents to emphasise and talk through our school community values.

**Our Collective Commitment**

- **Co-operative Cooper**
  - **Co-operation**
  - We strengthen relationships and work together to achieve a common goal or purpose.

- **Creative Chloe**
  - **Creativity**
  - We generate or recognise new ideas, alternatives, or possibilities that are useful in solving problems, communicating with others, and entertaining ourselves and others.
Disciplined
Diana

We display growth by demonstrating appropriate behaviour and self-discipline.

Enthusiastic
Ella

We demonstrate a strong active interest in all of our learning.

Persevering
Pete

We show a steady, strong will to complete tasks despite difficulties or obstacles.

Resilient
Remi

We build our capacity to recover quickly from adversity, difficulties or tough situations.

School Photos

This year’s photos will be taken on the 17th, 18th and 19th February.

Envelopes have been distributed. Please find attached class schedule for photos.
This week’s Reading Strategy Focus is **Predicting**. Before reading a text with your child, have them activate their prior knowledge (think about what they already know) and make a prediction about what the text will be about. Look at the title, cover and pictures, and make a prediction about what type of text it is and what will happen or be in the text. Talk to your children about **Pauline the Predictor**, and making those powerful predictions before, during and after their reading. Happy reading!

**STRIVE- Structured Tier Two Robust Instruction of Vocabulary Experiences**

This week 3HS have been learning the meanings of these words in their classroom—

- **nuisance**
  
  My little brother was such a nuisance at dinner when he threw his food everywhere.
  
  Synonyms: annoyance, pest, frustrating.

- **considerate**
  
  My friend was very considerate and lent me her umbrella when it was raining.
  
  Synonyms: kind, thinking.

Here are some examples of how they have used STRIVE words in their writing—

- The fast flaming meteor crashed into Earth.

  The red hot meteor crashed into the vast Milky Way. The speeding red hot meteor exploded into vast space.

  Thanks for sharing your great words 3HS!

**Reading Eggs**

The school has purchased Reading Eggs this year for all classes. During this week your child’s teacher will send home log on details so your child can access Reading Eggs at home.

Happy reading everyone and don’t forget to activate your prior knowledge and make a prediction before you read.

(Head of Curriculum)

The resource scheme provides us with significant opportunities to refine explicit teaching strategies for all students and ensure we personalise the teaching and learning for every child. As we continue to embed the Australian Curriculum and make use of the “Curriculum into the Classroom” units of work developed by Education Queensland, we continue to develop year level and unit specific resources to meet the needs of all students including those with special needs and academic strengths. By inviting and encouraging parents to support an annual $50.00 Resource Scheme contribution we will be able to produce very explicit resources to align to the work being taught in each classroom. It will also provide you with clear savings to online subscriptions that our teachers use to consolidate your child’s learning.

The School Resource Scheme includes the provision of:

- Subsidised dance lessons (10) by Footsteps Dance Company in Term 2
- Reproduced class materials which complement and/or substitute textbooks
- Online subscriptions (Reading Eggs and Ideal Resources)
- Photocopying costs (classroom materials and workbooks only)
- Materials for key learning areas where the instruction is extended through providing practical learning experiences in excess of materials provided by our school grants

Children of parents who choose not to participate in the School Resource Scheme will not be provided with any of the resources above or access to online subscriptions.

The school will provide parents and caregivers with an invoice for the resource scheme payment.

Prepped for Success – Playgroup Program

We are excited to announce that we will be offering Playgroup, as part of our ‘Prepped for Success’ program. Playgroup will run for two hours every Wednesday morning, between 9.00am – 11.00pm.

This program has been made possible through the support of Logan City Council, who has provided us with a grant to assist with our Playgroup & upcoming cooking program.

All ‘Prepped for Success’ programs will run from our School Readiness Hub, situated in Modular 1, except for our cooking program which will be held in the School Hall.

We are hoping to have Playgroup up and running by mid Term. At present we are in the process of setting up a safe and well-resourced play and learning space for your child.

Please email Alison Kingdom, aking293@eq.edu.au to enrol your child for Playgroup. Playgroup is available to all pre-school aged children.

This program is supported by Logan City Council’s Community Services Grant Initiative.

Messy Kids is for preschool children 0-5 years of age who are under supervision of a parent or grandparent – we just provide the opportunity for them to play with messy stuff. Moms, dads or grandparents, come and have a chat while you look how your child play at their own pace and become really creative, experiencing many textures, shapes and colours.

They play with goo, coloured spaghetti, “snow”, water pistols, dress-ups, shredded paper and in water features. They can crawl in tunnels, do craft, paint with different things or just ride on a scooter. Actually, they can make it all they want… and we clean up the mess afterwards.
