P RINCIPAL’S MESSAGE

Dear Students, Parents and Carers,

“Caring Hearts – Enquiring Minds – Enriching Lives”

Yugumbir State School continues to strive to provide the highest quality educational programme for every child. The school relies on, and values close relationships with parents, carers and the local community. A strong bond between the school and its community is essential for student success.

To ensure the highest quality education that meets the needs of each student, we rely on our parents and carers to:

- support our school expectations, policies and programmes;
- support decisions made by classroom teachers and school leaders;
- pay the resource scheme fees in a timely manner, to guarantee the provision of resources for students;
- support school activities and events;
- promote a positive image of the school in the local community;
- model to their children appropriate ways of dealing with issues or conflicts.

Disagreements between parents and the school are sometimes unavoidable. These usually occur when schools and parents disagree on school policies, programming, consequences for inappropriate behaviours and the delivery of services.

I urge parents to consider the following, when having to deal with an issue, especially if there are feelings of frustration or anger:

- both of us want what’s best for your child;
- be careful that your child does not play you off with the school;
- try to avoid making assumptions about things you’re not sure of, you’re better off asking questions;
- emphasise facts rather than who is right or wrong;
- begin with areas of agreement and work from there;
- avoid personalising the issue, address the problem.
Generally, most issues can be resolved amicably. It’s a great opportunity to model to your child how to resolve problems in a respectful way.

“Identify your problems, but give your power and energy to solutions.” Anthony Robbins

Principal

QParents is coming!!

Great news: Yugumbir State School is proud to be one the first schools in Queensland to offer QParents, as part of a pilot program in the first half of 2015.

The QParents web and mobile application provides a more convenient, easier way for parents and legal guardians of Queensland state school students to interact with their child’s school. Parents will have secure, online access to their child's student information, anytime, anywhere, through a smartphone, tablet or computer.

QParents allows parents to connect instantly with their child’s school to access and manage their child’s student information, including:

- Attendance and absence details, as well as the ability to notify the school of an absence
- Behaviour details
- Academic report cards
- Class timetables
- Viewing unpaid invoice details, payment history, and making payments online
- Viewing and updating personal student details, including medical conditions and address
- Enrolment details

QParents will assist both staff and parents in sharing and responding to information in an efficient and effective way. We will be sending out invitations for parents to register for QParents in Week 1 Term 2.

QParents won’t replace the traditional ways you communicate with our school, but it will provide another way to communicate with us.

More information about QParents can be found at https://qparents.qld.edu.au/#/about

Win an iPhone 6!
By registering for QParents you could win an iPhone 6! All you have to do is register for QParents by Sunday 17 May.

A/Deputy Principal

On Wednesday the 11th of March a group of students from Yugumbir State School went to see the highly-anticipated musical “Wicked”. We went to the QPAC theatre with high expectations and the musical definitely exceeded them.

The plot of the show made us look at “The Wizard of Oz” in a completely different way. The story line was actually a classic tale of bullying as we see the so-called “wicked Witch” being avoided and made fun of from her classmates for being green. We see an unlikely friendship between Glinda, the popular one and Alphaba the ‘Wicked Witch” who are complete opposites. The performances from the cast were outstanding. They were extremely convincing actors and actresses and the singing was phenomenal. The cast were very talented. In the musical we were shown the back stories of the Tin Man, Scarecrow and the Cowardly Lion from the ‘Wizard of Oz’. This showed how it
really happened. In the extremely exciting scenes the dragon moved its head and wings. Altogether from the performances to the plot twists the musical was definitely “Wicked”.

Quotes from other students
“T found it pretty funny”- Annalisse Payne
“It was awesome”- Ana Maria Lesaj
“It was Wicked” - Alan Gray
“Awesome and Loud” - Josiah Morgan
“It blew my mind” - Ben Hewitt
“The dragon was really cool.” - Heidi Britton
“I absolutely loved the musical, I found it amazing” - Paige Crosby
“The actors and singers were really good and the best part was when the dragon moved” - Anonymous

Article by Jordan Byer (Yr 5) and Paige Crosby (Yr 5)

It was my pleasure to accompany this group of students to this musical experience. The students were a credit to themselves and the school with several members of QPAC staff and members of the public coming up to me to congratulate them upon their excellent behaviour and manners. We look forward to being able to give even more students a similar opportunity again in the future.

**SCHOOL RESOURCE SCHEME 2015 (SRS)**

All families are strongly encouraged to support the annual $50.00 Resource Scheme.

The completed and signed Participation Agreement Form should be returned to indicate participation or non-participation in the Student Resource Scheme as soon as possible.

The School Resource Scheme includes the provision of:

- Subsidised dance lessons (10) by Footsteps Dance Company in Term 2
- Reproduced class materials which complement and/or substitute textbooks
- Online subscriptions (Reading Eggs and Ideal Resources)
- Photocopying costs (classroom materials and workbooks only)
- Materials for key learning areas where the instruction is extended through providing practical learning experiences in excess of materials provided by our school grants

Children of parents who choose not to participate in the School Resource Scheme will not be provided with any of the resources above or access to online subscriptions.

**Great Year 6 Camps – Thanks**

Over the past two weeks, Year 6 students have attended their annual school camps at Camp Somerset, at Camp Somerset. Activities included Canoeing, the Low Ropes Course, Co-operative Activities, Frisbee Golf, Pond Study, Orienteering, Blindfold Trust Games, Swimming, a Scavenger Hunt and Camp Concerts.

The students are to be congratulated on their conduct and co-operation at camp, which led to successful and enjoyable experiences.

We would particularly like to thank our teachers (Mrs Elliott, Mr Williams, Mrs Coates, Mr Sergeant, Mrs Cosgrove, Mrs Jinks, Mrs Papas and Mrs Bykersma,) for the many hours out of class time they have spent in the organisation and facilitation of the camps, as well as their time away from their own families during the camps.

Thank you also to the parents who provided invaluable assistance as volunteers: Brad Jacobson, Teena Prescott, Matt Jackson, Greg Scholz. Without the support of wonderful volunteers, such as these parents, our Camping Program could not proceed.

**Hamilton Island Raffle**

Just a reminder that the draw date (31st March) for our major raffle of a 5 night stay in Hamilton Island is coming up fast.

All money and raffle books need to be returned by Friday 27 March. If you require additional books of tickets please see our office staff.

Thank you again for all of your help with this venture.

**Uniform Shop Times:**

Monday 2:30pm – 3:30pm
Wednesday 8:30am – 9:30am

Please note the Uniform Shop will close at 9am on Wednesday, 18th March.

Sorry for any inconvenience.
This week’s Reading Strategy Focus is **Visualising**.

**Visualising** is when a reader uses their prior knowledge and experiences to create an image in their head of what is happening in the text as they are reading it. Readers use clues in the text to create their pictures including the words used by the author to describe things. Readers can talk about:

- In my mind I can see …
- I can imagine …
- The movie in my head shows …

(Sheena Cameron 2009)

The image/picture I see in my head as I read this is …

The visualising strategy supports comprehension as students create their own images of what they are reading, and they feel more connected to the text. If the picture or movie stops in their head, they know they have to apply fix up strategies to regain meaning and continue on reading.

**STRIVE- Structured Tier Two Robust Instruction of Vocabulary Experiences**

This term 5BH have been learning the meanings of these words in their classroom:

- Sufficient
- Treacherous
- Destroy
- Admitted
- Debt
- Destination
- Behaviour
- Relevant
- Alphabetical
- Sorted
- Average
- Deserted
- Composed
- Aspect
- Revenge
- Hypothesis
- Abrupt
- Feeble
- Accurate
- Perspective
- Economical
- Aspect
- Significant
- Right
- Described
- Destroy
- College
- Sufficient

5BH have a STRIVE Work Book and they record the meanings of their words in there and do their activities.

**Reading Eggs**

The school has purchased Reading Eggs this year for all classes. Please contact your student’s teacher if you require log on details for your child.

Happy reading everyone and don’t forget to **activate your prior knowledge** and make a **prediction** before you read. As you read, try to make **connections** to what you are reading and **visualise** images. **Clarify** any words that don’t make sense. After you read **summarise** your reading by talking about what the text was about.

APOLOGIES FROM THE P & C

School Arrival Times

It has been of great concern to see that an ever increasing number of students have been dropped off at School well before 8 am.

8.30 am is actually the recommended ideal time for students to arrive at school unless they need to be here earlier for a specific reason eg; Booster Classes, Band Practice, Sport Training etc.

Our new policy will be that any students arriving prior to 8.15 will be required to make their way directly to the Main Under Cover Area, outside the Tuckshop. It would be great if the students had a book to read so that they could be occupied whilst waiting.

At 8.15 the Office Staff will make an announcement to allow the children to move quietly to their class area to wait for the school day to commence. Children should remain quietly with the vicinity of their own classroom until the first bell rings.

NO students are to play on ANY Adventure Playground before School.

PCYC operates Before and After School Care from our School Hall for students who require care. PCYC can be contacted on 0427 755 364 or you are welcome to call in to discuss care with the available staff.

We are seeking your co-operation in this matter to ensure maximum safety for all of our students before school.

**‘Prepped for Success’ – Playgroup Program**

We are excited to announce that we will be offering Playgroup, as part of our ‘Prepped for Success’ program. Playgroup will run for two hours every Wednesday morning, between 9.00am – 11.00pm.

This program has been made possible through the support of Logan City Council, who has provided us with a grant to assist with our Playgroup & upcoming cooking program.

All ‘Prepped for Success’ programs will run from our School Readiness Hub, situated in Modular 1, except for our cooking program which will be held in the School Hall.

We are hoping to have Playgroup up and running by mid Term. At present we are in the process of setting up a safe and well-resourced play and learning space for your child.

Please email Alison Kingdom, akings203@eq.edu.au to enrol your child for Playgroup.

Playgroup is available to all pre-school aged children.

This program is supported by Logan City Council's Community Services Grant Initiative.

The resource scheme provides us with significant opportunities to refine explicit teaching strategies for all students and ensure we personalise the teaching and learning for every child. As we continue to embed the Australian Curriculum and make use of the “Curriculum into the Classroom” units of work developed by Education Queensland, we continue to develop year level and unit specific resources to meet the needs of all students including those with special needs and academic strengths. By inviting and encouraging parents to support an annual $50.00 Resource Scheme contribution we will be able to produce very explicit resources to align to the work being taught in each classroom. It will also provide you with clear savings to online subscriptions that our teachers use to consolidate your child’s learning.
