Dear Parent, Carers and Students

Caring Hearts – Inquiring Minds – Enriching Lives

New Principal 2016

It is with many mixed emotions that I inform you that I will not be at Yugumbir State School next year. I have been offered the position of Principal at Grand Avenue State School in Forest Lake. I’ve thoroughly enjoyed leading, what I believe is an exceptional school, with exceptional staff and exceptional students. I am leaving with a heavy heart.

Yugumbir State School’s permanent principal position was advertised yesterday and the new principal will take up duty on 1st January 2016.

I would like to thank the outstanding welcome and support in my 24 months at the school. As parents you play a major part in the success or otherwise of this school. Parents being involved in their own child’s life leads them to more opportunities for success.

Wherever your future leads you, I will be watching and cheering you all on. I am looking forward to the school Facebook updates and watching your progress. You have inspired me as a leader. I will miss you.

ACADEMIC AWARDS FOR 2015

On Friday 4th December at 9:15am, our whole school parade will be replaced by the 2015 Academic Awards Ceremony. We have many VIP’s attending this prestigious event, and would like to extend an invitation to all parents and carers to attend also. All teachers have been nominating students based on the following awards. For the majority of awards, teachers have nominated 1 student per class, with 1 overall winner for the category per year level. In other instances, there is only 1 nominee for the year level.

The awards to be presented are:

- English
- Maths
- Overall Academic
- Most Improved
- LOTE (Yrs 4-6)
- Music (Yrs 3-6)
- Physical Education (Yrs 3-6)
- Horticulture and Environmental
- Social and Learning
- Principals Award
- Behaviour Improvement
- Aunty Eileen Williams
- Science (Yr 6)
- Citizenship and Service (Jim Chalmers Award – Yr 6)
- Dux (Yr 6)

The Year 6 students will be presented their awards during Graduation which is on Monday 7th December at 5:30pm in the school hall.

Attendance Points
To help us achieve our target of 95%, each morning our teachers take a tally of the number of students from each sporting house who are at school on time. Students need to be on time as late arrivals are not eligible for a point for their house.
In week 10, the winning house will participate in a rewards day which will be finalised by week 3.
Encourage your children to be at school on time, every day!

Well done to all those who are making every day at school count.

Curriculum News

Over the next few weeks with the holidays approaching, some literacy and numeracy tips and activities will be shared to try with your child at home. This week here are some simple yet effective activities you can do with your child to help them apply the literacy skills they have learnt at school:

Prep- Year 3-

• keep blank paper and pencils handy at home for writing activities
• read with and to your child every day
• have your child collect and sort the mail — who are the letters and cards for and who are they from?
• create a collage using junk mail, old magazines or your child’s drawings with a particular focus — this could include pictures of things beginning with an ‘s’ sound or all pictures showing a particular colour
• make a scrapbook — this could be about a holiday or special event, and have your child write captions for the photos and pictures
• make your kitchen a ‘cooking’ zone and a ‘reading’ zone — use fridge magnets to make new words and short sentences, or have your child write the weekly shopping list and read names on packages
• play word games and do crosswords to help develop spelling and vocabulary
• keep a dictionary in an easily accessible place — show your child how it can be used for a variety of purposes and accessed
• make the writing of letters, notes, cards or emails a daily family activity — you can write notes to your child and encourage them to write notes back to you.

STRIVE- Structured Tier Two Robust Instruction of Vocabulary Experiences

Check out our STRIVE gottcha wall in the library as we have more students who have received a gottcha for using STRIVE words in their speech or writing this week.
Look at the Year One persuasive posters from 1SG. They are writing posters and letters about important issues within the school, and persuading their readers about how they feel about these issues. Great persuading 1SG.

Have a great week,
Jackie Sharman
(Head of Curriculum)

Our annual Prep Art Show is fast approaching. Our Art Show, held in term 4, is a very special event and a source of great pride and excitement for our Prep Children. We would ask that each additional family member attending the Art Show make a gold coin donation at the door.

Please pay for your tickets at the office on Mondays, Wednesdays and Fridays by 10am. Closing date is 25th November. Doors open at 6:30pm. Please come along and support our amazing Prep students.

**Logan West Cluster Speaker’s Cup**

Last week 2 of our students took part in the Logan West Cluster Public Speaking Competition. They did a wonderful job in representing our school.

On 12th November I went to the Logan West Cluster Speaker’s Cup at Park Ridge State School. I prepared and delivered a speech in front of parents, teachers and judges. My speech was about - The Eureka Stockade and Peter Lalor's Role in the uprising. It was a great experience and I am more confident about public speaking. I’m very thankful to have been given this awesome opportunity.

 By Danieka Ward – Year 5

On 12th November I went to Park Ridge State School to participate in the Speaker’s Cup of 2015. I had a lot of fun preparing and rehearsing the speech. My speech was about - The key figures and events that led to Australia’s Federation. When it was time to present it, I got a little bit nervous but once I started, it got easier. I enjoyed my time at Park Ridge on Thursday. It was really exciting.

**Yarning at Yugumbir**

We are very excited about our Yarning Circle that we will be building in the rainforest area at the back of the school. I will put a little snippet in the newsletter each week up until the end of the year to provide information on how powerful a yarning circle can be, and what it actually is!
**Wet and Wild Excursion – Year 6**

In the second last week of the school year, the excursion to Wet ‘n’ Wild has been arranged for Year 6 (Tuesday 1 December) students. As this excursion is part of the reward system in the School’s Responsible Behaviour Plan, a “Strike” system for misbehaviour and non-compliance is commencing, where the attainment of 3 strikes for Office Behaviour visits would mean the student is not invited to this excursion. As with all excursions, high level behaviours that impact on the safety of students and staff may mean the child is immediately told that they may not attend. Parents will be notified if their child attains a “Strike”. It would be appreciated if all parents could speak to their children about complying with School Behavioural Expectations, so he/she can enjoy the rest of the school year and does not receive any strikes. Permission notes containing costs and details for this excursion has been sent home.

**Year 6 Wet ‘n’ Wild payments – by Wednesday 18 November**

Due to end of year financial processes, all payments for the Year 6 (Tuesday 1 Dec) excursion to Wet n Wild must be made to the school by **Wednesday 18 November**.

**NO PAYMENTS FOR THESE EXCURSIONS WILL BE ACCEPTED AFTER THIS DATE.**

**Library Books**

With the year rapidly coming to an end, **ALL** Library Books need to be returned to the Library by 20th November. In particular Year 6 who are departing from our school.

**Special Olympics Logan Allstars Club**

Do you know someone with an intellectual disability or ASD who is 8 years or older and would enjoy participating in sports training and competition?

Special Olympics provides regular sports training and competition for athletes (8 years and older) who have an intellectual disability and/or ASD. The Special Olympics Logan Allstars Club was established in 2013 and now has sports programs in aquatics, basketball, futsal and tenpin bowling in the Logan area. As membership grows, new sports will be added to the offerings. An information evening is being held for all interested athletes, coaches, families and carers on **Monday 15th February at 7pm at Logan Metro InSports (357 Browns Plains Rd, Crestmead)**. You will have the opportunity to learn more about Special Olympics and hear from current athletes and coaches.

Please register your interest in attending the information evening by email at info@soqllogan.com or contact our club registrar, Joy Gavin on 3208 0174.

**STUDENT RESOURCE SCHEME 2016 (SRS)**

2016 Student Resource Scheme will be $50 per student.

The completed and signed Participation Agreement Form should be returned to the school by **Wednesday 24th February 2016** to indicate participation or non-participation in the Student Resource Scheme.

If full payment is made before **24th February 2016** parents will receive a $5 discount per student.

**CAR PARKING**

Parking in the school grounds is very limited, when we have unauthorised vehicles entering the grounds it endangers the safety of all our students. We again ask that if you do not have a current School Parking Permit **PLEASE DO NOT ENTER THE GROUNDS.**
PARKING PERMITS
If you require a Parking Permit please make an appointment to speak to Mr Wills regarding your reasons for needing a permit to enter the grounds.

MAGPIES & BIRDS SWOOPING
Magpie pairs breed in Spring (August – October) and with this comes the magpies’ natural behaviour to defend the territory around their nesting site. This may result in magpies swooping people who they perceive as a threat to their nest.

Reduce your chances of being swooped!

People can take the following precautions during the period when birds are actively protecting their territory.

- Do not deliberately provoke or harass the birds as this may make them more aggressive.
- Walk out of the bird’s territory immediately.
- Magpies are less likely to swoop if you look at them.
- Try to keep an eye on the magpies, at the same time walking carefully away.
- Alternatively, you can draw or sew a pair of eyes onto the back of a hat, and wear it when walking through the area.
- Wear a bicycle or skateboard helmet. Any sort of hat, even a hat made from an ice cream container or cardboard box will protect you.
- Carry an umbrella, or a stick or small branch above your head but do not swing it at the magpie, as this will only provoke it to attack.
- If you are riding a bicycle when the magpie swoops, get off the bicycle and wheel it quickly through the area. Your bicycle helmet will protect your head, and you can attach a tall red safety flag to your bicycle.

If you feel a magpie is a serious menace it should be reported to the nearest National Parks and Wildlife Service 1300130372.
