Rule of the Fortnight:

The rule of the week: “Wait appropriately before and after school”.

SBC discussed the rule of the week and all the different places where we need to wait appropriately around the school.

We then visited the rainforest area and shared ideas around safe ways and places to wait for parents to pick us up. We decided behind the fence and up on the side of the oval were the best places to wait. Also, waiting in one place and keeping an eye out for our ride to come.

After going to the rainforest we used a “Y” chart to record our ideas of what it Looks Like, Feels Like and Sounds Like to wait appropriately before and after school.

It Looks like:- Walking, Checking both ways before crossing any roads, Hands and Feet to ourselves, no throwing things, no chasing games, no chasing cars as they arrive, waiting in one place nicely and respectfully and keeping exits free.

It Sounds like – Quiet, no yelling and screaming, no tantrums and you can hear the birds.

It Feels like – Safe, protected, calm and patient.

PRINCIPAL’S MESSAGE

Dear Parents, Students and Community Members,

This is the final week of term 2. This 11 week term has been very positive and productive for our students. The continuity of the small things students learn every day, collectively add up to a significant amount.

I extend to all students and their families my best wishes for an enjoyable two weeks holiday. Even the break from our usual busy routine can be very refreshing.

To all of our hardworking staff, I extend my thanks for your work with our students and the “extra” effort each devotes to their work, to benefit our students. Enjoy the holidays.

Term 3 begins on Monday 11th July.

Reports

This week, every student has been issued with his/her report card. The report is a written account of students’ achievement within Semester 1. Reports are a personal document. Every child has a different learning pathway, a fact that is universally recognised. This means comparisons with other children are of little benefit.

The report focusses on each students’ achievement standard in each subject area at this point in time. Parents are encouraged to read through the report with students and in the first instance ensure that due recognition is provided to students for their achievements. Confirmation by a parent, recognising students’ achievement is quite powerful.

Following this, jointly discuss some aspects of the report that students could identify for further improvement. Forming some goals around these areas is highly productive. Discussing a focus area and appropriate strategies to use to support improvement is essential. This approach promotes in students the need to strive for continued growth, in a positive, supportive manner.

Parents have been offered an opportunity to confirm a booking to meet with their child’s teacher, through the online program, SOBS – see below for details.
School Opinion Surveys
Each year, Education Qld conducts School Opinion Surveys. This process involves surveys of a selected random sample of 60 x Year 5 students and 60 x Year 6 students, all staff and one parent per family.
Students will be withdrawn from class to complete this survey after holidays.
Letters with details about how parents can participate (website and access codes), will be provided on the first day of the new term.
The School Opinion Survey is used to measure the level of satisfaction with important aspects of our school. Later in the year, our school will receive a report outlining the results of the survey.
The results help us evaluate how well our school is going and to identify areas for development. The data that we receive is most useful when the maximum number of surveys completed.

Arts Extravaganza
Last Wednesday, the school held the Arts Extravaganza. This evening showcased students’ learnings from the Footsteps Program, the instrumental and choir programs and classroom art lessons.
Students enjoyed presenting their dances, learnt in the Footsteps program. Teaching large groups of students to dance in unison is challenging, but the enjoyment so clearly evident in our students, was proof that this was achieved in a positive way. The Footsteps Program was paid for by parents through the student resource scheme. All the evidence shows that it was well worth the cost.
The Artwork displayed in classrooms demonstrated students’ interest and abilities in art. While an enjoyable activity for students, there is much to learn about line, colour and perspective etc – evident in the samples displayed.

Yugumbir has a vibrant music program, engaging many students. Bands and choirs presented items to a very appreciative audience, in the main undercover area.
The school choirs are high performing groups, led by Mrs Farthing. Their presentations exude enthusiasm. Well done to all students.

Also, the bands performed to a high standard. Our school bands are large groups, providing additional opportunities for our students, which they can continue into secondary school. Mrs Gittins and Mr Dorney have led their groups well. The Year 4 band did exceptionally well in their first presentation since starting in the program this year.
The percussion group, led by Mr Bishop, entertained the audience with instruments made at home, led by the “thong-o-phone.” This was an exciting presentation.
Thanks to the hundreds of parents who supported the evening. Your children appreciated performing for an appreciative audience. In total, we would have had two thousand people at the school, in stages, last Wednesday night.
Our thanks are extended to the many members of staff who attended and supported our students in their presentations – this support contributed greatly towards this evening being the success it was.

Improvements over the Holidays
Over the holidays, there will be considerable improvements being made to our facilities.
- The Prep building will have louvres removed and an internal upgrade, including painting.
- Doors in SEP and Mod 8 could possibly be replaced.
- Gutters and Roofs will be cleaned.
- Some trees will be assessed and if unsafe, will be removed.
- A boom gate will be installed in the drive way near the hall. This will restrict access to unauthorised users. More information will be provided after holidays.

There will be school officers working at different stages across the holidays.

Should parents see anyone on school premises over the holidays, who is behaving inappropriately or suspiciously, please call School Watch on 13 17 88
Staff Changes
After holidays, there will be the following changes to our staff:
Mrs Contessi, the HOSES in charge of the SEP, will be on leave for the first 4 weeks of the term. Miss Sarah Barber will be Acting HOSES for this period. Miss Barber’s classroom role will be performed by Ms Korine Dube and Ms Rebecca Henwood.
Mrs Amy Corrigan will return from leave to teach Year 3CG, in a shared role with Stefan Vbresic. Miss Griffin was accepted an exciting role at the Brisbane school of Distance Education.

The Senior Interhouse Athletics carnival will be held this week. On Monday and Tuesday, field events were planned (weather intervened). The main day is on Friday 24th June, the last day of term, when students will participate in running events, as well as the tabloid events. See the full program later in this newsletter. Parents are welcome to attend to cheer on our students.

Students are to wear their full interhouse uniform, including a hat and water bottle. Sunscreen is recommended. Students are not to wear multi-coloured sunscreen or body paint.

Athletics Day Sausage Sizzle
The P&C and Chaplaincy are holding a sausage sizzle during the Year 4-6 athletics carnival on Friday 24 June 2016. On sale will be morning tea items, drinks, ice blocks and sausage sizzle. To make catering easier we would like students to pre-order sausages and drinks for their big lunch. Orders will be collected and taken to the classrooms. The Sausage Sizzle will also be available for other family members on the day. An order form is available at the end of this newsletter.

Please return forms with correct money to the office by Wednesday 22 June. Any parents who can assist on the day are encouraged to please contact Kathryn on 0456 984 769 (even if it is just for an hour or when your child is not competing).

The tuckshop will be closed on this day as it is the last day of term.

SOBS – Parent teacher interviews
We have scheduled Parent/Teacher interviews to allow parents to consult with the teachers of your son/daughter. This has been arranged from 11th July to 22nd July, the first two weeks of the new term. On these days, as many teachers as possible will be available for interviews by appointment. Interviews will be conducted in your child’s classroom and are of 15 minutes duration.

To co-ordinate the interviews we have employed an online booking system to assist parents in securing their preferred interview times. The procedure is as follows:

- If you wish to see any of your child’s teachers, you need to secure an appointment time using this system. If you do not have access to the internet, your local library may be able to help, or alternatively you can call the school office.
- The booking system will only be accessible from 13th June through to 8th July. No interview requests will be accepted outside of these times.

When this appears, click the link for 'Parent-Teacher-Interviews'. Please note – you will not be able to access the link until the 13th June.

Due to teacher absence,
• Interviews for students in 3JB will be scheduled from 18th to 29th July (Weeks 2 & 3).
• Interviews for students in 6JH will be scheduled from 9th to 19th Aug (Weeks 5 & 6).
Choose these if they relate to your child.
If you require a longer interview time, please email the teacher directly. Helpful information is located at the bottom of this letter.

Curriculum News
The Prep students were involved in an incursion presented by Street Science on Friday 17th June.

The Prep students engaged in a dynamic and highly interactive 30 minute stage show focusing on the 5 senses, materials and movement. This was followed by a smaller class group, hands-on investigation, where each student made instant snow and explored its unique properties.
The students were commended on their attentive behaviour and enthusiastic participation. They come away feeling like Junior Scientists and produced some amazing writing about the experience.

**VIVO**

In week 2 of next term our school will be trialling a new online whole school rewards system called VIVO.
Using this system students will earn VIVO pints for displaying positive and appropriate behaviour at school.
When students achieve a chosen number of points they are then able to go online and select their own reward.
We are very excited about this opportunity as it allows for students to be recognised regularly and allows you, as parents, to see why your children are receiving their praise and reward points.
There will be more information coming in Week 1 of next term.

**HORTICULTURE**

Early next term we are conducting a pie drive.
All money raised will go towards continuing the beautification of our school grounds.
Our next 3 projects are completing the remaining 3 gardens up the main walk way. We would like to thank all parents for their contributions as it is only with your help that our students are able to participate in these projects.

The pie drive notes will be handed out on Monday of Term 3 with all money and forms to be returned on the 26th of July.
Pies will then be delivered to school for collection on the 4th of August.

We are also going to look at holding a “working bee” in Term 3 to help finish off some of our gardening projects.

HEALTH ADVICE

“Recently there has been confirmed cases of whooping cough (pertussis) in persons attending our school. Whooping Cough is a highly infectious illness that is spread by coughing and sneezing. The illness is troublesome and distressing at any age but can be very serious in young infants.

The Metro South Public Health Unit advises that all parents should check their children’s immunisation records and ensure that their child is up to date with their routine childhood vaccinations. If your younger children have missed any of their routine childhood vaccinations they can still be vaccinated against whooping cough with the childhood vaccine up to their 10th birthday. Adolescents are currently provided with a free pertussis booster vaccine in Year 7 or Year 8 from their doctor or local council clinic.

Pertussis vaccination is recommended and currently funded for all pregnant women early in the third trimester of each pregnancy. Pertussis vaccine is also recommended for any adults living in the household of children under six months of age (or regularly caring for these children). This vaccine is able to be accessed via your doctor however is not currently funded.

The protection against whooping cough from the vaccine does decrease over time and whooping cough may still occur in older children and adults who were fully immunised in early childhood. Therefore it is important for parents to be aware of the symptoms of whooping cough and to seek medical attention should they be concerned. More information is contained in the Whooping Cough Fact Sheet which is available from the School Office or at the Queensland Health Website:

If you require further information please do not hesitate to contact Metro South Public Health Unit on (07) 3176 4000.

7. Scroll and select available slots with each staff member. The green slots are available. Gray slots are unavailable. As you click a green slot it will turn pink and your child’s name will appear in that time. You will only be able to book once with each teacher, and only once in each time slot. Ideally you want to select interview slots that are chronological so that you can move from one interview to the next without having to walk around. Once you have selected your interview slots click the ‘Save’ button.

If you change your mind click the pink slot and it will revert to green allowing you to choose a different time slot.

8. Once saved you will have the option of emailing or printing your interview booking times. If you select the email option the schedule is sent to the email address you initially entered.

Saver Plus Fact Sheet

What is Saver Plus?
Saver Plus is Australia's largest and longest running matched savings and financial education program. The program is offered locally by community organisations in over 60 locations across Australia.

Who can join?
To be eligible, participants must:
- have a Centrelink Health Care or Pensioner Concession Card;
- be at least 18 years old;
- have some regular income from work (themselves or their partner) including casual, part-time, full-time or seasonal employment; and
- be a parent or guardian of a child at school OR be attending or returning to vocational education themselves.

ANZ has provided more than $50 million dollars in matched funds to participants across Australia since 2003.
Participants have saved more than $135 million dollars during the program.

How does the program work?
Saver Plus participants are assigned a Saver Plus Worker at their local community organisation and open an ANZ Progress Saver account at their local ANZ branch, into which they make regular deposits. They attend MoneyMinded workshops to build their financial management skills and when they reach their savings goal after 30 months ANZ matches the amount, up to $500, for the purchase of the nominated educational item.

Since 2003, Saver Plus has supported more than 23,000 Australians to save.

How did the program start?
Saver Plus is an initiative of the Brotherhood of St Laurence and ANZ, delivered in partnership with Berry Street, The Benevolent Society and The Smith Family and other local community agencies.

The program is funded by ANZ and the Australian Government Department of Social Services.

What are the benefits of the program?
Independent research published by RMIT in 2015 found that of participants who completed the program:

- 87% continue to save the same amount or more up to 12 months post completion.
- 93% reported that achieving their goals increased their self-esteem.
- 81% are better equipped to deal with unexpected expenses.
- 84% encouraged family members, including children, to save.
- 88% are more aware of where to get help with financial decision-making.
