**Rules of the Week:**

**Expectation:** Be responsible

**The rule of the week is Take care of your belongings and those of others.**

The rule of the week is “Take care of belongings and those of others”. This relates to the expectation “Always Responsible”.

‘Take care of belongings and those of others’ means to put your belongings in a safe place and also to respect your belongings by not snapping your pencils and writing on your rubbers. That shows disrespect to our mum and dad who brought those supplies for you. To take care of other people’s belongings is very respectful, for example, if you find someone's belongings you should take it straight to Lost and Found, instead of keeping it for yourself. If you follow this rule, you are showing signs of always being responsible and respectful.

**Principal’s Message**

Dear Parent, Carers and Students

*Caring Hearts – Inquiring Minds – Enriching Lives*

Our school’s vision is very simple. It’s a vision full of hope and ambition. The hope is that every single child succeeds. The ambition is part of a broader commitment that, on every occasion, our children and families have opportunities to grow and develop, and their individual needs are addressed through a comprehensive range of effective services.

It’s a vision built on the premise that our teachers and staff are constantly learning and exceeding expectations when confronted with challenges. It’s about putting children and their needs first and expecting growth and progress. It’s about constantly changing the odds one student at a time to ensure that every child succeeds and are not limited by their socio-economic background, gender, ethnicity or any disability.

Leadership in our school is visible at many levels, starting at the student and teacher level through to me as the Principal of the school.

Allow me to paint a picture for you by using the analogy of the body system. As Principal of the school, I see myself as the veins and arteries. The school leadership team, consisting of my Deputy Principals, Head of Special Education, Head of Curriculum, Teaching & Learning Coaches and Guidance Officers are the blood of the organisation. The teachers, with the support staff are the critical part of the school, the heart.

The leadership team’s job is to support teachers as they increasingly work in a system based on progression, underpinned by accurate assessment for learning, and then the students supported, where necessary, with one-to-one support.

Personalised learning is central to our school’s improvement agenda which has teaching and learning at its heart.

**Staff Car Park**

This is a very clear reminder to parents and carers that they are not to drive onto the school grounds to pick up or drop off their children due to the issue of safety, unless prior permission has been granted by the Principal. Indiscriminate vehicular access by parents place students' safety and wellbeing at risk.

Year 4-6 Athletics Carnival

On Friday was the launch of a new look sports day, although the weather wasn’t very kind to us. The day unfolded with the march past unveiling the new House names and the inclusion of the fourth house. Each team was led by the Sports Captains carrying the new banners. With the year 7’s going to high school we were left with 3 year levels and as a flow on from this, a different program. During the week we held the 200m heats, 800m finals, high jump finals and long jump finals. The program included semi-finals and finals for the 80m and 100m sprints. The day ran smoothly with children participating in a range of events and cheering on their teams. The overall winners for the day were the Goannas. Thank you to the supporters who braved the cold conditions to witness the first of the new generation sports days. Thank you to the teachers and support staff for their help on the day.

The Age champions were:
9 yrs: Thomas Pomeroy, Aaliyah Witana
10 yrs: Jesse Hartley, Chloe MacNeill & Anastasia Hedesi
11 yrs: Eli Townsend, Ashleigh Doyle
12 yrs: Dakota Perkins-King, Emily Weston

A school team is being assembled to compete at the Greenbank District Athletics Carnival on 31 July, 3 and 4 August. We wish them all the best.

Woolworths Earn & Learn

Once again our school is participating in the Woolworths Earn and Learn campaign. We would appreciate it if you could collect all your Woolworths stickers and place them in the Earn & Learn Box located at the office.

This Friday evening 24th July our Senior Concert Band has been invited to perform at Park Ridge State High’s Community Concert. It will be held in the Park Ridge High School’s Activity Centre (the SAC) commencing at 6:30pm.

The concert will showcase us, Yugumbir State School Senior Band, Windsor Brass and various groups from Park Ridge High School. We think the highlight of the night will be when our current players at Yugumbir and the past students of Yugumbir combine to play a piece of music – “Barrier Reef” – which all children have been working at diligently.

If you find yourself free this Friday evening please come along. All are welcome. It will be a gold coin donation for this musical extravaganza.

Curriculum News

This week’s mental computation strategy is called “Number Splitting” and like chunking, it is when you split numbers into easier parts or values, then add the parts to get your answer. Here are some examples of how it can be used:

```
38 + 27
\[\begin{array}{c}
30 + 8 \\
20 + 7
\end{array}\]
```

Ask your child to show you and tell you about this strategy.

**STRIVE - Structured Tier Two Robust Instruction of Vocabulary Experiences**

This year 6GS have been learning the meanings of these words in their classroom. They show their understanding of their words by illustrating them and displaying them in their room.

This week we are starting STRIVE gottchas in our school. Students will receive a gottcha when they are caught by a staff member using a STRIVE word in their learning. Gottchas will be displayed in the library and will be drawn out at sector parades. Watch this space as gottcha information will be shared each week.
**Reading Eggs**
The school has purchased Reading Eggs this year for all classes. Please contact your student’s teacher if you require log on details for your child.

Have a great week.

Dear Parents and Families:

Reading for pleasure inside and outside of school has real and long-lasting benefits. It unlocks the power of information and imagination and helps children discover who they are. Here’s what you can do to help children develop stronger reading skills and a love for reading:

- Set the example. Let children see you read.
- Have a collection of books in the home. Update this collection routinely to keep pace with changing tastes and reading skills.
- Support our school’s Book Fair. Allow your children to choose their own books to read.

Our Scholastic Book Fair is a reading event that brings to school the books kids want to read. It’s a wonderful selection of engaging and affordable books for every reading level. Please make plans to visit our Book Fair and be involved in shaping your child’s reading habits.

Book Fair dates: 10-17 August 2015
Shopping hours: 8:00am – 3:30pm
Special activities: Colouring competition (1 prize per grade)

We look forward to seeing you and your family at our Book Fair!
Remember, all purchases benefit our school.

Sincerely,

Mrs Wiedman & Ms Miller
