PRINCIPAL’S MESSAGE

Dear Parents, Students and Community members,

In the past week, child safety was again brought to our attention through the media.

The safety of our children continues to be a paramount issue for us all.

This is one of the reasons why our school has recently upgraded our processes regarding the management of student absences. This initiative takes additional time and cost, to ensure every child is accounted for, every day – the effort and money that is well worth it.

It is disappointing to see that there are still many incidents when parents are not advising the school of a child’s absence. More amazing, are the incidents where parents are not responding to the text that the school sends out to confirm the reason for a child’s absence.

Our goal is to ensure every child is accounted for every day.

Parents are strongly encouraged to advise the school of their child’s absence before/on the day of an absence by:
- emailing absences@yugumbirss.eq.edu.au
- calling the absence line Ph 3380 0360

The parent of a child whose absence is unexplained on a given day, will receive a text at approximately 10am, advising of the absence and requesting a reason for the absence.

Parents are strongly encouraged to respond to this text as soon as is possible.

Camping Program

Our school has a very well supported camping program. All year levels from Year 2 to 6 participate in a camp. This week, our Year 2 students attend their camp at Underwater World at Mooloolaba. Next term, our Year 3 and Year 6 students complete the camping program for the year.

Camps are exceptional learning experiences for students. The school camp broadens students’ experiences, their knowledge of themselves, their self-confidence, develops skills on how to work together with others, developing independence by spending their first night away from home and enjoying the benefits from the actual location. Often, a school camp leaves memories that last for a lifetime.

The camp experience relies on the funds of parents to cover the costs and the work and diligence of school staff (and often volunteer parents) to ensure the camp is orderly, safe and enjoyable.

Our program will be reviewed at the end of the year to ensure that our students continue to benefit from the best possible experience into the future.
Safety Before School
Parents are reminded that the adventure playgrounds, including the prep adventure playground, are out-of-bounds before school. Students have been reminded of this expectation many times, including in announcements before school at 8:15am. The reason for this position is that the playgrounds are not able to be supervised before school and therefore with multiple users, the playgrounds can become unsafe. This expectation includes whether a parent is in attendance or not. The support of parents with this matter, is strongly encouraged.

Home Reading
Our congratulations to the many parents who support their child with home reading. Your efforts are playing a valuable role in supporting your child’s reading development. Home reading is highly valuable. The opportunity to read with your child one-on-one is valuable and enjoyable. Here are some tips to help.

What Reading Time Could look Like...
1. Talk about the title of the book that is going to be read.
2. Look at the pictures and familiarise students with the book.
3. Read the book.
4. Talk about the book and ask questions like:
   - What if....?
   - What might....?
   - How come ....?
ALWAYS encourage and praise your child’s attempts.

Some helpful tips in helping your child read.
1. Let your children see you read and enjoy reading.
2. Show your child that language is everywhere and not only in books — street signs, logos (e.g. McDonalds, Coke, etc).
3. Encourage your child when reading.
4. Arrange a time daily, to sit with your child to read or have them read to you.
5. Talk about what they have read about and if they enjoyed it, or why they didn’t.

How to help your child while reading.
While you are listening to your child read, make sure they are comfortable and can clearly see what they are reading. Let your child hold the book while they are reading. When your child comes to a word they are unsure of, there are many ways to prompt them to work out the word for themselves.

Encourage your child to:
• Re read what they have just read
• Leave the word out, read the rest of the sentence then return to the word that was missed out
• Read and make a guess
• Look at the pictures to see if that will help
• Look at the first letter

As a last option
• Sound out or stretch out the word
There is more to reading than reading words:
Reading is not only reading the words on the page. After reading the book, ask questions starting with who, what, where, when based on what has been read. Also ask questions that encourage your child to think. For example:
- Why do you think ……?
- What do you think will happen next?
- Why did…..?
- What was your favourite part? Why?

Sustaining home reading as part of your routine benefits your child’s reading and future capability as a learner. Happy reading.

Prep 2017 – The school is well advanced in its planning for 2017. The enrolment of students into prep is an important aspect of ensuring a smooth beginning to the new year.
Our school receives many applications from families who live outside our local area. We are able to accommodate these request for enrolment if we have spaces available.
The support of parents and the community is sought.
- Parents who currently have children at Yugumbir and who have children eligible for prep in 2017, are asked to come forward and enrol.
- Parents who know of other prep-eligible children in the street/neighbourhood, that these parents be encouraged to contact the office to enrol.

It is anticipated that we will have six prep classes in 2017. Early enrolments will contribute towards ensuring smooth start for all our prep students in their first year of school.

Our Year One students were treated to a visit from our local Queensland Fire and Rescue Team last Friday morning.

The Fire Fighters showed the students around the truck, explaining what each apparatus was used for during fires and rescues.

They demonstrated what they wear when fighting fires in an effort to take some of the unknown out of fire rescue.

The students discussed some important safety messages and were farewelled with a blast of the siren as our visitors left.

Thank you Queensland Fire and Rescue.

Annelie Schulz
Head of Curriculum

INSTRUMENTAL MUSIC

Please find the following information for your convenience.

- Tuesday - Year 6 Senior Band rehearsals continue (7.30am)
- Thursday - Year 5 Intermediate Band rehearsals continue (7.30am)
- Friday - Year 4 Junior Band rehearsals continue (7.45am).

MUSIC SHIRTS

All students have now received their music shirts. If however your child has grown out of their current shirt, the music department has plenty of stock and once payment is made to the cash window a new shirt will be allocated to you.

BROWNS PLAINS HIGH MUSIC PERFORMANCE

Browns Plains High Concert Band will be visiting Yugumbir for a performance on Monday September 12, 9.30am. More details as they come to hand.

MUSIC PHOTOS

All music ensembles will have their photo taken on Wednesday October 12. This is in Week 2 of Term 2. More details to follow.

INSTRUMENTAL PARENT INFORMATION AFTERNOON-YEAR 3

October 19 is the date set aside for Yugumbir’s Instrumental Parent Information Afternoon. This is for parents of any year 3 students interested in joining the Instrumental Music program in 2017. It will be held in the music room at 3.30pm. Children have been tested and will soon be allocated suitable instruments. Music shops will be in attendance and music staff will be there to answer any questions or concerns.

DATE CLAIMER - BRISBANE SCHOOLS MUSIC FESTIVAL

Our 3 bands will be competing in the Brisbane Schools Music Festival on the weekend of October 22. This is held at Centenary SHS annually. Notes will be sent home soon for each band.

END OF YEAR CONCERT

The music department’s end of year concert will be held on Monday evening November 28 in our school’s hall. All welcome.

BAND DATES TO REMEMBER:-

- Monday 12 September - BPHS performance at Yugumbir SS
- Wednesday 12 October – Music Photos (All Groups)
- Wednesday 19 October - Year 3 Parent Information afternoon - Instrumental Music
- Saturday 22 October – BSMF – All Bands
- Monday 28 November – All Bands, Choir – End of Year Concert.

Our VIVO competition has now closed and a team of teachers are looking through the hundreds of entries in our VIVO mascot and card competition. The quality of entries of these were extremely high and we would like to thank all students who took the time to design an entry.

Winners of this competition will be announced on our whole school parade on September 2nd.

Just a reminder to get all students logged in so they can see how many VIVO’s they have earned so far. When logging in ensure you go to www.vivoclass.com.au. If you miss the .au your code will not work.

HORTICULTURE CLUB

Horticulture Club has been cancelled this week (Thursday 25th August, 2016) – due to Year 2 Camp.

QParents

QParent – The QParents web and mobile application provides an easier way for you to interact with our school. Parents will have secure, online access to their child’s student information, anytime, anywhere, through a smartphone, tablet or computer. It provides access to student information such as:

- Attendance details
- Behaviour
- Report cards
- Timetables
- Invoices
- Payment history

Parents are also able to update your child’s details including address and medical conditions, submit reasons for unexplained absences, notify the school of future absences, and make online payments against school invoices.

How will I get access to Q Parent?
You will be able to register a QParents account through the school office. Parents should advise the school office of their desire to register for Qparent. Staff will then support the parent through the registration process.

One parent/caregiver will then be nominated by the school principal to manage the student’s information.

QParents will assist both staff and parents in sharing and responding to information in an efficient and effective way.

The benefits of QParents
Convenience and time savings for parents
- Parents can view or update their child’s details without having to contact the school.
- Secure 24/7 online access.
- Available anytime, anywhere — access QParents on your smart phone, tablet or computer.

Greater transparency of information
- Improves accountability between parents and schools by providing parents with timely access to their child’s information online.
- Allows parents to engage more deeply in their child’s schooling.

Improved administration efficiencies for schools
- Allows schools to streamline their administrative processes and cut down on printing.
The QSchools app is a convenient way to share up-to-the-minute information with the school community.

The app is designed to integrate with Websites for Schools websites. When a school publishes content to their website, the app is automatically updated with the latest news, events and newsletters.

Emergency announcements and push notifications, such as information about natural disasters and school closures, can be published by the department.

All Queensland state schools are searchable via the app, however only schools who have upgraded their school website with Websites for Schools will benefit from all the features of the app.

Parent and Community Engagement Framework alignment

The QSchools app is a useful tool for schools implementing the Parent and Community Engagement Framework to facilitate:

- better communication with the school community
- community collaboration
- encourage participation in the school community.

Benefits for parents, carers and families:

- access the latest school news, newsletters and calendar events
- receive emergency announcements and push notifications
- follow multiple schools
- search for the nearest school by current location, postcode, school name or suburb.

Compatible with the following devices:

- Android
- Apple
- Windows
1. **Download or update the QSchools app**
   Compatible with the following devices:
   - Android
   - Apple
   - Windows 8

   To receive automatic updates, you will need to ensure that QSchools push notifications are enabled in your phone settings.

2. **Search for your school**
   The QSchools app allows you to search by:
   - School name search
   - Map search
   - Schools near your current location

3. **‘Favourite’ your school to receive updates**
   By favouriting your school, you will:
   - Have access to school information, newsletters, reports and more
   - Automatically receive important updates and push notifications from your school
WELCOME TO THE
LOGAN ROAD SAFETY
EXPO 2016
SUNDAY 10AM – 2PM
28 AUGUST

10:00am Logan Road Safety Expo Opens
The traditional Welcome to Country by Aunty Peggy Tidyman
