PRINCIPAL’S MESSAGE

Dear Parents, Students and Community members,

At the P&C meeting last week, members discussed the possibility of undertaking a project to air condition the whole school. The members present at the meeting agreed that air conditioning the whole school was achievable over a period of 4-5 years. This decision is based on a combined effort by the P&C and the school, in consideration of the projected costs of the project.

The project will now progress to the tender stage, after which it is anticipated that decisions will be made regarding the staged implementation of the project.

This is an exceptionally positive and brave decision by the P&C, one that will benefit our students in the years to come. Being more comfortable in the hotter months of the school year will support students to sustain a stronger focus on their classwork, thus contributing to improved outcomes.

The implications for our school community are that the P&C and the Cooler Schools Committee will continue to conduct fundraisers for this project (and other P&C activities) but they both need the full support of families and businesses in our community. If we all work well together, this project will become a reality.

Uniforms – Promoting a Standard

Our school provides students with the opportunity to wear four different versions of our school uniform – the sports shirt, the house shirt, the formal day uniform and for Year 6, their Year 6 shirt.

The school leaders and the P&C have agreed to implement a set of expectations that will promote positive standards of the wearing of our uniform.

While the existing uniforms will stay the same, the expectations as to when/how they are worn, will be changed.

The following will be introduced immediately, with a view to full implementation from Term 1 of 2017.

1. There will be a promotion re the correct wearing of the uniform – that students are in official uniform on a daily basis, minimising the incidents of students in non-school uniform.

2. Every student will be required to wear their formalday uniform each Fridayof the school year. The formal day uniform is defined as boys and girls wearing the unisex shirt, and appropriate shorts or culottes, OR for girls the Girls’ Dress. (see prospectus) Exceptions may be made to accommodate special activities such as interschool sport, as directed by deputy principals/sports teachers.

3. Students who are leaving the school on excursions and special activities, will be required to wear their “formal day uniform” unless required by the organising teacher for reasons specific to the activity eg sport, music performance.

4. Students will be encouraged to wear jackets in cooler weather that are consistent with the school colours of navy blue (preferably), maroon or grey. Jackets with loud colours or slogans are not acceptable.

5. Students will be encouraged the wear shoes or sandshoes which are predominantly black or white.

The above strategies will ensure that our uniform is worn to a high standard. Every student will be expected to have a formal day uniform which will be required to be worn each Friday and whenever students leave the school grounds for excursions etc.

The above requirements will be promoted throughout the remainder of 2016. This will allow adequate time for parents to ensure each child has a day uniform, as new uniforms are purchased in readiness for the new year. Also, as new sandshoes or joggers are needed, parents are to guide the decision of the colour to ensure replacement shoes are predominantly black or white.

The co-operation of all families is sought with this matter.
Redgum Park
The Logan City Council is planning for a significant upgrade to Redgum Park, the park located directly behind the school. The project will include a major upgrade to the play equipment in the park, which will be available for use by the school and for the general public. Councillor Cherrie Dalley has been most energetic in supporting this project to benefit our students and our community. While timelines are dependent on a number of factors, there is great anticipation that work may begin in Term 3.

Facebook
The school facebook page is a very useful medium to share information within our community. There is a significant effort that goes into entering new information onto facebook, from the school perspective. Facebook is an avenue for positive, constructive information for the benefit of all. It plays a great role in informing the community about school happenings, quickly. Sometimes people ask questions and advice on matters, which is positive. However, the facebook page is not an avenue for airing complaints. Rather, the appropriate process is to contact the school and to discuss the issue at hand. In this way, matters are dealt with efficiently, appropriately and in a manner which is respectful to the privacy of those people involved.

Chocolate Drive
The P&C is conducting a Chocolate drive to raise much needed funds for our Resource Centre. Chocolates were sent home on Friday 20th / Monday 23rd May. Boxes are $50 each ($1 per chocolate) with the school receiving $20 per box towards our fundraising. All children who sell a box will receive a novelty prize and a raffle ticket in the major draw (to be announced). Children who sell 5 boxes will also receive a child’s movie voucher. All monies are to be returned by Friday 10th June.

Disco
The P&C is conducting a Disco for students on Friday 27th May. All Yugumbir students are invited to attend this event. It promises to be a night of great fun and enjoyment for our students. There are two sessions, to cater for the different ages of students.
- Prep to Year 2 students – 5:30pm to 7pm
- Years 3 to 6 – 7:30pm to 9pm
Entry at the door costs $5; pre-purchased wristbands are available from the office for $4. Hot food (sausage sizzle) $2 and Drinks $2 – will be on sale. There are lucky door prizes for each year level. The theme of the Disco is “Rainbow” – come dressed in whatever colour you prefer.
Parents and students are asked to note the following:
- The disco is for Yugumbir SS students only
- Students must be delivered to the door at the beginning of the disco and signed in.
- Prep students must have a designated adult in attendance
- Students must be collected by an adult from within the hall, after the disco.
- Students will not be permitted to leave the hall during the disco.
- All other areas of the school are out-of-bounds for YSS students and for anyone else.
- Absolutely no stilettos or heels are to be worn inside the hall.
A safe and very enjoyable night is anticipated for all students.

SCIM
On Wednesday, Thursday and Friday of Week 6, students from our Year 6 Instrumental Music Program participated in the Southern Cluster Instrumental Music Camp (known as SCIM Camp). They joined with students from other schools in our cluster to form a band of approximately 120 players, which spent long hours on each of those days learning new pieces and rehearsing together in order to perform for family and friends on Friday evening. As instructors at the camp, Mrs Gittins and I were extremely proud to see all Yugumbir students working hard, behaving responsibly and representing our school well throughout the week. It was also amazing to hear how good they sounded together after just three days.
Congratulations!
Thank you to Bunnings Browns Plains

We would like to thank Bunnings Browns Plains for their donation of shade cloth for our teachers to make 100 board mats that are used in our Maths lessons.

Thankyou to everyone for your support - parents, family and friends and especially the number of staff from Yugumbir state school who attended the concert.

Horticulture Program
You will be able to see many new gardens around the school beginning to take shape. There has been a lot of work happening at lunch times, on Friday afternoons as well as during the weekends and school holidays. All of the work that students are doing during the day would not be possible without the help of our tireless teachers and parents.
Mrs Belshaw and Mrs Cronin have been working non-stop to ensure our school looks amazing and we would like to thank them for all of their help.
We also have a number of parent volunteers who have been helping out our students for a number of years now during their holidays and every week after school.
Mrs Kennedy, Mr Schnitzerling and Mr Jacobson always go out of their way to ensure our programs run well and help shape our beautiful gardens around the school.

We are also lucky enough to have many local businesses that support the programs within our school. The Greenbank RSL, Bunnings Browns Plains, LJ Hooker Browns Plains, Bendigo Bank Browns Plains and the Waller Road Convenience Store, who have recently come on board, have all generously supported Yugumbir. We would like to thank them for their continued support and hope that it continues in to the future.

Nearly all of our veggie gardens have been planted so students will see a wide variety of produce being grown around the school. It is important that students are respectful of these areas and that they are left alone. We also encourage parents to ensure that younger children stay out of the gardens around the school and leave the irrigation sprinklers alone.
Unfortunately due to vandalism before and after school we are having to consistently replace damaged items.

Attendance Term 2
Just a reminder that our attendance reward will go to the Year Level with the highest attendance percentage. We will be getting in jumping castles and obstacle courses for the students.
We encourage all students to be at school, on time. We congratulate everyone who has been trying their best this year so far.
For week 6 the winning year level was Year 6 who achieved an attendance rate of 94.5%.

Our overall leader for the reward is Year 4 with 94.6% attendance. They are narrowly in front of Year 6 and Year 3 who are just 0.3% behind with their overall attendance.

Well done to Year 4.

Dear Parents/Caregivers,

We are having our school disco on Friday 27th May and to ensure the success of this very important school community event, we are seeking helpers to assist at either or both discos. Help is required for the entry door, canteen, laser light sales, door monitors and small clean ups. If you can spare any time to assist, please fill out the slip below and send it back to the office as soon as possible.

With your help, we can ensure that the kids come along, get involved and have fun. It can be very rewarding for our volunteers as well, knowing that the kids have had a really good time and that they have been a part of it. We thank you in advance for any assistance you can provide.
