PRINCIPAL’S MESSAGE

Dear Parent, Carers and Students

*Caring Hearts – Inquiring Minds – Enriching Lives*

Every student comes to the classroom with a unique profile of abilities, knowledge and interests. Some do better when they are allowed to explore; others do better when a teacher explicitly teaches a concept. Some do best when they learn in groups; others do best working on their own, using technology. Some are way ahead of year level expectations; others are well behind. Some struggle emotionally and socially while others love the interactions they experience and engage with throughout the school day. These are the enormous complexities our teachers are confronted with every day.

I continually challenge my leadership team and staff to provide a school environment that inspires and meets the needs of every single child in our care. Our teachers constantly use achievement data to evaluate learning and set individual student learning targets. They continue to grow in their ability to differentiate instruction, tailoring each lesson to the concepts your child needs to learn, and the ways he or she can learn them best.

We are dedicated to preparing your child for success in the real world. As part of our effort, we will continue to develop the capacity of our staff to explore new ways to deliver instruction and leverage technology to improve learning.

Our school will continue to evolve, adapt, grow and enrich the lives of all our students.

*Every Day Counts*

Our attendance year to date sits on 92.9%. The best performing year level to date is Year 5 and their attendance is on 94%. Keep up the great work.

Remember make every day counts towards helping your child succeed at school.

Tony Maksoud
Principal

On **Friday 4th December at 9:15am**, our whole school parade will be replaced by the 2015 Academic Awards Ceremony. We have many VIP’s attending this prestigious event, and would like to extend an invitation to all parents and carers to attend also. All teachers have been nominating students based on the following awards. For the majority of awards, teachers have nominated 1 student per class, with 1 overall winner for the category per year level. In other instances, there is only 1 nominee for the year level.

The awards to be presented are:

- English
- Maths
- Overall Academic
- Most Improved
- LOTE (Yrs 4-6)
- Music (Yrs 3-6)
- Physical Education (Yrs 3-6)
- Horticulture and Environmental
- Social and Learning
- Principals Award
- Behaviour Improvement
- Aunty Eileen Williams
- Science (Yr 6)
- Citizenship and Service (Jim Chalmers Award – Yr 6)
- Dux (Yr 6)

The Year 6 students will be presented their awards during Graduation which is on Monday 7th December at 5:30pm in the school hall.

**Attendance Points**

To help us achieve our target of 95%, each morning our teachers take a tally of the number of students from each sporting house who are at school on time. Students need to be on time as late arrivals are not eligible for a point for their house.

On Wednesday of week 10, the winning house will participate in a rewards Day. Encourage your children to be at school on time, every day!

For week 6 of Term 4, there were 2 leading classes. PrepKA and 2/3 KS both had an attendance rate of 96.8%. The winning house for week 6 was the Wallaroos.

For week 7 of Term 4, the leading class was 6SW with an attendance rate of 97.8%. The winning house for week 7 was the Gliders who are also narrowly leading the overall points race for Term 4.

Well done to all those who are making every day at school count!
During the holidays here are some simple yet effective activities you can do with your child in Years 4-6 to help them apply the literacy skills they have learnt at school:

- read some of the same books as your child and talk about characters, storylines and themes
- when assembling a newly purchased item, ask your child to assist with the reading of the instructions and interpreting diagrams
- read the newspaper with your child each morning — choose an article to discuss and ask questions such as ‘what is the report telling you?’ and ‘what does this word mean?’
- use language that encourages thinking and reflection such as ‘do you agree with what was written in that newspaper article or story?’ — have your child locate sources within the story or text to support their point of view
- talk about movies you have seen — discuss why a filmmaker may have created a movie in a certain way, the purpose of the film, the intended audience and what points of view or values are conveyed. Talk about language choices and why characters are represented in certain ways.

Check out some great persuasive letters from 1SG to match their great posters from last week.

TO MS FORD
I would like to fix the problem of people who are dumping on the streets. I am sorry, some people are doing this. We need to help our town. This needs to be fixed. Maybe you can come next week.

I always tell children to walk near other people too.

TO MS FORD
I would like to fix the problem of people being mean. I was really, really sad. Can you help me?

We would ask that each additional family member attending the Art Show make a gold coin donation at the door. Please pay for your tickets at the office on Mondays, Wednesdays and Fridays by 10am. Closing date is 25th November. Doors open at 6:30pm. Please come along and support our amazing Prep students.

The last of our new garden beds have finally been built. The students have been busy planting different vegetables and flowers and they are beginning to look spectacular. In the coming years these gardens will teach our students how to be sustainable and how to grow and eat healthy foods.

We would like to thank all the parents who have been volunteering with the Year 5’s this year and hope that this can continue and grow in the coming years. We would also like to thank LJ Hooker Browns Plains, Bendigo Bank Browns Plains and the Greenbank RSL who have donated time and money to make these opportunities for our students possible. We look forward to continuing our relationship in the coming years.

Thanks for your continued support.
Yarning at Yugumbir

We are very excited about our Yarning Circle that we will be building in the rainforest area at the back of the school. I will put a little snippet in the newsletter each week up until the end of the year to provide information on how powerful a yarning circle can be, and what it actually is!

Yarning at Yugumbir

In the Yarning Circle:
- It is okay to have a different point of view
- Don’t need consensus
- It’s okay to disagree
- No right or wrong
- Everyone has a turn
- Confidentiality
