**PRINCIPAL’S MESSAGE**

Dear Parents, Carers and Students

Welcome to our fourth edition of the school newsletter for the year. This week I want to focus on the positive tone of a community and conflict. The tone of any environment rides on the positive and level-headed talk of the people inside it and how they interact with one another.

Conflict, to differing degrees is absolutely unavoidable in life. It occurs daily, between individuals or groups, at all age levels and in all kinds of situations. Conflict in and of itself is not necessarily good or bad. How we manage conflict determines whether it is productive or destructive. Collaborative approaches to conflict are more likely to protect relationships.

Our school strives to work within a positive climate where rules, policies and behaviour encourage win-win outcomes for everyone. Win-win solutions involve a high degree of cooperative behaviour.

Our students have the best chance of success when they work cooperatively with their classmates, their teachers and other members of school staff. Their chances of success are further enhanced when family members and other significant people in their lives model appropriate behaviour and actively support the work of the school. A win-win solution means that all parties feel good about a decision and feel committed to a plan.

Our school unfailingly uses natural justice when seeking resolutions around incidences, complaints or any forms of conflict. Natural justice involves informing the person of the case against them; affording them the right to be heard; being independent, and not having a personal interest in the outcome; and acting only on the basis of logically clear, reliable evidence.

Generally most people in our school community resolve conflicts in appropriate ways. They also consistently display our community values of Cooperation, Creativity, Discipline, Enthusiasm, Perseverance and Resilience. Well done to those students and their families.

Principal
96five Family Show

Come see the 96five Family Show with Liam, Robbie and Romeo the Radio Dog as they take their breakfast show on the road with the Family Show School Excursion to our school! They’ll be broadcasting live from 6am-9am and there’ll be loads of other fun family activities including a jumping castle, sporting games, freebies and of course a coffee cart for the parents! You can even catch Seven News helicopter when it pops in on Wednesday 11 March from 6am right here at Yugumbir State School. We are combining this visit with the launch of our Buddy Bear Program. We would like everyone to be wearing PURPLE on this day. More information will follow soon.

NEW SCHOOL RESOURCE SCHEME 2015 (SRS)

LAST WEEK FOR DISCOUNT!!!

All families are strongly encouraged to support the annual $50.00 Resource Scheme.
The completed and signed Participation Agreement Form should be returned to the school by Friday 27th February 2015 to indicate participation or non-participation in the Student Resource Scheme.

If full payment is made before 27 February 2015 parents will receive a $5 discount per student.

eg. A family of 3 students will show as follows:
Amount Invoiced – 3 students at $50 each $150
Less discount 3 students at $5 each $15
Total Payable $135

The School Resource Scheme includes the provision of:
- Subsidised dance lessons (10) by Footsteps Dance Company in Term 2
- Reproduced class materials which complement and/or substitute textbooks
- Online subscriptions (Reading Eggs and Ideal Resources)
- Photocopying costs (classroom materials and workbooks only)
- Materials for key learning areas where the instruction is extended through providing practical learning experiences in excess of materials provided by our school grants

Children of parents who choose not to participate in the School Resource Scheme will not be provided with any of the resources above or access to online subscriptions.

School Arrival Times

It has been of great concern to see that an ever increasing number of students have been dropped off at School well before 8 am.

8.30 am is actually the recommended ideal time for student to arrive at school unless they need to be here earlier for a specific reason eg; Booster Classes, Band Practice, Sport Training etc.

Our new policy will be that any students arriving prior to 8.15 will be required to make their way directly to the Main Under Cover Area, outside the Tuckshop. It would be great if the students had a book to read so that they could be occupied whilst waiting.

At 8.15 the Office Staff will make an announcement to allow the children to move quietly to their class area to wait for the school day to commence. Children should remain quietly with the vicinity of their own classroom until the first bell rings.

NO students are to play on ANY Adventure Playground before School.

PCYC operates Before and After School Care from our School Hall for students of parents who require care. PCYC can be contacted on 0427 755 364 or you are welcome to call in to discuss care with the available staff.

We are seeking your co-operation in this matter to ensure maximum safety for all of our students before school.
School Photos

It’s not too late.

Photo envelopes complete with payment can be left at the office until Friday 27th February. For orders after this date you will need to contact Country School Photos directly.

Book Orders

You can order your school books online at www.edsco.com.au or phone 3350 2677. You may contact Edsco directly anytime throughout the year for orders.

Curriculum News

This week’s Reading Strategy Focus is Connecting. Making connections is when we make links between what we already know (our prior knowledge) and the text. There are three kinds of connections we can make with a text and they are-

- **Text to self** – this is when we connect the text to our own experiences. It could remind us about a place we have been to, a person in our life, a feeling we have had, or an event we have celebrated.
- **Text to text** – this is when we compare a text to other similar texts such as a book, movie or television programme. The characters, plot or setting could be the same in both texts.
- **Text to world** – when we connect what we are reading to things that are really happening in the world around us.

Check out the great reading happening in our Prep Classrooms. These are students in Prep MB hard at work making connections and learning their sight words.

STRIVE- Structured Tier Two Robust Instruction of Vocabulary Experiences

This week JB and 3JH HS have been learning the meanings of these words in their classroom-

Thanks for sharing your great words 3Jb and 3 JH!
Reading Eggs
The school has purchased Reading Eggs this year for all classes. During this week your child’s teacher will send home log on details so your child can access Reading Eggs at home.

Happy reading everyone and don’t forget to activate your prior knowledge and make a prediction before you read. As you read, try to make connections to what you are reading.

The resource scheme provides us with significant opportunities to refine explicit teaching strategies for all students and ensure we personalise the teaching and learning for every child. As we continue to embed the Australian Curriculum and make use of the “Curriculum into the Classroom” units of work developed by Education Queensland, we continue to develop year level and unit specific resources to meet the needs of all students including those with special needs and academic strengths. By inviting and encouraging parents to support an annual $50.00 Resource Scheme contribution we will be able to produce very explicit resources to align to the work being taught in each classroom. It will also provide you with clear savings to online subscriptions that our teachers use to consolidate your child’s learning.

The School Resource Scheme includes the provision of:

- Subsidised dance lessons (10) by Footsteps Dance Company in Term 2
- Reproduced class materials which complement and/or substitute textbooks
- Online subscriptions (Reading Eggs and Ideal Resources)
- Photocopying costs (classroom materials and workbooks only)
- Materials for key learning areas where the instruction is extended through providing practical learning experiences in excess of materials provided by our school grants

Children of parents who choose not to participate in the School Resource Scheme will not be provided with any of the resources above or access to online subscriptions.

The school will provide parents and caregivers with an invoice for the resource scheme payment.

**Payment**

☐ I agree to pay the Student Resource Scheme by the due date and I understand that any failure to make payment by this date may result in my child(ren) being excluded from extra-curricular activities. Access may be withheld even if the student is presenting payment specifically for the extra-curricular activity.
