Principal’s Message

Dear Parents, Students and Community Members,

Anzac Day was celebrated within our school community last Friday. A very solemn ceremony was held in our school hall. The ceremony was respectful, meaningful to all and at a level which allowed all students to connect with the meaning of Anzac Day. The presentations throughout the ceremony were all performed by students. Congratulations to our bands, choirs, (led by Mrs Farthing), our bugler Erin K, student leaders, visitors and everyone for your support and the quality of your contributions to our school ceremony.

Our school ceremony was attended by Mr Don Higgins (RSL Greenbank rep), Mr Linus Power (MLA for Logan), Mrs Cherrie Dalley (Logan City Council), Mr Mathew Jackson (P&C), many parents, staff and students.

Our guests particularly commended our students - not only the school leaders for their leadership of the ceremony but all students who sat quietly, fully attending to the ceremony in a very respectful manner. I would like to especially commend our prep students, whose concentration and conduct were exemplary. Our appreciation is extended to Mr Wills, Ms Cornwall and members of staff for their work in organising this ceremony. There are a number of photos displayed on the school website and Facebook page.

On Monday 25th, 36 of our Yugumbir students attended the community Anzac Ceremony, held at Greenbank RSL. Our school group was exceptionally well presented in their day uniforms and their conduct and marching was of a very high standard, of which we can all be proud. This community event is very well attended in our broader community, demonstrating the importance of Anzac Day. Thanks to students who attended for representing our school so well. Also thanks to parents who supported these students and to Mr Wills for his organisation of this activity.

Our school community can be justified with our commitment to this important day in national calendar. (See Mr Wills’ report below.)

Smoking banned 5 metres around school grounds

Parents are reminded of government legislation regarding smoking in or near schools.

Smoking any tobacco products or using an electronic cigarette within five metres of any state or private school grounds has been banned. This applies before, during and after school hours as well as over weekends and school holidays.

On the spot fines can be issued by environmental health officers, police or other officers authorised by the local government to anyone found in breach of this legislation. The ban does not extend to businesses or residences that share a property boundary with a school.

Smokers are asked to put out your cigarette and dispose of the litter thoughtfully well before you reach the school boundary. Further information is available at www.health.qld.gov.au/public-health/topics/atod/tobacco-laws/schools/default.asp

The above means that there is to be no smoking on the footpaths around the school. The example that is provided to our students is one critical reason why this policy was adopted, along with possible exposure to passive smoking.

Road Safety

There are designated crossings located on Redgum Drive, Wisteria Drive and Vansittart Rd - on three sides of our school. These are manned before and after school for peak periods. However, it is still “best practice” that students use these crossings when there is no supervisor in place.

The section of Redgum Drive that is behind the school does not have a designated crossing. Parents who deliver students to school in this area are encouraged to ensure students have good practices re crossing the road. Stepping out between cars, from behind a car or at places where visibility is unclear is dangerous. Delivering students onto the school side of the road also is a safer option.
Oral Language Good Ideas
This week, we present another of our suggestions for parents to use to with their young children to support language development. Trying these in a fun way is always best. Enjoy…

**Good Idea 7**
When you read a book with your child, take notice of any words that might be a little tricky, or that you don’t think your child has heard before. Talk about that word with your child, explain what it means in simple words, and give your child examples of the word in a sentence. For example: the word **gigantic**. You could explain it as “when something is really really big, you can say it’s gigantic”. Give examples such as “a ferris wheel is really really tall, so it is gigantic” or “a t-rex would be really big, so it is gigantic”. See if your child can think of any examples for the word.

**Good Idea 8**
Ask your child to identify the sounds in their name i.e. for the name “Ben” the first sound is /b/. Ask if they can think of any other words that start with the /b/ sound? Is the first sound in your name the same, or different, to theirs?

**Being at School “On Time” – Ready to Learn**

*With the cooler weather, it may become more of a challenge to have students at school on time daily. This is an important focus for our school. Late arrival impacts on the student’s readiness to learn for the day and on the learning of others. Here are some ideas for your consideration…..*

Getting your kids up and out the door on time for school can be quite a challenge. It is easy to fall into the pattern of being late or in a ‘rush, rush, rush’ pattern. Neither one of these is helpful for you or your children. Avoid the morning rush with careful planning and preparation. When morning time is unhurried and organized, everyone is more relaxed and the day begins much brighter.

Tips for making morning times more manageable:

**Create a morning routine (and stick to it!)**
Help your child to follow the same routine every day. Routines make things predictable and help keep your child on track. Younger children may enjoy using a picture chart to illustrate their morning schedule. For older children who are reading, a written schedule or tick chart is often helpful.

**Prepare school uniforms the night before**
Have your child lay out school clothes the night before, including shoes, socks, and any other accessories. Not only will this help make getting dressed easier in the morning, it will prevent meltdowns around what to wear or not being able to find a clean school uniform! This encourages independence and also saves you from sounding like a broken record repeating the same commands again and again. Instead get them to refer to their chart on the fridge.

**Pack lunch the night before**
Make morning tea/fruit breaks and packed lunches the night before. It’s easy enough to put the sandwiches etc wrapped in the fridge. Have your child help you with this or if they are old enough, they may do this on their own. Provide supervision as needed. You don’t want your child opening his lunch bag mid-way through the school day to find only a bag of chips and crackers that he haphazardly threw together. A healthy lunch is essential in getting through the school day with the ability to concentrate all day. The key is of course to remember to put them in the lunch boxes in the morning rush!!

**Be organised around the house**
Have your children designate areas for all necessary school items, such as book bag, lunch box, glasses, etc. Help your child get into the routine of putting these items in their designated spots so they are easy to find in the morning. For example once homework is done, pop it into the school bag and place it by the front door.

**Have a time schedule**
Wake up before your children so you have plenty of time to wake up and get dressed. If you are almost ready when you wake them up it will help with your stress levels. (You might even have time for a quick cuppa in peace!)

**Don’t forget a healthy breakfast!**
If your children are old enough to start getting their own breakfast try laying the table the night before with the cereal packets, bowls etc. That way they can make a start whilst you help with the younger children. If it is possible start to get breakfast most of the way prepared before your child comes into the kitchen for breakfast. Your children will feel much more relaxed when you are relaxed and unhurried. If you are stressed and running late it has a knock on effect.

**Eliminate Distractions**
Keep electronic distractions off in the morning. Use the morning time to talk and be with your child during breakfast and in preparation for school. Make a rule that there be no television, computer, video games, etc. during this time.

**Set clear rules**
If you are happy for the children to watch the TV in the morning make sure the rule is “once you are ready for school you can watch the T.V.” Therefore this means dressed, breakfast eaten, teeth cleaned, shoes on, bags ready by the front door. If the T.V is on they will just watch it and that sock won’t make it onto his foot or only half a piece of toast will have been eaten half an hour later. This is so frustrating and drives us mad, but we all know that children can’t multi-task like Mums can!
Sleep Well
Make sure you and your child are both getting enough sleep at night. If your child is hard to wake in the morning, review his bedtime routine and see where you might be able to make helpful adjustments. A good night’s sleep makes everyone feel better and when everyone feels better morning time runs smoother.

Stay Positive
When it’s time to head out the door to get into the car or meet the school bus, be sure to send your child on his way with loving, positive words and a hug, no matter how stressed you are, it really does shape the kind of mood they will be in when they arrive at school.

The key to getting all of this working for you is to be consistent! It’s not always easy and some days are better than others.

Mother’s Day Stall – Thursday 5th May & Friday 6th May

The Mother’s Day stall will be held Thursday 5 May (Years 3-6) and Friday 6 May (Prep-Year 2).
This will be held in the main undercover area outside the uniform shop. The teachers have completed a roster to take their class to purchase gifts on these days. The P&C have been very busy purchasing and wrapping a wide range of wonderful gifts for the student’s Mums. Please support this fundraiser and take the opportunity to allow the students to purchase a gift of choice for their Mum.

Gifts range $4-$12. There are also limited “bargains” for 50 cents and $1.00

The students always feel so proud to choose a special gift for their Mums from the school stall.

ANZAC DAY REPORT

Anzac Assembly Friday
Last Friday, a very dignified and respectful Anzac Day ceremony occurred in our School Hall. Prep to Year 6 students attended, and showed great maturity in their conduct throughout. The students were addressed by a former member of Australia’s Armed Forces, Mr Don Higgins, about the history and significance of Anzac Day, and the lessons that can be learnt from those who have served our country.
Well done, Ben, Abby, Danieka and Jordyn, for their wonderful facilitation of the proceedings, and to Mrs Gittins and the Flute Ensemble for their fantastic, poignant contributions to the ceremony.
It was so pleasing to have the Last Post and the Rouse played live by one of our students during our ceremony. Congratulations to Erin K of 6MS, on an outstanding performance of these pieces during our ceremony. The students who represented their Year Level to lay wreaths did a great job and we thank Mrs Matski, Mrs Cronin and the band of helpers, who created the wreaths for our ceremony. Thank you to the parents who joined with us to pay tribute to our service personnel, past and present.

Anzac Day Parade Monday
Yesterday 36 students joined Mr Quinn and Mr Wills and P&C Treasurer Mrs Kathryn Jahnke, to participate in the annual Anzac Day march and commemoration service, conducted at the Greenbank R.S.L. The students are to be congratulated upon the manner they behaved, being excellent ambassadors for our school. As part of the service, our School Captains laid a wreath in remembrance of those who have fallen in all conflicts on behalf of the School community. Thank you to those students who gave up their time to attend and to their parents who brought them along.

Leadership Day 2016

On the 19th of April all of the School, House and Music captains went to the Primary School Leadership Day to represent our school. It was held at Park Ridge State School and was hosted by the four School Captains.

As we arrived the leaders gave us a warm welcome into their school for we were extremely excited. Then the principal, Ms Amos introduced everyone from Park Ridge and explained the activities that were happening that day. At 9:30am we got into small groups, formed with other primary schools and started to play some leadership games. We played some hands-on games and some strategy games so we could build on our intelligence and fitness.

After that at 10:45, we had biscuits, muffins and fresh fruit for morning tea and we also got a chance to bond with other leaders. Mr Emblen then gave us all a workshop introduction, which probably tickled all of our funny bones. Leadership Workshops were then run by the School Captains from 11.30 to 12.30. We all then had a sausage sizzle for lunch which was provided by Park Ridge State High School. Mr Emblen then returned for team building exercises. Different students from different schools faced the team building test. Trust was the key, as some students had no other choice but to take the risk of possibly being “wacked” in the face. Then Mr Hillas the Deputy Principal, spent half an hour talking to us about how to be a good leader. We separated into our 6 different schools and answered questions, such as “describe a good leader in three words”. We realised that good role models don’t just care about themselves but about others too. Each school then had a competition of the game “Piranha Pond”, which is that you must cross a piranha pond with only 12 wooden blocks. It was the final battle of Yugumbir State School against Browns Plains State School, as the tension built. We struggled to make it across while balancing and that was when we were tied up with the competitors. We quickly worked to make it across as we saw the other team lose their balance, so from that point forward we technically won.

Finally at 1:45, we had a certificate ceremony, congratulating us on our important role. So in the end one word to describe Leadership Day is “AMAZING”. I learnt a lot of things from this experience and the most important one was that with great power comes great responsibility. I was honoured to be able to go to my first ever Primary School Leadership Day.

Dear Parents / Guardians

Students in Year 1-3 will be running the Fun Run as a whole year level. Students in Year 4-6 will run in their Age Group. This will avoid any confusion.

The following are approximate timetables for the Inter House Fun Run / Cross Country. If we are unfortunate enough to have rain, which makes it unsafe to go ahead, other dates will be advised. We hope that you can make it along to watch your child participate. Each student can participate at their own level, so they may walk, jog or run the course.

All students are expected to participate. Those students with medical conditions or illness must bring a note to exclude them from the course.

If your child has a medical condition which we should be made aware of such as asthma please provide written advice to their class Teacher.

* All children who suffer from asthma must carry their puffers with them as they run / walk the course.

Supporters and spectators are welcome but are asked to please stay clear of the children and the running course. Please do not come into the competition area on the oval.
