Monitoring Student Attendance
Parents would be aware of articles in the media in recent times about young people going missing, including some who were expected to be at school, but were not. These stories are very sad but also are a reminder to us all that we need to work together to ensure every one of our students is safe and where they are supposed to be - everyday.

As a response, the Qld Government has introduced higher expectations of schools in relation to the management of the attendance/absence of students, at school. Central to this focus is the management of “unexplained absences”. An “unexplained absence” is when a child is not at school and the school has not been advised of the reason for the absence. Every “unexplained absence” raises questions about the safety of a child.

Parents owe it to themselves, their child and the school to ensure every student’s absence is communicated to the school, preferably on the day of the absence or in some cases, prior to the absence. Parents are encouraged to advise the school of their child’s absence before/on the day of an absence by:
- emailing absences@yugumbirss.eq.edu.au
- calling the absence line Ph 3380 0360
- or calling the office on Ph 3380 0333

Education Qld now has an expectation that in the event of an unexplained absence, the school must contact the parent of the child, on the same day of the absence.

This means that every parent of a child whose absence is unexplained on a given day, will receive a text, advising of the absence and requesting a reason for the absence. Parents are strongly encouraged to respond to this text as soon as is possible.

Should a parent not respond to a text re an “unexplained absence”, on the following day, the student will be issued with a form letter, by the class teacher, again requesting information about the reason for the absence.

The co-operation and commitment of all parents is urgently sought in relation to the above, working with the school to ensure the safety of your children.
Recognising Exemplary Behaviour and Positive Attitudes to Learning

Our school values the efforts of our students to be positive contributors to their class and the school community and to show positive attitudes towards their learning. This is the reason why our school has introduced the **Vivo positive rewards** scheme and also continuing the practice of **mailing congratulatory postcards to students**.

It is easy to fall into the practice taking the positive efforts of the vast majority of students for granted. However, the need for these students for affirmation and encouragement is paramount, if we are to encourage them to be confident, to strive to grow and to take risks in their schoolwork.

Post cards are mailed out regularly, with the names published in the newsletter. The Vivo program was introduced last week. Staff members issued approximately 18 000 Vivo points last week. This is indicative of the enthusiasm that this program has generated within our school.

Acknowledging positive, constructive behaviour and individual efforts to achieve is important for all students.

**Boom Gate** - A boom gate has been installed at the gate entering the car park adjacent to the hall. Unauthorised use of this carpark has continually raised problems which have not been addressed, despite continual reminders.

*The boom gate will be operational from Thursday morning (28th July). It will be down from 7am until 4pm each day.*

This means only authorised users will have access. Access will be provided to relevant staff, to P&C members on P&C duty and to parents who have a genuine mobility issue (eg parent cannot leave vehicle for drop off/pick up, student has a wheelchair).

**Parents with mobility issues who would like to be considered to have access through the boom gate, are asked to contact the school office.**

In special circumstances, when access is required by a parent who is not an authorised user, contact can be made with the office using the # button on the gate. This may be to collect an ill child from school or to deliver a large musical instrument, as examples. Please explain your reason for access to the office representative.

**Communication** – As explained in the newsletter last week, our school values clear, active communication with parents and the community.

The school currently has a range of avenues to facilitate communication with/from parents. We have our school website, our Yugumbir App, QSchools, QParent, our Facebook page and this newsletter.

Parents are strongly encouraged to download the **QParent app** and the **QSchools App**, to ensure current connectivity with the school. Find the instructions to download these apps, in the attached fliers.

*Our school community will be more cohesive and informed when all parents have downloaded these apps and is able to use them with confidence.*

The school phones were out-of-order last week, for several days. In such circumstances, communicating to parents depends on these other avenues of communication.

**School Opinion Surveys**

Each year, Education Qld conducts School Opinion Surveys. This process involves surveys of a selected random sample of 60 x Year 5 students and 60 x Year 6 students, all staff and one parent per family.

Letters with details about how parents can participate (website and access codes), were issued via “the youngest in the family” on the first day of the new term.
Parents are strongly encouraged to complete the survey. The School Opinion Survey is used to measure the level of satisfaction with important aspects of our school. If parents have not yet completed the survey, it has to be completed by Friday 29th July. Thank you, in advance, for your support.

**Junior Sports Day** – The Junior School Athletics carnival will be held on Wednesday 10th August. On this day, students from Prep to Year 3 will participate in a variety of activities, including running events, ball games, novelty relays and long jump, mostly within a tabloid format.

Parents are most welcome to attend, to cheer along their child and indeed all participants. The P&C is conducting a sausage sizzle on this day. See the order form at the end of this newsletter.

Any parent who is able to assist the P&C on this day would be most welcome. Please call Kathryn on 0456 684 769, even if just for an hour or so.

Find the program below.

**PANCAKE BREAKFAST MONDAY 1st of AUGUST**

On Monday 1st of August our Breakfast Club volunteers will be putting on a pancake breakfast for our school between 8:00am- 8:45am.

This will be the last day for some of our volunteers, these amazing people have been volunteering at our school for over six years. This will be their gift to our school as we celebrate our Thirty Year Anniversary.

So come and enjoy a FREE pancake breakfast next Monday and CELEBRATE with us!

**Naidoc Week**

NAIDOC Week celebrations are held across Australia each July to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC is celebrated not only in Indigenous communities, but by Australians from all walks of life.

Our school will be celebrating Naidoc Week this week. The week will culminate in a special Naidoc Parade on Friday 29th at 9am in the hall. Parents are welcome to attend this parade.

**Lost Property**

Currently there is a huge bundle of coats, jumpers and hats in lost property. On Friday this week, all of these items will be displayed on tables in the tuckshop undercover area, from early morning until after school. Many items do not have names on them. Students and parents are encouraged to check their belongings at home and if any are missing, to visit the lost property display on Friday.

*Principal*

**CHOCOLATE DRIVE – PRIZES**

Prizes will be calculated this Friday 29th July.

*Please ensure all chocolates and money are returned immediately.*

Thank you for your co-operation
**RULE OF THE WEEK - FROM 5LB**

During Term 1, the Year 5 classes completed a unit focussing on how to stay safe online. With this fortnight’s rule of the week ‘Be Cyberwise’, 5LB has collated a few tips to share with everyone about being safe and responsible in eSpaces. Some of the things that we can do to make sure we make responsible choices in with devices are:

- Keeping passwords a secret
- Using devices (iPads, phones, computers) responsibly and carefully
- To respect copyright laws
- To check-in our phones to the office in the morning
- Not to take photos or publish photos of anyone without their (or their parents) permission
- If you post it you own it: Once it is ‘out there’ on the internet, you can’t take it back, even if you regret saying it or posting it. Even things we think are ‘deleted’ never really are.

We also found the **Office of the Children’s eSafety Commissioner’s** website ([https://www.esafety.gov.au/](https://www.esafety.gov.au/)) to be a great website for parents, teachers and kids. It helps kids understand where to find information about keeping safe online, what to do if you spot inappropriate content online and what you should do if you (or someone you know) is being bullied online.

The wrap-up finishes the story off. It tells us how the characters feel at the very end of the story. Most characters are satisfied at the end with the exception of the villain who may be unhappy.

Rugby League

Last Friday I had the pleasure of being able to attend and watch our Year 5 and Year 6 teams participate in the Annual Metropolitan Rugby League knock out competition. This is a competition where all District winners are invited to participate with the finals being played at Suncorp Stadium.

Our teams were drawn to play Kruger State School and although unsuccessful, our boys played well. Our much smaller boys challenged the opposing teams to be at their best to overcome our courageous students. All the boys are to be congratulated upon their efforts, giving their all until the final seconds.

Congratulations also to Mr Sergeant for getting the boys to a point where they could be invited to participate in this end of season competition.

Again, well done to the boys and Mr Sergeant for their efforts as they were great ambassadors for our school.

FREE MONEY FOR AIR-CONDITIONING

Drake’s IGA is donating money to the school for every dollar you spend in store when you present our school dedicated tag. Tags can be used in any Drakes Supermarket in Australia and can be used by anyone. It doesn’t have to be a parent of the school. So grab a tag for all your family, friends and neighbours.

So far this year, Drakes has donated $217 to the air-conditioning fund and this is with only a few tags being used. Imagine how much we could get if everyone who shops at Drakes has a tag.
Tags are available from the office for adults to collect.

Dear Parents/Guardians/Grandparents/Friends,

On Wednesday, 10 August, the children in Prep through to Year 3 will take part in our school’s SPORTS FUN DAY. Every effort has been made to provide a highly participative day and, as you can see from the program, the children will be involved in many activities. We welcome all parents, guardians, grandparents and friends to come along and take part in the day.

A FEW THINGS TO REMEMBER:
- Children are to wear House sports uniform i.e. coloured T-shirts & shorts or skirts.
- If girls wear bicycle pants they must wear their skirt over the top.
- Children must keep their shoes on at all times. No soccer boots or similar are to be worn.
- Bring something to sit on, some shade cover, hat, etc.
- If you wish to order lunch from the Tuckshop, please do so before 9.00 am. A picnic lunch by the oval might be an idea.
- As you can appreciate, there will be a lot of excited children taking up a lot of room at activity areas. We do like you to be there to watch your child but, so that teachers can run activities efficiently, please do not enter into the activity areas.
- Please note that photography and video recording should be of your own child and must be for personal and private use only.

Thank you for your cooperation. We look forward to seeing you there.

QParents

QParent – The QParents web and mobile application provides an easier way for you to interact with our school. Parents will have secure, online access to their child’s student information, anytime, anywhere, through a smartphone, tablet or computer. It provides access to student information such as:

- Attendance details
- Behaviour
- Report cards
- Timetables
- Invoices
- Payment history

Parents are also able to update your child’s details including address and medical conditions, submit reasons for unexplained absences, notify the school of future absences, and make online payments against school invoices.

How will I get access to Q Parent?
You will be able to register a QParents account through the school office. Parents should advise the school office of their desire to register for Qparent. Staff will then support the parent through the registration process.

One parent/caregiver will then be nominated by the school principal to manage the student’s information.

QParents will assist both staff and parents in sharing and responding to information in an efficient and effective way.

The benefits of QParents

Convenience and time savings for parents

- Parents can view or update their child’s details without having to contact the school.
- Secure 24/7 online access.
- Available anytime, anywhere — access QParents on your smart phone, tablet or computer.

Greater transparency of information

- Improves accountability between parents and schools by providing parents with timely access to their child’s information online.
- Allows parents to engage more deeply in their child’s schooling.

Improved administration efficiencies for schools

- Allows schools to streamline their administrative processes and cut down on printing.
The QSchools app is a convenient way to share up-to-the-minute information with the school community.

The app is designed to integrate with Websites for Schools websites. When a school publishes content to their website, the app is automatically updated with the latest news, events and newsletters.

Emergency announcements and push notifications, such as information about natural disasters and school closures, can be published by the department.

All Queensland state schools are searchable via the app, however only schools who have upgraded their school website with Websites for Schools will benefit from all the features of the app.

Parent and Community Engagement Framework alignment

The QSchools app is a useful tool for schools implementing the Parent and Community Engagement Framework to facilitate:

- better communication with the school community
- community collaboration
- encourage participation in the school community.

Benefits for parents, carers and families:

- access the latest school news, newsletters and calendar events
- receive emergency announcements and push notifications
- follow multiple schools
- search for the nearest school by current location, postcode, school name or suburb.

Compatible with the following devices:

- Android
- Apple
- Windows
1. Download or update the QSchools app
   Compatible with the following devices:
   - Android
   - Apple
   - Windows 8

2. To receive automatic updates, you will need to ensure that QSchools push notifications are enabled in your phone settings.

3. Search for your school
   The QSchools app allows you to search by:
   - School name search
   - Map search
   - Schools near your current location

4. 'Favourite' your school to receive updates

Sausage Sizzle will also be available for other family members to purchase on the day.

Please return forms with correct money (cash only – no change given) in a sealed envelope/bag to the office by Wednesday 3 August.

Anyone who can assist on the day please contact Kathryn on 0456984769 (even if it is just for an hour).
