PRINCIPAL’S MESSAGE

Dear Parents, Students and Community members,

C is for CELEBRATE

Yugumbir SS’s curriculum program is based on the Australian Curriculum. This means our school will report against the standards outlined in the national curriculum.

Under the Australian Curriculum, Yugumbir students are assessed against the same standards as all other students in their year level, in every Australian state and territory. Whether or not a student receives an A, B or C on their report card will depend on how well they have achieved the **required national standard**, not on how well they have done compared to others in their class.

Mums and Dads sometimes feel disappointed if their child has one or more ‘C’s on their report card. This can be because they understand a ‘C’ to mean ‘average’. However, a ‘C’ does not mean average. A “C” is something to celebrate!

Achieving a “C” means that a student has achieved the **required standard for their year level** as outlined in the Australian Curriculum. In general, it means that students can remember and understand learning considered essential for their age. A student who achieves a “C” is seen as achieving at a standard that is expected for students in the child’s year level – in all schools across Australia.

Students who achieve A’s and B’s are usually required to demonstrate a level of “higher order thinking”, like applying learning to design a solution to a challenging problem. Getting 100/100 on a test does not guarantee an “A”, unless the test includes questions that requires the more advanced thinking associated with an “A” standard in the Australian Curriculum.

Of course, it is fantastic when a student achieves an A or a B, and ALL of our children are encouraged to strive for excellence. That said, students and their parents can feel justly proud if the student achieves a C and we should all let them know that they have performed well.

Students receive a ‘D’ when they have not yet achieved the required standard, but are working towards it and continue to learn and develop. Students who receive an ‘E’ are experiencing difficulty and require intervention and support. Whatever mark your child receives, the teacher’s comments will tell parents how hard they are trying and describe the progress being made.

Our goal is for every child to be achieving his/her personal best. The Australian Curriculum allows each student’s performance to compared against the standards – not each other.

Disco

Last Friday night, the P&C conducted a Disco for students. The Disco was thoroughly organised by the P&C. Congratulations to these hard working members of our school community for their leadership.

Students enjoyed the “Rainbow” theme and the dancing throughout both the senior and junior discos. The standard of behaviour displayed by students and their willingness to participate positively in the dancing, was very high. Well done to all students.
Also, our sincere thanks to the following staff members who attended to support the night: Mr Wills, Mrs Wakefield, Ms Cronin, Mrs Hansen, Mr Sergeant, Miss Norman, Miss Boyle, Miss Bailey, Miss Hall, Mr Ross, Mrs Byer, Mrs Didlick, Mrs Belshaw, Mrs Johnson, Mrs Vincent, Mr Williams, Miss Henwood, Mrs Jackson, Miss Duran, Mrs Goudy, Miss Barber, Mrs Greenhill, Miss Hunter, Miss Bonnici, Mrs Nicole Parkes, Mrs Thoday and Mrs Dowling.

Also, there were many student-teachers who attended, voluntarily. A sincere thank you is extended to the many parents who either attended the evening or ensured delivery and collection of students was "on time." A great time was had by all.

**Redgum Park**

The Logan City Council is planning for a significant upgrade to Redgum Park, the park located directly behind the school. The project will include a major upgrade to the play equipment in the park, which will be available for use by the school and for the general public.

The Council has advised that work will begin on 6th June, with an expected completion date of 30th June. The construction area will be will be surrounded with temporary construction fencing for the safety of the construction works and the students.

Works will include:

- Removal of existing bins, seats, springers, swing and climbing structure
- Retain existing ‘Spin Around’ cup
- New bins, seats, springers, swing and climbing structure
- New concrete path to new play equipment

Our thanks to Councillor Cherrie Dalley who has been most energetic in supporting this project to benefit our students and our community.

**WIN – What I Need**

Introduced two weeks ago, the WIN program is a program which groups students across two or three classes, to enable targeted teaching in Mathematics at students’ instructional level.

Lessons are of 45 minutes in duration, twice per week - Monday & Tuesday – Prep, Year 1, Year 3 and Year 5; Wednesday and Thursday – Years 2, 4 & 6

Students have undertaken a simple assessment task and then according to their results were placed into groups. Teachers have planned and now are implementing strategies aimed at specifically building on students’ current achievement level with a view to progress.

Students are in mixed groups with students from other classes of the same year level. Each group is being taught by one of the year level teachers, supported by teacher aides and coaches.

To date, the WIN program is progressing very positively. Students are walking between classrooms in a purposeful and orderly manner. The music being played over the loud speaker for 3 minutes, is popular.

Within each classroom, it is clear to see the *scaled level of teaching* purposely targeting the instructional level of each particular group of students. Students are warming to this model of teaching and there has been a significant amount of positive feedback from students and teachers about this innovative program.

**Gaming Grant Submission**

On behalf of the P&C and the school, Mr Wills has lodged a submission with the Qld Gaming Commission for a grant of funds to install a new underground irrigation system to our school oval and for work to be undertaken to secure the bank of the oval where there has been considerable erosion.

With the scarcity of rain, our oval is struggling to retain its grass cover. The basic grass on the oval has great potential to be watered and nurtured to produce a high standard playing surface.

Thanks to the P&C and Mr Wills for their support of this project. Hopefully we will receive a favourable response in Term 3, when the successful applicants are announced.

**Chocolate Drive**

The P&C’s Chocolate drive will raise much needed funds for our Resource Centre. Chocolates were sent home on Friday 20th / Monday 23rd May. Boxes are $50 each ($1 per chocolate) with the school receiving $20 per box towards our fundraising. All children who sell a box will receive a novelty prize and a raffle ticket in the major draw (to be announced). Children who sell 5 boxes will also receive a child’s movie voucher. *All monies are to be returned by Friday 10th June.*
Being a Friend versus Being a Parent

It’s interesting the number of people both children and adults alike who believe that a Mum or Dad should be a friend in preference to being a parent. The job of being a parent is so much more than being a friend and holds a great deal of responsibility. This is worth some discussion.

What does Being a Parent mean?

- Being there for your child – to talk with them, take them places, stay up late waiting for them to come home to know they are safe, helping them with homework that sometimes is beyond your own knowledge, having school meetings with teachers, preparing lunches for years on end (this alone would test any friendship)
- Being with them to celebrate the good times but also to help them through the difficult times (and at times the difficult times outweigh the good times)
- Even when they are difficult, you give them unconditional love by answering ‘I love you’ (not many friends would last the distance if they felt unloved).
- Using tough love when needed (letting them know when they have done the wrong thing; getting them to take responsibility for their actions; setting limits)
- Letting them know what they are doing well but also letting them know what they may need to improve on (which they may not want to hear)
- Being honest but not harsh eg. if an outfit is inappropriate who better to tell them than a parent (a friend most probably wouldn’t)
- Being the shoulder to cry on but eager to talk through the issue causing the problem
- Modelling good behaviour and educating your child with skills needed for them to be ready for living in the community
- In drastic times - dropping everything and coming to their aid – at these times putting their needs before your own

It takes more than a friend to be a parent. It takes love, commitment, selflessness, and endurance. Let’s congratulate ourselves for lasting the distance.

Principal

FAN FARE

Last Thursday our senior band competed in the Regional heats of the bi-annual Fan Fare Music Competition at Boronia Heights State School. This is a state wide competition with over 450 ensembles which represents 27500 students being involved.

Our students performed to an excellent standard and were awarded a gold award for their performance. Congratulations to Mrs Gittins and the senior Band on a magnificent performance. Unfortunately they were not one of the five primary school ensembles selected to compete at the regional finals, but once again they were fantastic ambassadors for our school and our community.

YEAR 6 SHIRTS

Year 6 shirts were distributed yesterday with many of the students wearing them today. Shirts look great and the students are very pleased to be wearing their shirts. Thank you for your patience in waiting upon delivery.

FANFARE

Congratulations to our Year 6 Senior Concert band who receive a Gold award in Fanfare at Boronia Heights State School last Thursday. Thank you to all the students involved who gave their 110% in effort and energy. Thank you to all parents for your support in this endeavour.

MUSIC SHIRTS

All students who participate in any of our music department ensembles are required to purchase a music shirt. This is to be worn for all performances with their own full length black trousers and black socks. A letter was sent home last Friday to those students requiring this shirt. If your child has missed out on a letter and requires a music shirt please see the music department. Payment is due by June 10.

ARTS EXTRAVAGANZA

Our 3 concert bands - Junior, Intermediate and Senior concert bands will be performing at the Arts Extravaganza - Wednesday afternoon of Week 10 this term. Music uniform will be required for this performance. More information and a time schedule will be sent home shortly.

Swimming lessons

Rackley’s Swimming are offering free swimming lessons for Prep – Year 3 students. See attached.

Help needed
We are seeking someone who has, or knows anyone that has, a dingo with a post hole digging attachment to donate some time to the school. We are nearly finished creating our bush tucker trail and need to dig approximately 80 post holes for signs and a fence. Any help would be greatly appreciated. If you are able to help, please contact the office on 33800333 and leave your details. Thank you in advance.

Attendance Term 2

Just a reminder that our attendance reward will go to the Year Level with the highest attendance percentage. We will be getting in jumping castles and obstacle courses for the students. We encourage all students to be at school, on time. We congratulate everyone who has been trying their best this year so far.

For week 6 the winning year level was Year 6 who achieved an attendance rate of 95.4%.

Our overall leader for the reward is Year 6 with 94.9% attendance. They are narrowly in front of Year 4 and Year 3 who are just 0.4% behind with their overall attendance.

Well done to Year 6.

**Health Advice**

Recently there has been confirmed cases of whooping cough (pertussis) in persons attending our school. Whooping Cough is a highly infectious illness that is spread by coughing and sneezing. The illness is troublesome and distressing at any age but can be very serious in young infants.

The Metro South Public Health Unit advises that all parents should check their children’s immunisation records and ensure that their child is up to date with their routine childhood vaccinations. If your younger children have missed any of their routine childhood vaccinations they can still be vaccinated against whooping cough with the childhood vaccine up to their 10th birthday. Adolescents are currently provided with a free pertussis booster vaccine in Year 7 or Year 8 from their doctor or local council clinic.

Pertussis vaccination is recommended and currently funded for all pregnant women early in the third trimester of each pregnancy. Pertussis vaccine is also recommended for any adults living in the household of children under six months of age (or regularly caring for these children). This vaccine is able to be accessed via your doctor however is not currently funded.

The protection against whooping cough from the vaccine does decrease over time and whooping cough may still occur in older children and adults who were fully immunised in early childhood. Therefore it is important for parents to be aware of the symptoms of whooping cough and to seek medical attention should they be concerned. More information is contained in the Whooping Cough Fact Sheet which is available from the School Office or at the Queensland Health Website: [http://conditions.health.qld.gov.au/HealthCondition/condition/14/33/150/whooping-cough-pertussis](http://conditions.health.qld.gov.au/HealthCondition/condition/14/33/150/whooping-cough-pertussis)

If you require further information please do not hesitate to contact Metro South Public Health Unit on (07) 3176 4000.

Browns Plains Community Bank® Branch
Dear Parents and Carers,

At Rackley Swimming we are deeply concerned with the safety of children Australia-wide. As part of a community initiative we are happy to announce that YUGUMBIR STATE SCHOOL has been selected to receive a special offer. Each student at Yugumbir will have the fantastic opportunity to have **4 free swimming lessons**, beginning in the month of **JUNE**. As everyone is more than aware of the dangers that can occur in and around water, we would love to get all children water safe for our busy summer season! We plan to do this through creating awareness in a fun and safe environment with qualified staff to ensure the experience is both informative and exciting.

Rackley Swimming is one of the largest providers of swimming lessons in South East Queensland. Across all of our centres, we are committed to working towards decreasing the number of drowning statistics in this age bracket. Being aware of the dangers and ensuring children are safer in and around water, are both critical elements in helping to prevent children from becoming a drowning statistic. We at Rackley Swimming have developed the ‘Prep to three – Swim for free!’ water safety program to provide free swimming lessons to families and help get all children on the path to enjoying this wonderful life long activity.

To be a part of this program, there are no further obligations and no upfront payments are required.

By phoning or visiting Logan West Aquatic and Fitness Centre on 1300 733 053, mention your schools name and that you wish to enroll for the ‘Prep to three – Swim for free!’ promotion. This offer is available to all children from your family who are enrolled at Yugumbir.

We look forward to providing your family with many happy memories and lifelong skills.

Kind regards,
Kerrie Lee
