YUGUMBIR STATE SCHOOL
ATTENDANCE POLICY

RATIONALE

At Yugumbir State School we are committed to providing safe and supportive learning environments for all students which address their educational needs.

The Yugumbir State School attendance policy aims to address student attendance and bring about a change in culture about the need for students to be in school every day. A necessary part of this plan is to engage all stakeholders in reducing absenteeism and making every day count at school.

BELIEFS ABOUT ATTENDANCE

Research shows that in Queensland, higher student attendance is associated with higher student achievement. It is important that students, staff and parents/carers have a shared understanding of the importance of attending school.

- is committed to promoting the key messages of Every Day Counts;
- believes all children should be enrolled at school and attend school all day, every school day;
- monitors, communicates and implements strategies to improve regular school attendance;
- believes truanting can place a student in unsafe situations and impact on their future employability and life choices;
- believes attendance at school is the responsibility of everyone in the community

RESPONSIBILITIES

School responsibilities:

- provide a supportive, stimulating and safe environment where students feel valued and secure and where their learning needs are met;
- strive to make school a fun and enjoyable place where students want to come each day;
- employ strategies to engage the community and build a shared responsibility for every child’s education;

**STRATEGIES**

At Yugumbir State School we promote 100% attendance by:

- Building positive relationships and developing channels of communication with the school community;

EVERY DAY COUNTS

Every Day Counts is a state-wide initiative addressing the issue of student attendance at school. The initiative is designed to change parent, community and student attitudes to school attendance. It requires the support of both parents and the community if student attendance is to be successfully addressed.

Every Day Counts promotes four key messages:

- all children should be enrolled at school and attend on every school day;
- schools should monitor, communicate and implement strategies to improve regular school attendance;
- truanting can place a student in unsafe situations and impact on their future employability and life choices;
- attendance at school is the responsibility of everyone in the community
