D.24- SICK CHILDREN

Children who report sick during the day will be sent to the office with a reporting slip. This slip gives
the office advice from the student’s teacher about whether to monitor the student or to send the student
home. Every attempt will be made to contact the parents of children who are suffering. If this is
unsuccessful, they will be monitored in the Sick Bay. Please do not send sick children to school, as the
chance of infecting other children and staff members is high.
