Under the agreement for 2015
Yugumbir State School will receive

$327,550*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Reduce the number of Prep students who are developmentally vulnerable.
- Increase the percentage of Year 3 students meeting National Minimum Standards in Reading to 96%.
- Support students accessing a different year level curriculum (Individual Curriculum Plan) to achieve a 'C' standard or better against the relevant year-level achievement standard.
- Embed and strengthen teacher capacity by developing their instructional knowledge and the skills through focused coaching, mentoring, and professional learning teams.
- Increase the percentage of Year 3 students in the NAPLAN upper two bands in Reading (38%), Writing (43%) and Numeracy (28%).

Our strategy will be to

- Implement a high quality oral language and early literacy program (PrepStart) that is built on strong evidence based practice.
- Implement high quality teaching through high expectations and responsive and ongoing data collection cycles as well as building strong collaborations through tailored coaching for teachers and teacher aides.
- Implement our “Prepped4Success” to support young children transitioning into Prep.
- Consistently implement high yield teaching strategies to ensure maximum impact.

Our school will improve student outcomes by
