Student:

I understand that the school’s ICT network enables me to access to a range of essential learning tools, including the internet. I understand that the internet can connect me to useful information stored on computers from around the world.

While I have access to the school’s ICT network:

- I will only use it for educational purposes
- I will not look for anything that is illegal, dangerous or offensive
- I will not reveal my password or allow anyone else to use my school account
- I will not reveal home addresses or phone numbers, either my own or those of anyone else’s
- I will not use the school’s ICT network in any capacity to annoy or offend anyone else

In the event of coming across something that is illegal, dangerous or offensive, I will

- Clear any offensive pictures or information from my screen;
- And quietly inform my teacher immediately.

I understand that if the school determines that I have broken the rules for using its ICT network, appropriate action will be taken. This may include loss of access to and usage of the school’s ICT network for some time.

Parent or Guardian:

I understand that the school provides my child with access to the school’s network (including the internet) for the purpose of providing valuable learning experiences. With regards to internet access, I understand that this will give my child access to information on computers from around the world; that the school cannot control what is on those computers; and that a small part of that information can be illegal, dangerous or offensive.

I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information should ultimately depend upon responsible use by students.
