

Year 1 Curriculum Outline Term 2, 2022

ENGLISH

Unit 2 - Exploring Characters in Stories

Students listen to, read, view and interpret spoken, written and multimodal literary texts to identify some features of characters in these texts and to create character descriptions.

HEALTH AND PHYSICAL EDUCATION

PE - Ball Stations- Students demonstrate fundamental movement skills in a variety of movement sequences and situations.

Health - Good Choices Healthy Me- Students examine health messages related to the health benefits of physical activity, nutritious dietary intake and maintaining good personal hygiene habits to help them stay healthy.

MATHEMATICS

Students develop understandings of:

Number and place value — represent and record counting sequences, partition two-digit numbers, represent and record the tens number sequence, investigate quantities and equality, represent two-digit numbers, standard partitioning of two-digit numbers, model double facts, identify and describe addition and subtraction situations, apply addition strategies, solve subtraction problems, connect addition and subtraction, represent, record and solve simple addition problems.

Patterns and algebra — investigate and describe repeating and growing patterns, connect counting sequences to growth patterns, represent the tens number sequence, represent and record counting sequences, describe number patterns

Shape — Investigate the features of three-dimensional objects & two-dimensional shapes, & describe two-dimensional shapes & three-dimensional objects

Location and transformation — explore and describe location, investigate and describe position, direction and movement, interpret directions.

TECHNOLOGIES (Semester Unit)

Coding – Emergency Services

Students investigate digital system and technologies within the Emergency Services. They will use their knowledge of how Emergency Service vehicles navigate to create designed solutions, moving a digital device (Blue Bot) through various obstacles to get to their destination in the quickest route.

MUSIC

(Semester Unit) Beat

Students will learn about the beat and perform the beat in a variety of different movements.

THE ARTS (Semester Unit) Unit Title

Students will be introduced to Dance through Asian and First Nations Dance. Students will learn and practise a devised dance.

HASS (Semester Unit) My Changing Life

Students identify, describe and sequence personal and family events and describe continuities and changes in aspects of daily life over time.

SCIENCE

Material Madness

Students explore how everyday materials can be physically changed in a variety of ways according to their properties. They describe the actions used to physically change materials to make objects for different purposes

Year 1 Term 2 Assessment Schedule

Week	English	Maths	Science	HASS	Technologies	Health and Physical Education	Music	The Arts
------	---------	-------	---------	------	--------------	-------------------------------	-------	----------

1							Assessment ongoing throughout Term 2	
2				My life in the past				
3								
4				A year in my family				
5	Pam & Lilly	2D & 3D Objects	Material Madness		Blue-Bots	Health: Part A		Assessment over 3 weeks
6	Exploring characters in stories Pam & Lilly	Directional Language		Daily life over time	Blue-Bots	Health: Part A Ball Station		
7	Exploring characters in stories				Blue-Bots	Health: Part B Ball Stations		
8					Blue-Bots	Health: Part B Ball Stations		
9								
10
