

Student Dress Code

A state school with strong dress standards.

Dress Code at Yugumbir State School

The Yugumbir State School community has chosen to adopt a Dress Code consisting of:

- A dress standard and
- Items of clothing that comprise a school uniform for students that applies when:
 - Attending and representing the school
 - Travelling to and from school
 - Engaging in school activities outside of school hours.

The School Dress Code has purpose

1. **Our Dress Code contributes to a safe and supportive teaching and learning environment through:**

- Ready identification of students and non-students at school
- Fostering a sense of belonging
- Developing mutual respect among students by minimising visible evidence of economic or social difference

2. **Our Dress Code reflects our school community's ethos of:**

- Bringing divergent groups and individuals together as one identity
- Aspiring to excellence: the underlying approach for success at school
- A means for each and every student to have a strong sense of pride and belonging regardless of social or economic difference that a dress standard conveys
- Acknowledging the sufficient opportunity arises in social contexts outside of school where personal and individual preferences can be exercised. This includes their personal appearance such as jewellery, make-up, and hair colours inconsistent with this dress standard.

The School Dress Code is consistent
