

2nd of August 2023

Dear Parents and Carers,

This Friday, Yugumbir State School will be taking part in Jeans for Genes Day.

We are holding the day in support of one of our YSS families, the Davies family, who have worked to raise funds for this cause over the last 3 years. All money raised through their campaign, and through Jeans for Genes, goes directly to Children's Medical Research Institute, to help discover treatments for genetic diseases.

The Davies family has a current fundraising campaign, and are official ambassadors of the foundation, on behalf of their youngest daughter Olivia. Families who wish to donate to the Davies family's Jeans for Genes campaign can access the link to their fundraising page on our school website. A story on Jeans for Genes features on the home page of our site (<https://yugumbirss.eq.edu.au/>) and this story contains the link.

What to wear:

Students may participate in Jeans for Genes Day this Friday by wearing a pair of jeans instead of the usual school skirt or shorts. In order to remain sun smart and appropriate, only jeans — not denim shorts — have been approved as suitable.

Although students will be wearing jeans, it is not a free-dress day. We ask that students attend in their normal school shirt, hat, socks and shoes.

We look forward to joining with you in acknowledging this important cause.

Regards

Daniel Bishop
Principal
Yugumbir State School

EACH TO SUCCEED
