

Bringing your own device to school is as easy as pi(e)

We've taken the guesswork out of school Bring Your Own Device (BYOD) programs, so you can be confident that your kids are equipped with the right technology to help them be their best and reach for the stars.

As a parent, you want your children to have the latest and greatest technology available for learning. However, affordability and finding the devices that meet their school's specific ICT processes and curriculum requirements can cause headaches.

That's where our Bring Your Own Device Program (BYOD) for schools and parents can make a world of difference.

For our next critical thinkers, solution seekers, goal setters and go getters

JB Hi-Fi Education's BYOD is the no-nonsense way to motivate students with education-specific technology that's compatible with their school and designed for the rigours of student life.

Education pricing means great value. Extended warranty and insurance options facilitate consistency of learning, whether at home or in the classroom.

With JB Hi-Fi Education BYOD, our devices are pre-selected by your school, so busy parents should feel reassured that the technologies they're purchasing work seamlessly and securely in the classroom, on the go and at home.

Your children engage in learning through the latest technology while being armed with the skills for tomorrow's workforce.
